

# LEGACY<sup>™</sup> LINE PACKAGED HEAT PUMP AND **HYBRID HEAT® DUAL-FUEL SYSTEMS**

## Benefits of a LEGACY<sup>™</sup> LINE SYSTEM

Keep your family cozy all year long with a Bryant<sup>®</sup> Legacy<sup>™</sup> Line heat pump or Hybrid Heat<sup>®</sup> dual-fuel system. These systems deliver years of reliable performance and are an outstanding value.

#### Potentially save on summer and winter energy bills

Up to 14.5 SEER and 81% AFUE may help reduce your energy consumption leading to reduced energy bills.

#### Smart technology

Ô

Compatible with smart Wi-Fi<sup>®</sup> controls like the ecobee Thermostat, Powered by Bryant.

#### **Deliver comfort and savings**

Electrically efficient ECM motor and insulated cabinets deliver quiet comfort throughout the winter.

#### Rest easy with a long warranty

10-year parts limited warranty when registered on time.<sup>1</sup>

<sup>1</sup> The limited warranty period is five years if not registered within 90 days of installation except in jurisdictions where warranty benefits cannot be conditioned upon registration. See warranty certificate at *bryant.com* for complete details and restrictions.

### Excellent comfort WHATEVER winter brings

### *featured* TECHNOLOGIES

Complete Legacy™ systems feature these exclusive advancements.

### "Smart" Technology

An ecobee Thermostat, Powered by Bryant, can maximize your comfort and savings by learning your family's schedule, using local weather information and analyzing your home's heating and cooling patterns.<sup>2</sup>

### clusive nts.

#### PerfectLight™ Igniter (Pilot-Free)

Count on the Bryant® PerfectLight™ igniter system to reliably bring the heat when you need it. (Model 677C)

### **Enhanced Durability**

A galvanized steel cabinet and heavy-duty wire coil guard provide superior protection against dings, dents and other outdoor threats. Our unique design puts the condensing coil above ground level and further out of harm's way. The bottom half of the cabinet is fully sealed to help keep moisture, leaves, dirt and other potential corrosives out.

# COOL COMFORT WITH BRYANT RELIABILITY

The Legacy packaged heat pump or Hybrid Heat<sup>®</sup> dual-fuel systems deliver reliable efficiency older systems just can't match. You'll get 14.5 SEER warm weather cooling and dependable Bryant quality. A complete Legacy system works as one to deliver whole-home comfort to you and your family.

 $^{\rm 2}$  When connected to the Internet through a Wi-Fi  $^{\rm \otimes}$  network. Thermostat sold separately.

<sup>3</sup> The Evolution<sup>™</sup> air purifier has demonstrated effectiveness against the murine coronavirus, based on third-party testing (2020) showing a >99% inactivation, which is a virus similar to the human novel coronavirus (SARS-CoV-2) that causes COVID-19. Therefore, the Evolution air purifier can be expected to be effective against SARS-CoV-2 when used in accordance with its directions for use. Third-party testing (2012, 2007) also shows ≥99% inactivation for the type of virus that causes common colds, Streptococcus pyogenes and human influenza. Airborne particles must flow through your HVAC system and be trapped by the Evolution filter to be inactivated at 99%. Learn how it works at Bryant.com/purifier.

### **BRYANT® COMFORT SOLUTIONS**

There is a Bryant product for almost any heating and cooling need or budget. Only your Bryant dealer can help you decide which is right for you.

	BETTER PREFERRED <sup>™</sup> SERIES	GOOD LEGACY <sup>™</sup> LINE
Energy Management	Hybrid Heat® Dual-Fuel System Offering two options for heating – a gas furnace and an electric heat pump - this system automatically selects the most efficient fuel source for current conditions. Two-Stage Cooling Operation Nearly continuous low-stage operation reduces energy consumption compared to single-stage systems. High-stage	Hybrid Heat <sup>®</sup> Dual-Fuel System Offering two options for heating – a gas furnace and an electric heat pump - this system automatically selects the most efficient fuel source for current conditions.
