

Preferred™ Series Packaged Heat Pump and Hybrid Heat® Dual-Fuel Systems

featuring

Puron
ADVANCE™

Qualifying
Systems Only

Models 605E, 675E

Benefits of a PREFERRED SERIES SYSTEM

Keep your family cozy all year long with a Bryant Preferred Series heat pump or Hybrid Heat dual-fuel system. These systems deliver years of reliable performance and are an outstanding value.

Potentially save on summer and winter energy bills

15.2 SEER2 and 81% AFUE (model 675E) may help reduce your energy consumption leading to reduced energy bills.

Environmentally responsible

With Puron Advance™, Bryant proudly displays our commitment to environmental stewardship. It's a refrigerant that delivers a 75% decrease in global warming potential while maintaining original Puron's non-ozone depleting properties.

Smart technology

Compatible with smart Wi-Fi® controls like the ecobee for Bryant smart thermostats.

Deliver comfort and savings

The electronically-controlled, programmable blower provides airflow optimized to your home and higher energy efficiency compared to most standard PSC motors.

ENERGY STAR® on qualifying systems

You may save energy and qualify for local utility rebates where available.

Rest easy with a long warranty

10-year parts limited warranty when registered on time.¹

¹ The limited warranty period is five years if not registered within 90 days of installation except in jurisdictions where warranty benefits cannot be conditioned on registration. See warranty certificate at bryant.com for complete details and restrictions.

Excellent comfort **WHATEVER** winter brings

featured TECHNOLOGIES

"Smart" Technology

An ecobee for Bryant smart thermostat, can maximize your comfort and savings by learning your family's schedule, using local weather information and analyzing your home's heating and cooling patterns.²

Complete Preferred systems feature these exclusive advancements.

PerfectLight™ Igniter (Pilot-Free)

Count on the Bryant PerfectLight igniter system to reliably bring the heat when you need it. (Model 675E)

Enhanced Durability

A galvanized steel cabinet and louvered coil guards provide superior protection against dings, dents and other outdoor threats. Our unique design puts the condensing coil above ground level and further out of harm's way. The bottom half of the cabinet is fully sealed to help keep moisture, leaves, dirt and other potential corrosives out.

HIGH-EFFICIENCY COOLING WITH SMOOTH, EVEN COMFORT

Our energy-saving Preferred packaged heat pump or Hybrid Heat dual-fuel system work overtime for whole-home comfort. A multi-speed blower and 15.2 SEER2 cooling efficiency deliver optimized comfort. The two-stage operation of these models also offer better levels of summer humidity control. A complete Preferred system works as one to deliver whole-home comfort to you and your family.

SMART THERMOSTAT

Achieve greater efficiency and whole-home comfort with this Wi-Fi® smart thermostat.

ZONING

Sets different temperatures for different areas of your home for customized comfort.

AIR PURIFIER

Uses Captures & Kills® technology to inactivate 99% of select airborne pathogens trapped by the filter, including coronavirus, bacteria and other pathogens.³

HUMIDIFIER

Alleviates dry air by adding moisture.

VENTILATOR

Transfers heating and cooling energy to the incoming fresh air.

² When connected to the Internet through a Wi-Fi® network. Thermostat sold separately.

³ The Evolution™ air purifier has demonstrated effectiveness against the murine coronavirus, based on third-party testing (2020) showing a >99% inactivation, which is a virus similar to the human novel coronavirus (SARS-CoV-2) that causes COVID-19. Therefore, the Evolution air purifier can be expected to be effective against SARS-CoV-2 when used in accordance with its directions for use. Third-party testing (2012, 2007) also shows ≥99% inactivation for the type of virus that causes common colds, Streptococcus pyogenes and human influenza. Airborne particles must flow through your HVAC system and be trapped by the Evolution filter to be inactivated at 99%. Learn how it works at Bryant.com/purifier.

BRYANT COMFORT SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.
Only your Bryant dealer can help you decide which is right for you.
