ADDENDUM NO. 2

Date: November 9, 2026
TO ALL PROSPECTIVE BIDDERS:

This addendum to the Project Manual consists of the attached revised Doc 630 – Statutory Bond, a revision to Document 700 - General Conditions and a response to a request for information on the 'STAY IN PLACE FORMS" bridge note is issued for the purpose of making the following changes or revisions:

1. Changed "**Date of Project: _____ __,2026" to** "**Date of Project: October 22,2026"** on page 630-1 of Doc 630 – Statutory Bond.

2. Add the following paragraph 6.2a to Doc 700 - General Conditions, ARTICLE 6 - CONTRACTOR'S RESPONSIBILITIES which states.

   "6.2a Communication Representative. Contractor shall ensure that, whenever construction activities are occurring, Contractor has a designated representative present and available on the Project Site who is capable of communicating effectively in English with the Owner and its representative regarding project administration, safety directions, emergency instructions, inspections, and other matters requiring immediate communication. This requirement applies solely to the Contractor's designated representative and shall not require other Contractor personnel or subcontractor personnel to communicate in English."

3. In response to a Contractor Request for Information on the "STAY IN PLACE FORMS" bridge note on Sheet 15 of the plans, the County Engineer gives the following response:

   "Stay in place decking is approved and allowed from a notable supplier such as Red Bird Engineering or New Millenium. Contractor shall not be allowed to weld anything the existing top flanges. Any arc strikes shall be repaired by the Contractor at his expense. Per the existing note, any stay in place forms shall not be installed until the top of the top flanges and the edges on the top flanges are sandblasted and primed with organic zinc primer prior to installation of the forms."

4. The attached Doc 630 – Statutory Bond is part of this Addendum.
