Tractor Rental Contract – District 3

Tractor rental, new and current model, equipped as advertised by the manufacturer, to meet or exceed the following minimum specifications:

SPECIFICATIONS

General Requirements

The vendor shall provide thirty (30) tractors new and of current model for rent at various locations in District 3, Yazoo City, Mississippi, in accordance with the provisions and requirements stated herein. This will be an eight-month rental period which begins April 15th and ends December 15th of each year. Units will be delivered by the vendor to MDOT (Mississippi Department of Transportation) on or before April 15th, but not before April 1st of each year. The vendor will pick up units on or after December 15th and before December 31st of each year.

Unless otherwise specified herein, the vendor shall furnish all material, labor, facilities, equipment, and supplies necessary to provide the deliverables required herein.

Equipment must comply with the MDOT specifications and any other provisions outlined in the solicitation documents.

The vendor must respond to each of the following statements. Specifications listed are minimum requirements that must be met in order for a vendor to qualify for an award. A "YES" response means the vendor guarantees that they meet this requirement. A "NO" response means the vendor cannot meet the requirement and will not be considered. The vendor must supply printed literature that shows compliance with each requirement of the Equipment Specifications and, if on inspection, an item is found not to be in compliance, the unit(s) will be rejected.

Equipment Specifications

Engine: Liquid cooled diesel

Minimum	Maximum
100 Engine HP	150 Engine HP

Tractors outside the parameters of this engine horsepower range will not be accepted.
