Description of Procurement	York Catholic District School Board (YCDSB) wishes to advise prospective suppliers that we intend to post an RFP opportunity for the building of a four-season enclosed facility and installation of an artificial turf field at Holy Cross Secondary School on Bids and Tenders within the next four (4) weeks. The posting date and time are subject to change at the sole and absolute discretion of the Boards. The objective of this Proposal is to establish a partnership with a Vendor for the development of an artificial turf field within a four-season athletic enclosed facility on Board property to benefit the students of the Board and the community. The successful Vendor would be responsible for all costs including the cost of construction, capital repair, maintenance, and all aspects of operation including but not limited to the day-to-day management functions of the developed facility, all maintenance responsibilities, any commercial operations, recreational programming, related staffing, and all other management activities necessary to maintain and develop the facility. YCDSB will bear no cost for any aspect of this Project. This RFP is intended to establish the best partnership arrangement for the Board through a formal review and analysis of the Proposals. Proponents are requested to provide information based on the criteria set out in this RFP to demonstrate their capacity and capability to provide development concepts to design, build and operate the Proposed Facility at no cost to the Board and with the best value added services.
