Furniture Package General Notes

DELIVERY AND INSTALLATION

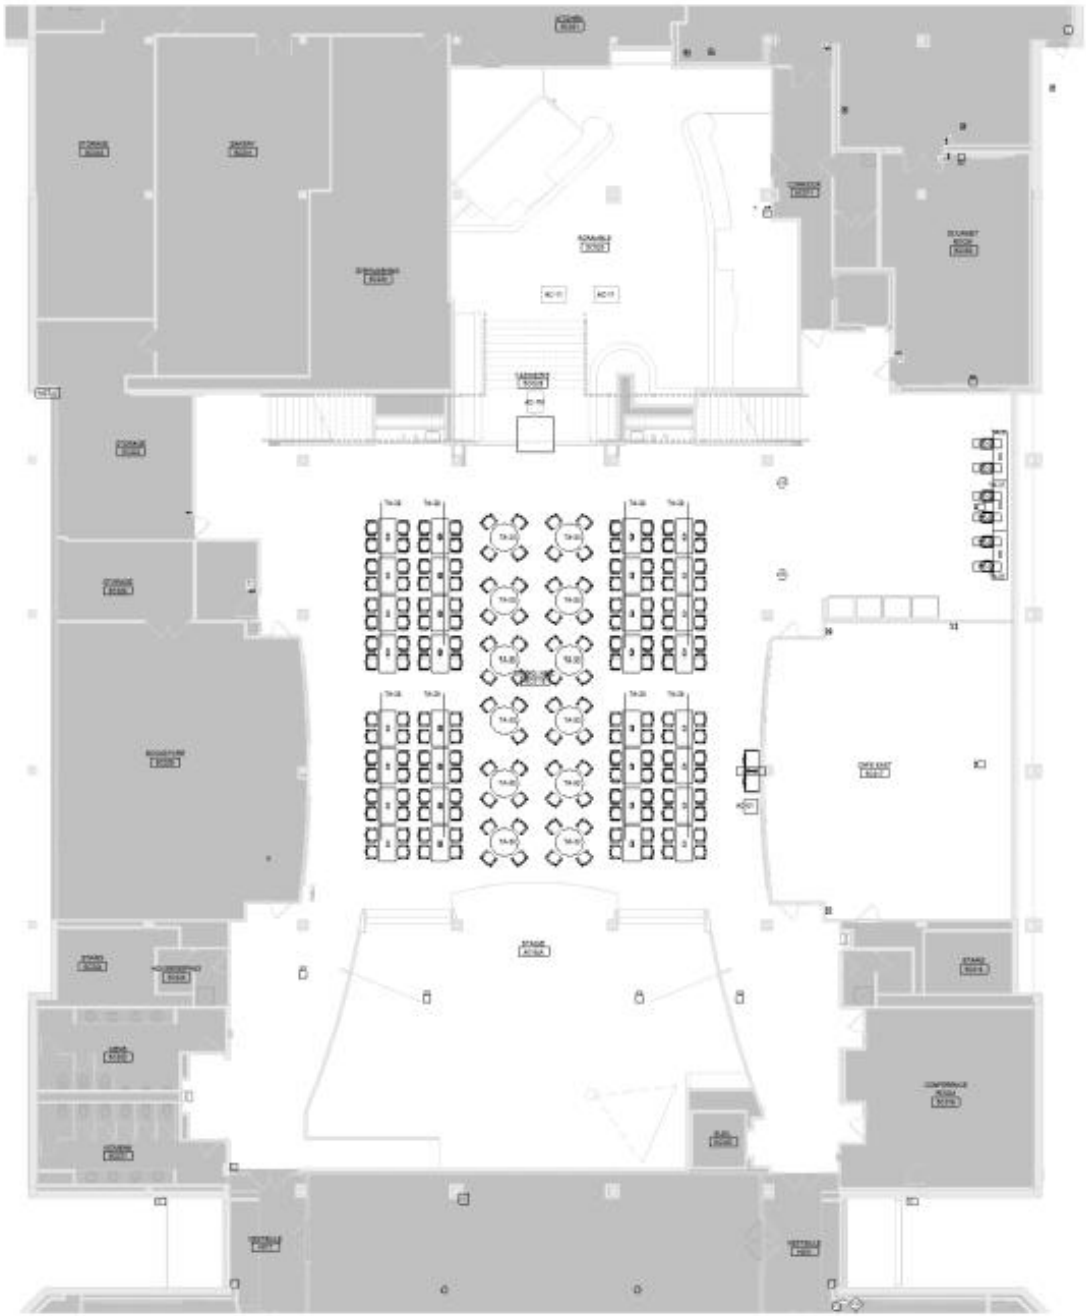

1. Work hours are 7am – 4pm Monday through Friday. All work is to be performed during normal working hours. Any overtime must be approved by STLCC prior to being performed.
2. Work will be completed in phases. See enclosed phasing drawings for more information.
3. Furniture Vendor (FV) to coordinate delivery dates and times with the General Contractor and Owner.
4. It is the FV's responsibility to determine and understand delivery conditions. Upcharges for delivery conditions will not be considered.
5. FV to provide wall, corner and floor protection throughout. FV will be responsible for all damage to the building due to delivery and installation of product.

GENERAL

6. Project will be for a complete installation. FV is responsible for providing items as described in the furniture specifications and on the furniture plans. FV is responsible for verifying all quantities. Quantities shown on specifications are for information only, not to be taken as final quantity.
7. FV is responsible to resolve any discrepancies between specifications and drawings etc. with the owner and architect prior to order placement.
8. FV is responsible to field verify all critical dimensions and to resolve any conflicts with the owner and architect prior to order placement.
9. Submit 3 samples, not smaller tha 5" X 5" from the actual dye lot for all COM's to the architect for approval.
10. Submit 3 samples of the actual finish for all specified finishes to architect for approval.
11. Provide factory installed grommets in all worksurfaces for power and data cords. Coordinate locations with architect.
12. All offices and workstation to be keyed alike, separately from all others. All others to be keyed randomly. Provide 2 sets of master keys.
13. FV to coordinate trash removal with GC and owner. FV is responsible to keep the work area clean and free from trash and debris.
14. FV is responsible to coordinate power and data at all furniture pieces and between furniture pieces and building connections with GC, owner and architect prior to order placement. Refer to power and data plans for more information.

See drawings for more information.

* ADD Alternate: Base bid provides all furniture. Alternate removes all Cafeteria furniture.
