Why Indoor Air Quality Matters to All of Us!

Indoor air environments can affect the **Health** of the people who live in them. As energy costs have risen, air tightness in our homes has increased **“trapping indoor air pollutants”**. Statistics show, we now spend a remarkable **90%*** of our lives indoors. We live, work, grow & play in artificial environments. The concern is, are they healthy? *EPA

What can the Respicare AirSterilizer Pro® Air Treatment System do for you?

The Respicare AirSterilizer Pro® is a powerful, whole home, air cleansing system. Its potent purification technology utilizes Ultra Violet light to accelerate **ionic, oxidative processes** that **help eliminate airborne odors, VOC’s, bacteria, virus, mildew, microbials & molds**. It features our patented **“Spiroplate” catalytic chamber** that emits these active air cleansers. These cleansers migrate throughout your home to help oxidize airborne contaminants wherever they roam.

Aerospace Technology - The Respicare AirSterilizer Pro® works 4 ways to purify your indoor air.

The Respicare AirSterilizer Pro® produces **four natural oxidative cleansers** that are highly reactive and able to remove harmful airborne & surface pollutants. It is an effective & efficient **“whole home”** air cleansing device.
