

HEAT PUMPS

The Ameristar line of heating and cooling products offer you flexible and affordable options for HVAC equipment replacement. The Ameristar product line should complement the national brand you are selling and provide an opportunity to capture additional volume and market share with today's budget-conscious consumers.

- Ameristar units are available in both 13 SEER and 14 SEER (R-410A only) models.
- The compact design and small footprint are ideal for homeowners with limited yard space.
- 24V low-voltage control provides added safety.
- 1.5 – 5 ton models available.
- Units operate quietly, with a maximum sound level of 76 decibels.
- Painted, galvanized steel cabinets resist rust and stand up to weather.
