MODEL: SH2T AIR HANDLERS

Humidity Control – the SH2T air handler manages humidity levels in the home, improving your comfort and helping you save money on energy bills.

Designed for Performance – Sure Comfort air handlers have a factory installed indoor aluminum coil, which is the key component for your air handler. The coil is essential to humidity control and improved system performance, and the high-quality standards used in manufacturing result in fewer maintenance calls. Other quality features include a new lanced fin design and condensate drain pan. The corrosion-resistant aluminum endplates keep your unit looking as good as it runs.

Quiet Operation – SH2T Air Handlers are designed with a sturdy steel cabinet and one inch of foil-faced insulation, offering excellent thermal and sound insulation.

- **Motor:**
 - Constant Torque (ECM) Two-Stage Airflow
- **Evaporator Coil:**
 - All Aluminum
- **Limited Warranty:***
 - Conditional parts - 10 years
