

# ecobee SMART THERMOSTAT PREMIUM

POWERED BY CARRIER

Intelligence for the next level  
of comfort and control

Model EB-STATE6CR-01

# SAVING ENERGY IS JUST THE BEGINNING

Spectacular energy savings, plus so much more than you'd expect from a smart thermostat, all in one beautiful design.

ecobee Smart Thermostat Premium is the smart thermostat that delivers better comfort, control and savings.

## Smart, intuitive and low maintenance

The ecobee Smart Thermostat Premium, Powered by Carrier, tailors itself to your schedule, your personal comfort preferences and the weather outside. It can also show how much money you've saved each month and give you insight into your heating and cooling equipment.

## Compatible with your smart home

Works seamlessly with third-party smart home platforms such as Apple® HomeKit™, Amazon® Alexa®, Google® Assistant™, Samsung® SmartThings®, Alarm.com, and IFTTT®.<sup>1</sup>

## Premium look and ease-of-use

Designed with premium materials and advanced engineering. Features thicker glass, intuitive usability, large screen, metal body, and our most advanced sensors ever.

## Automatic savings

Automatically helps save up to 26%\* on heating and cooling costs, while keeping you comfortable with included room sensor.

## Greater peace of mind

Five-year-limited warranty when purchased through and installed by a Carrier dealer<sup>2</sup> and ENERGY STAR® qualified for local utility company rebates (*where available*).

\* Compared to a hold of 72° F/22° C

# FEATURES THAT BRING YOU COMFORT AT HOME AND CONTROL FROM ANYWHERE

## Air quality alerts

Built-in air quality monitor that alerts you when air quality is poor and can send reminders when it's time to change the furnace's air filter.

## Controllable from anywhere

Access your system from anywhere with your Apple® or Android® devices.<sup>1</sup>

## Voice control

Use Amazon® Alexa® voice commands to change temperature settings, check the weather, hear the news, make a phone call, play music and more.

## Included SmartSensor

Install the included SmartSensor in another room so the thermostat can more accurately learn your family's occupancy habits and automatically adjust to keep your favorite areas the right temperature. Add up to 31 additional sensors *(sold separately)*.

## Hands-free calling

Call friends and family anywhere in North America free of charge from your thermostat using Amazon Alexa.

## Stream music

Play music through a Bluetooth® speaker using Spotify® Connect.<sup>1</sup>

<sup>1</sup> When connected to the Internet through a Wi-Fi® network.

<sup>2</sup> See warranty certificate at Carrier.com for complete details and restrictions.

An advanced thermostat with voice control and SmartSensor.

# GAIN MORE CONTROL WITH A COMPLETE HOME COMFORT SYSTEM

Enjoy a world-class comfort experience with the combined efforts of two of the industry leaders in home comfort - Carrier and ecobee.

With highly advanced communication at its core, pair an ecobee thermostat, Powered by Carrier with a complete home comfort system to give you total control over your home's comfort, temperature and humidity.

## Air Conditioner or Heat Pump

Provides efficient cooling or cooling/heating for comfort and potential energy savings.

## Gas Furnace

Provides high-efficiency heating for comfort and potential energy savings.

## Fan Coil

Works with your outdoor heat pump to convert heating and cooling energy and deliver more comfortable air to your home.

## Evaporator Coil

Matches to the proper outdoor unit to provide more cooling efficiency and years of reliable service.

## Humidifier

Adds moisture to the air, helping keep static and dry skin at bay.

## Dehumidifier

Pulls excess moisture from the air helping you feel more comfortable.
