ION™ GRAY SMART THERMOSTAT

FEATURING SMARTSENSE™

CONVENIENT & CONNECTED COMFORT CONTROL

Model TSTATIIIEWF-01

Featuring smartsense

DESIGNED WITH YOUR COMFORT IN MIND

The Ion Gray Smart Thermostat featuring SmartSense is the latest and most affordable model in our growing family of Wi-Fi®-connected controls.

COMFORT-ENHANCING CONTROL

The Ion Gray Smart Thermostat featuring SmartSense manages single- and two-stage systems as well as indoor air quality accessories. It also unlocks our patent-pending SmartAdjust™ feature on select Comfortmaker variable-speed equipment to provide comfort enhancing control. It's a winning combination that delivers potential money-saving energy efficiency, quieter operation, and more consistent temperatures in the home.

OVER-THE-AIR EQUIPMENT UPDATES

The Ion Gray Smart Thermostat featuring SmartSense is capable of updating itself and select Comfortmaker equipment.[1] When a new firmware version is made available, it's simply pushed out to your thermostat.

SMART SERVICING

Pair your Ion Gray Smart Thermostat with SmartSense-enabled equipment, opt-in to data sharing, and enjoy the benefits of connected comfort. SmartSense gives your dealer the ability to remotely view the operational health of your system to provide you more efficient service.

MAGNET-MOUNTED CONVENIENCE

Snap your Smart Thermostat in place or remove it with ease as needed, thanks to its patent-pending magnet-mounted design.

SIMPLE TO USE

Touch-sensitive buttons and quick-read icons on the wall-mounted control allow you to effortlessly set and change temperature settings, switch between heating and cooling operation, and change fan settings.

AT-A-GLANCE DISPLAY

Color-coded, illuminated LED border indicates system startup whether in heating, cooling or fan-only operation.

Color-Coded, Illuminated LED Border

The LED border light changes color to match system operation:

- Orange = Heating
- Blue = Cooling
- Green = Fan
- Purple = Off
- Yellow = Utility energy management event

A “SMART” CHOICE

With expert installation, guided setup, and the “connected” warranty coverage, this thermostat is a smart choice for comfort.

CONNECT WITH EASE

The Ion SmartHome app with guided setup makes the connection between your phone and the Smart Thermostat fast and easy. Simply download the app and create your Ion SmartHome account to connect with ease.

SMART HOME READY

Control your system from anywhere using the Ion SmartHome app on iOS® or Android® devices.[1] Your Smart Thermostat also works seamlessly with Alexa, Google Assistant, Apple HomeKit, Samsung SmartThings, and Alarm.com third-party smart home systems.

EXPERT INSTALLATION

Installed by your local Comfortmaker comfort expert, your Smart Thermostat has been set up to ensure optimal system operation.

PROGRAMMABLE SAVINGS

Create customized comfort schedules to match your lifestyle using the Ion SmartHome app or the consumer portal at *my.ioncomfort.com*. Set the temperature for savings while you are asleep or away, or comfort when you are awake and at home. Setting your thermostat just a few degrees higher for cooling or lower for heating can have a big impact on reducing energy consumption, especially on extremely hot or cold days.

CONNECTED AND PROTECTED

The Ion Gray Smart Thermostat featuring SmartSense is covered with a five-year connected warranty[2] upon timely registration and connection.[3]

[1] When connected to the Internet through a Wi-Fi® network.
[2] See warranty certificate for complete details and exclusions.
[3] The Ion Gray Smart Thermostat featuring SmartSense is covered by a two-year parts limited warranty. The warranty period is extended to five years when the following conditions are met within 90 days of installation: Thermostat is properly registered, is connected to Wi-Fi®, and data sharing permissions are enabled except in jurisdictions where warranty benefits cannot be conditioned upon registration.

COMFORT MATTERS. YOUR PRIVACY MATTERS EVEN MORE.

We take your comfort personally and your privacy professionally. Data sharing permissions required as part of the thermostat’s five-year connected warranty are limited to thermostat activity only, such as indoor temperature, temperature settings and similar. We don’t use your data for targeted marketing, and we don’t sell your personal information.

ASK YOUR DEALER ABOUT HOW TO COMPLETE YOUR HOME COMFORT SYSTEM

Air Conditioner or Heat Pump	Gas Furnace	Evaporator Coil
		
Provides efficient cooling or cooling/heating for comfort and potential energy savings.	Provides high-efficiency heating for comfort and potential energy savings.	Matches to the proper outdoor unit to provide more cooling efficiency and years of reliable service.

ION GRAY SMART THERMOSTAT OPTIONAL ACCESSORIES (SOLD SEPARATELY)

Smart Thermostat Oversized Wall Plate:

P/N TSTATXXZOW-01 - Use our optional oversized wall plate with your new Ion Gray Smart Thermostat featuring SmartSense when our standard wall plate is not large enough to cover any holes or marks left from your previous thermostat.

SmartSense-Capable C-Wire Adapter:

P/N TSTATXXZAW-01 - If your older thermostat does not have a C-wire but has at least four wires available, it is possible to install our optional C-wire adapter on the furnace control board. This allows your dealer to establish a C-wire connection.
