Preferred™ Series Ductless Heat Pumps

The Coolest Thing in Comfort

Featuring

Puron
ADVANCE™

Models: 37MGRAQ, 37MBRAQ, 37MARAQ

WHY ARE SO MANY HOMEOWNERS GOING DUCTLESS?

Whether you're adding an extra room or converting an attic into a living space, you want your home renovation to be as comfortable as possible. Ductless systems deliver ultra-quiet and efficient comfort for practically any space and style. They also help eliminate hot and cold spots, making them ideal for garages, sunrooms, attics, additions and more.

Environment

With Puron Advance™, Bryant® proudly continues our century-plus commitment to environmental stewardship. It's a refrigerant that delivers a 75% decrease in global warming potential while maintaining the non-ozone depleting properties of original Puron.

Comfort Technology

Bryant ductless systems continually adjust the compressor speed as conditions change—for consistent comfort with lower energy usage. Plus, enjoy year-round comfort with a system that offers dependable performance in temperatures from -13° F to 122° F.*

Efficiency

Our Preferred™ Series units deliver up to 28.1 SEER2 and 13.6 HSPF2 ratings. And with ENERGY STAR® certifications on a number of ductless models, Bryant ductless systems provide improved temperature regulation, increased energy and cost savings.

Air Quality

Breathe easier with enhanced indoor air quality. Our built-in reusable filters (available in all indoor units) effectively remove odors, allergens and pollutants—for cleaner, fresher air and lower maintenance costs. Just pull them out, rinse them off and replace.

Personalized Comfort

Connect up to five indoor units to a single outdoor unit—to deliver individualized temperature control in every room of your home. Once you decide what temperature you'd like a specific zone (or room) to be, the system will quietly maintain that temperature.

Whisper Quiet Operation

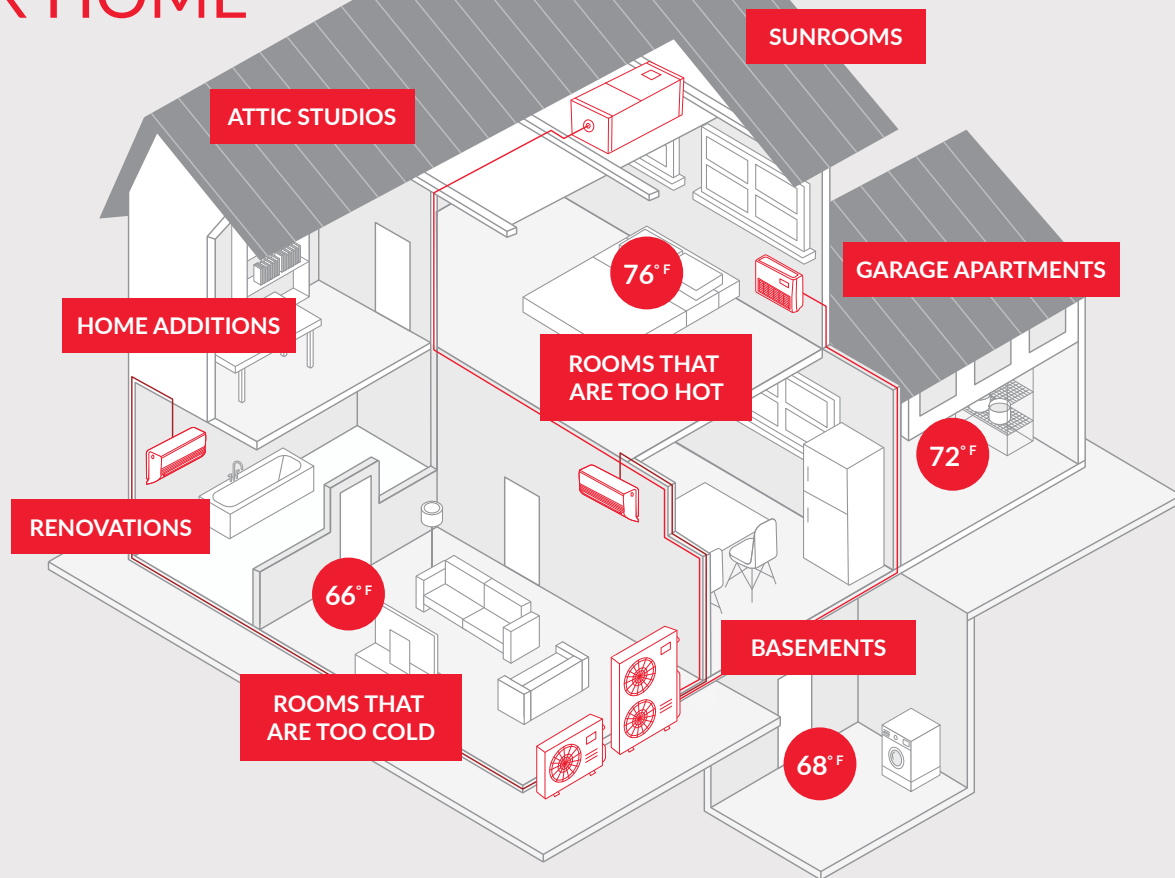

Ultra-quiet operation reduces noise pollution both indoors and out for more peaceful, comfortable spaces.

Limited Warranty

To the original owner, our Preferred Series heat pumps are covered by a 10-year parts limited warranty upon timely registration.**

CUSTOM COMFORT FOR EVERY ROOM OF YOUR HOME

OPTIONS FOR EVERY SPACE & STYLE

Select the system that's right for you or find the perfect combination for whole-home comfort.
