

RESIDENTIAL PACKAGED UNITS

R-32 MODELS

A SELF-CONTAINED HVAC SYSTEM

The **all-in-one package system** that provides heating/cooling within a **single outdoor unit** for whole-home comfort. A better understanding of how people inhabit their living spaces has led to products designed to create indoor environments that **use energy resources more effectively**. Select a packaged air conditioner if only cooling is needed. Select a packaged heat pump if you desire both cooling and heating. Select a packaged gas/electric or dual fuel model if you need extra performance during the colder months. For replacement or new construction, a Daikin packaged system will provide efficient comfort to your family for years.

* Complete warranty available from your local dealer or at www.daikincomfort.com. Limited Warranties vary by product model. To receive the 6-Year Unit Replacement Limited Warranty, the 12-Year Parts Limited Warranty, and/or 99-Year Heat Exchanger Limited Warranty, online registration must be completed within 60 days of installation. The duration of warranty coverage may depend on the state in which you reside. Some states and provinces do not allow warranty coverage to be conditioned on registration. For a list of states and provinces that do not allow warranty coverage to be conditioned on registration, please visit www.daikincomfort.com/warranty-information or, to request a paper copy of this information, please call us at 1-855-502-3903. Additional requirements for annual maintenance are required for the 6 or 12-Year Unit Replacement Limited Warranty. Changes in law, regulations, or technology may result in an equivalent unit not being available. Other limitations and exclusions apply, refer to complete warranty details for full list of limitations and exclusions, as well as rights and obligations should an equivalent unit not be available.
