APPENDIX F – ROSTER SERVICE AREAS

The Province will identify the service areas for each Pre-qualified Contractor. The number of Pre-qualified Contractors for each service area will be based on demand in the service area and the availability of Pre-qualified Contractors to provide such Services in the service area.

The Province reserves the right to limit or increase the number of Pre-qualified Contractors placed on the roster for any service area based on the need for Family Mediation Services. The following is a list of locations and the estimated number of Pre-qualified Contractors for identified service areas. Minister may at its sole-discretion change the number of Pre-qualified Contractors for each service area.
