The District has elected to solicit requests for proposals under the requirements set forth by the Code of Federal Regulations (CFR) Title 2 Grants and Agreements, Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200). Failure to affirm and agree to these requirements may, at the District's discretion, disqualify the associated response to this solicitation or limit the use of the awarded contract based on the funding source.

The District reserves the right at any time within the contract term to require an awarded supplier to reaffirm, sign and resubmit proper documentation stating that their company is not debarred, nor have any other circumstances changed related to their original response.

The officers, employees, and agents of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from suppliers or parties to subcontracts. However, the District may set standards for situations in which the financial interest is not substantial, or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the District. It is the responsibility of the supplier to identify and make the District aware of any potential conflicts of interest that exist between their company and the District. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the Simplified Acquisition Threshold (SAT). In any case, contracts in excess of the state's or state agency threshold must address the foregoing. In all cases, a cost analysis is to be performed by the District. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

ACKNOWLEDGED - ☐ **Yes** ☐ **No**
