         1. Affirm that they understand and will abide by the requirements of this Order.
         2. Disclose the location(s) where all services will be performed by any contractor or subcontractor.

4. Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
5. Disclose the principal location of business for the contractor and all subcontractors who are supplying services to the State under the proposed contracts

b. All APOs confirm that all quotations, statements of work, and other such proposals for services affirm this Order's prohibition on the purchase of offshore services and include all of this Order's disclosure requirements.

i. Any such proposal for services lacking the affirmation and disclosure requirements of the Order will not be considered.
