

Dear Parents/Guardians,

We will be using a new digital tool called [Soundtrap](#) in an effort to support authentic, relevant, and deep learning experiences in our classroom. We are using the *Education Platform* which remains behind a “walled garden.”

**This tool will be used by teachers and students for the following purpose(s):**

- to create and collaborate on audio recording projects
- to engage in sound/music creation
- to record stories and media for school projects
- to practice language development activities
- to share learning with the teacher and/or peers

I have examined [the privacy policy \(https://www.soundtrap.com/legal/privacy\\_us\\_canada\)](https://www.soundtrap.com/legal/privacy_us_canada) of this tool, specifically looking at:

- where the data is being stored,
- who owns the content, and
- what will be done with the content that is created/stored.

I ask that you review the privacy policy too, and indicate whether or not you approve of the inclusion of this tool in your child’s learning and the identifiable information that might be shared.

By signing below, I indicate that I understand the information provided, have read the privacy policy for the tool(s) above and give permission for my child or their teacher to access this tool(s) as I have initialled above.		
Student Name:	Parent/Guardian Signature:	Date:

\*Optional: We would also love to share your student’s creativity with the district and other educators who utilize Soundtrap in their classrooms. Names and/or any other confidential information will not be shared, just the project. Please sign below if you consent to your student’s work being celebrated.

By signing below, I indicate that I consent for my student’s Soundtrap projects to be shared with the district and other educators using Soundtrap.
