

Heating & Cooling Systems

# LEGACY™ LINE

## 80% GAS FURNACES

Models 810S, 811S, 800S, 801S

## Benefits of a **LEGACY™ LINE FURNACE**

Keep your family cozy during the winter months with a Bryant Legacy™ Line gas furnace. These furnaces deliver years of reliable performance and are an outstanding value.

### **Efficient heating you can rely on**

80% Annual Fuel Utilization Efficiency (AFUE). AFUE is a measure of how efficient your furnace is at converting the energy in fuel to heat.

### **Eliminate the pilot light**

Count on the Bryant Perfect Light™ igniter system to reliably bring the heat when you need it.

### **Smart technology**

Compatible with smart W-Fi® controls like the ecobee Thermostat, Powered by Bryant.

### **Deliver comfort and savings**

Electrically efficient fixed-speed constant torque ECM motor with five programmed speeds deliver quiet comfort throughout the winter.

### **Rest easy with a long warranty**

10-year parts and 20-year heat exchanger limited warranty when registered on time.<sup>1</sup>

1. The limited warranty period is 5 years on parts and 20 years on heat exchangers if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty and a 20-year parts limited warranty on the heat exchangers. See warranty certificate at Bryant.com for complete details and restrictions.

# Excellent comfort **WHATEVER** winter brings

## featured TECHNOLOGIES

Complete Legacy™ systems feature these exclusive advancements.

### "Smart" Technology

An ecobee Thermostat, Powered by Bryant, can maximize your comfort and savings by learning your family's schedule, using local weather information and analyzing your home's heating and cooling patterns.<sup>2</sup>

### Blocked Vent Safeguard™ Protection

Our exclusive Blocked Vent Safeguard™ Protection means this furnace shuts down if a common vent is obstructed, keeping potentially harmful flue gases away from your living areas.

### Hybrid Heat® Dual-Fuel System

A dual-fuel solution that combines an electric heat pump with a gas furnace. This allows the system to choose the most efficient fuel source while delivering year-round comfort and efficiency.

## Take charge with a complete LEGACY™ SYSTEM

A complete Legacy system works as one to deliver whole-home comfort to you and your family.

ecobee  
THERMOSTAT  
Powered by Bryant

Achieve greater efficiency and whole-home comfort with this Wi-Fi® smart thermostat.

LEGACY AIR  
CONDITIONER

High-efficiency cooling power delivering whole-home comfort and energy savings.

EVAPORATOR  
COIL

Matches to the proper outdoor unit to provide top cooling efficiency and years of reliable service.

AIR  
PURIFIER

Patented Captures and Kills® technology treats 100% of the air flowing through your system.<sup>3</sup>

HUMIDIFIER

Alleviates dry air by adding moisture.

VENTILATOR

Transfers heating and cooling energy to the incoming fresh air.

2. When connected to the internet through a Wi-Fi® network. Thermostat sold separately.

3. Based on third-party testing (2012) showing 95% of particles size 1.0 to 3.0 microns captured. Based on third-party testing (2012, 2007) showing > 99% kill rate for common cold surrogate, Streptococcus pyogenes and human influenza.

# BRYANT® HEATING SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.  
Only your Bryant dealer can help you decide which is right for you.
