

OUALITY OUALITY OUALITY OUALITY WE ASSEMBLED IN THE USA OUALITY OUALIT

The difference between YORK® and other heating and cooling companies is simple: Our people are dedicated and passionate about the work they do and use that passion and dedication in every unit they build. Each person on the YORK® team is empowered to create the best equipment possible – and that makes an unbelievable network of dedicated people creating world-class products for our friends and neighbors.

We design, engineer and assemble YORK® LX Series heat pumps in the United States, where we can closely monitor and improve processes that directly affect quality. Because when it comes to home comfort, your confidence is our commitment.

YHG Heat Pumps

*Actual EER and SEER ratings may vary depending on tonnage and matched indoor component.

Ask about ways to improve your indoor environment and protect your family's health with our Total Comfort System[™] approach to indoor air quality.

STAY COMFORTABLE FOR YEARS TO COME.

YORK® is proud to offer the YORKCare™ Comfort Plan. It's designed to maintain your system as well as your peace of mind. With YORKCare™, you get total protection that ensures your unit is effective and efficient for years to come. YORK® Contractors offer maintenance agreements that provide upkeep while maximizing the warranty provisions. Ask about the YORKCare™ Comfort Plan.

YORK.COM

WHEN PERFORMANCE MATTERS.

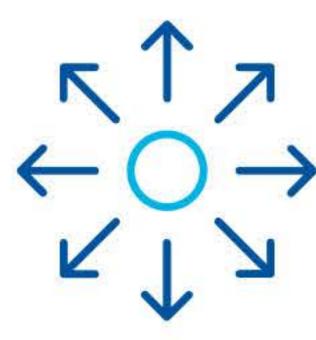

Since 1874, we've provided air quality solutions for some of the most complex structures in the world. Today, we take pride in knowing YORK® home comfort systems are keeping our friends and neighbors comfortable in homes across the country. And since YORK® heat pumps are designed, engineered and assembled in the United States, you can be confident any YORK® heat pump you buy will provide your family with comfort, energy savings and lasting performance for years to come.

FLEXIBLE AND EFFICIENT: YORK® LX SERIES YHG HEAT PUMPS.

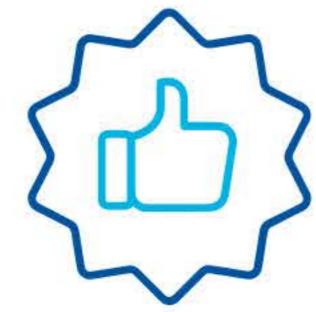

EFFICIENT COMFORT

- Single-stage compressor to meet the degree of comfort you need.
- Tube-in-fin coil offers robust defrost and water shedding in hot weather.
- ENERGY STAR® certified performance means greater energy efficiency.

SYSTEM FLEXIBILITY

- Compact footprint allows the unit to fit in tight spaces – without limiting performance, capacity or efficiency.
- Conventional thermostat
 compatibility provides
 additional flexibility for use
 with existing thermostats.
- Quiet operation makes the YHG heat pump a strong choice for neighborhoods.

TRUSTED QUALITY

- Unmatched warranties include a 1-year Labor Limited Warranty, 10year Compressor Limited Warranty and 10-year Parts Limited Warranty on registered outdoor units.
- High- and low-pressure switches protect the system from systemdamaging occurrences.

CHOOSE YOUR LEVEL OF COMFORT.

YORK® has many options to best suit your home's requirement and your needs.
