INSTRUCTIONS TO BIDDERS
PRODUCT PURCHASE CONTRACT FOR
FORD VEHICLES

BID FILE NUMBER: 12700268

BID PROPOSALS WILL BE CONSIDERED FOR AWARD ONLY IF THE BIDDER HAS COMPLIED WITH THE FOLLOWING:

SUBMITTAL

Bid Proposals shall be submitted on the forms furnished herein, with all documents listed on the Bidder's Checklist, completely filled out, properly signed by the Bidder, and electronically filed utilizing Planet Bids prior to the date and time specified in the Notice Inviting Bids, when all bids will be publicly opened and recorded. Bids received at 3:00 p.m. or after will **not** be accepted. The time stamp in the Purchasing Division will be the official clock for documenting the time of filing. Electronically filed is defined as by means of electronic equipment or devices. Failure to submit all forms required herein may deem the bidder non-responsive at City's sole discretion.

BID DEPOSIT

A Bid Deposit has been made in accordance with either paragraph (1) or paragraph (2). **A bid without a proper Bid Deposit will be automatically rejected.**

Note: Company Checks are NOT acceptable

1. **BID DEPOSIT** Bidders must submit a Bid Deposit, which may be provided separately, in the amount of **FIVE HUNDRED DOLLARS ($500)** (or, in bids with Add Alternates, the highest possible combination of the Base Bid plus Add Alternates) with their Bid Proposal. Such Bid Deposit shall be in the form of a certified or cashier's check, an irrevocable letter of credit or a certificate of deposit payable to the City of Fresno, or a bidder's bond executed by a corporate surety, admitted by the California Insurance Commissioner to do business in California, payable and acceptable to the City of Fresno and delivered to. Such Deposit shall be retained by the City of Fresno as a guarantee that the Bidder, if awarded all or part of the Contract, will within 15 calendar days (except in the event federal funding is applicable to this Contract, then 10 working days) from the date the Notice of Award is mailed to the Bidder, execute and return a Contract furnished by the City. No Bid Deposits will be returned to Bidders until either a Contract has been executed for all items awarded, or all bids have been rejected. Bid bonds will not be returned, except upon Bidder's written request. Copies of Bid Deposits may be submitted electronically, with the exception of a certified or cashier's check, which must be brought to the Purchasing Manager's office and labeled accordingly with bid number prior to the bid opening.

Certified or cashier's checks must be mailed, shipped, or hand delivered to:

City of Fresno Purchasing Division
2101 G. Street, Bldg. A
Fresno, CA 93706

2. **ANNUAL BIDDERS BOND** If the Bidder contemplates submitting bids from time to time during a period of one (1) year for the furnishing of certain materials, supplies or services to the City of Fresno, the Bidder may cover all such bids by a single Annual Bidder's Bond instead of a separate bond for each bid. If such an Annual Bidder's Bond is registered with the Purchasing Manager of the City of Fresno, and is currently valid, it shall be deemed to accompany each and every bid submitted, provided such bond is in a sufficient amount to provide the required Deposit for all of the Bidder's proposals then outstanding. It shall be stated upon the Bid Proposal that such an Annual Bidder's bond is registered with the Purchasing Manager of the City of Fresno.

NOTARIAL ACKNOWLEDGEMENT

Each Bid Bond must be executed by a surety authorized to do business in the State of California. The bond must be originally signed by both the Principal and the Surety. Notary acknowledgements for both the Principal and the Surety must be attached if corporate seal is not visible on the bid bond. If signed by an Attorney-in-Fact, a certified and effectively dated Power of Attorney must be included with the bond. Failure to provide properly notarized signatures or visible corporate seal will render the bid non-responsive.

CONTRACT DEFINITIONS

Attention of Bidders is especially directed to all provisions of the Contract Documents as defined in the GENERAL CONDITIONS.

QUESTIONS, CLARIFICATIONS, AND CONCERNS

Any questions or concerns relating to these Specifications shall be directed in writing to the designated Procurement Specialist as shown on the cover or may be submitted electronically by utilizing the Questions and Answers field on Planet Bids.

Questions will be accepted only up to five (5) working days prior to the bid opening date to allow the City, if necessary, to issue an addendum to all bidders stating revisions, deletions, or additions to be made to the Specifications as a result of any questions**.** If questions arise after the deadline, please contact the Procurement Specialist, but the City will not guarantee a response.

The City will not be responsible for verbal responses made by parties other than the Purchasing Manager or their designee.

ADA

Accessibility Requirements: Supplier warrants that it complies with California and federal disabilities laws and regulations; and the Services will conform to the accessibility requirements of WCAG 2.0AA. Supplier agrees to promptly respond to and resolve any complaint regarding accessibility of its Services. The City may require bidder to comply with these accessibility requirements if they are awarded a contract.

ACH/ELECTRONIC PAYMENT

Bidder must provide complete and accurate billing invoices in order to receive payment. Billing invoices submitted must contain all information and supporting documentation required by the

contract. Payment for invoices submitted by the bidder shall only be rendered electronically unless payment by paper check is expressly authorized by the Controller, in the Controller's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary City procedures and practices. The bidder shall comply with the Controller's procedures to authorize electronic payments. Bidder acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with the Controller's electronic payment procedures, except where the Controller has expressly authorized payment by paper check as set forth above.

APPROVED EQUALS

For equipment and material purchases, where brand name/model are specified, the City reserves the right to evaluate any product or type of equipment offered on the Bid Proposal and to determine acceptability as an "approved equal."

1. All Bid Proposals must be accompanied with pertinent information that provides sufficient technical data to evaluate the item(s) offered. The information may consist of manufacturer's literature, specifications, drawings (to scale), sketches (to proportion) performance data, etc., as is necessary to completely describe the product.

2. The decision of acceptability as an "approved equal" shall be within the sole discretion of the City. If approval as an equal is denied by the City, Bidder shall provide one of the manufacturers/brands listed in the Specifications without change in the Contract price.

3. Bidder shall contact the Procurement Specialist in the Purchasing Division and submit Appendix D at least seven (7) days prior to the scheduled bid opening.

EXCEPTIONS

Any exceptions taken at the time of or after bid submittal, may render the bid nonresponsive. Attachments by Bidders which include legal terms and conditions that conflict with the GENERAL CONDITIONS may be considered an exception, and Bidder may, therefore, be considered nonresponsive.

CONTACTS WITH CITY STAFF

Before an award is made, any contact with City staff, other than the Purchasing Manager or designee(s), without prior written authorization is strictly prohibited and may render the Bidder non-responsible.

REGULATED COMMUNICATIONS IN CITY PROCUREMENT PROCESS ORDINANCE

The Regulated Communications in City Procurement Process Ordinance (Article 6, Chapter 4 of the Fresno Municipal Code) became effective May 7, 2004. With certain specified exceptions, the Ordinance provides that no Respondent, Bidder, Proposer (as the case may be) shall initiate, engage in, or continue any communication to or with any City elected official concerning or touching upon any matter which is the subject of this competitive procurement process.
Any Respondent, Bidder, Proposer or elected official (as the case may be) who initiates, engages in, continues in, or receives any regulated communication shall file the written disclosure required by the Regulated Communications in City Procurement Process Ordinance.

Any Respondent, Bidder, or Proposer violating the Regulated Communications in City Procurement Process Ordinance may be disqualified from participating in this procurement process and/or determined to be non-responsible. Additionally, the City may set aside the award of a contract, prior to its execution, to a party found to have violated the Ordinance.

Note: The full text of the Fresno Municipal Code, Chapter 4, Article 6 may be viewed on the City's website at, http://www.fresno.gov/Purchasing, select "Municipal Code".

DEBARMENT

A Bidder may be debarred from bidding or proposing upon or being awarded any contract with the City, or from being a subcontractor or supplier at any tier upon such contract, in accordance with the procedures in Fresno Municipal Code Section 4-104 adopted by Council on May 17, 2018. The initial period of any such debarment shall not be less than one year and may be permanent depending on the violation. A Bidder may request a hearing, in accordance with Fresno Municipal Code Section 4-104, upon receipt of a notice of proposed debarment from the City Manager or designee. A copy of the Ordinance may be obtained from the City Clerk's Office, 2600 Fresno Street, Fresno, California 93721.

BID APPEAL PROCEDURE

The City has an appeal procedure in place as adopted by the City Council on May 7, 2026, in Resolution No. 2026-88. Any Bidder wishing to file an appeal should refer to that Resolution. A copy of the Resolution may be obtained from the City Clerk's Office, 2600 Fresno Street, Fresno, California 93721.

Once City staff has reviewed and evaluated the bid proposals received and has determined the lowest responsive and responsible Bidder for award, that determination will be posted on a public bulletin board outside the Purchasing Division Office and the City's website www.fresno.gov, Departments, General Services, Purchasing Division, a minimum of 5 working days prior to council action to award a Contract for the project/purchase. It is the sole responsibility of interested bidders to seek this information from either of these sources.

Should bidders be found non-responsible and wish to appeal the staff determination on the grounds of non-responsibility, appeals must be received in writing and conform to the requirements under Resolution No. 2026-88 within three working days from the time the determination is posted. "Working day" means a City of Fresno regular business day. Appeals must be submitted to the following:

City of Fresno Purchasing Division

2101 G Street, Bldg. A

Fresno California, 93706-1620

FAX Number (559) 457-1564

Letters of appeal must clearly follow the rules and procedures laid out in Resolution No. 2026-88. Only a bidder determined by the City to be non-responsible may file an appeal under the Resolution. Formal appeals are not permitted for bids deemed non-responsive; such

determinations are subject only to internal administrative review. No appeals by non-bidders shall be accepted.

Appeals not submitted within the stated three working day timeframe will not be honored and the City will proceed to award the Contract.

HOT WORK SAFETY REQUIREMENTS

A. Applicability
This section applies whenever Contractor's work under this Contract involves or may involve "hot work," defined as soldering, welding, pipe-cutting, heat-treating, grinding, thawing pipes, hot riveting, torch-applied roofing, or any other activity involving open flame, heat, or the production of sparks. If Contractor's work does not involve hot work, this section does not apply.

B. Compliance with City Program
Where applicable, Contractor shall comply with the City of Fresno Hot Work Safety Program (Program), as may be amended, a copy of which is available upon request from the City's Personnel Services Department, Risk Management Division, or from the City's project representative. In the event of any conflict between this section and the Program, the more stringent requirement shall control.

C. Designated Roles
Prior to performing any hot work, Contractor shall designate, from among its own personnel, a Supervisor, a Fire Watch, and, when City personnel are not present at the work location, a Hot Work Approver, each trained consistent with the Program's requirements for that role.

D. Permits
Where hot work is to be performed at a location where City employees are present, Contractor shall obtain a hot work permit from the City's designated Hot Work Approver prior to beginning work.

Where hot work is to be performed at a location where City employees are not present, Contractor is responsible for issuing its own permit consistent with the Program.

Contractor may use its own hot work permit form in lieu of the City's, provided it contains, at minimum, the information required by the Program's standard permit and has been approved in advance by the City.

Contractor shall provide the City's project representative with copies of all revoked/closed hot work permits by the end of each business day, or within such other reasonable time as may be mutually agreed.

E. Precautions
Contractor shall, at a minimum: remove or protect combustible materials within 35 feet of the hot work; confirm any applicable fire suppression system is operational; ensure a fire watch is maintained during hot work and for not less than 60 minutes after work concludes; and ensure personnel performing or exposed to hot work use PPE appropriate to the hazard.

F. Notification
Contractor shall notify the City's project representative before hot work begins so the City can coordinate access, evacuate affected areas if necessary, and confirm no conflicting activity is scheduled in the vicinity.

G. No Relief from Other Requirements

Nothing in this section relieves Contractor of its independent obligation to comply with all applicable fire codes, Cal/OSHA requirements, NFPA standards, and manufacturer requirements for equipment used in hot work operations.

Failure to provide said documents within the designated period shall be sufficient cause to forfeit the Contractor's bid deposit and initiate a departmental recommendation to the Council to award the Contract to the next lowest responsive and responsible Bidder.

8. ASSIGNMENT OF PAYMENT: Contractor hereby agrees it will not assign the payment of any monies due it from the City under the terms of this Contract to any other individual(s), corporation(s) or entity(ies). The City retains the right to pay any and all monies due Contractor directly to Contractor.

9. Contractor shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Purchasing Manager of the cessation of such occurrence. The decision of said City Manager as to the number of additional days, if any, to be allowed for completion of delivery

on account of such condition or event, shall be given in writing to Contractor.

13. PAYMENT: Unless otherwise provided in the Specifications, payment of the Contract price shall be made by City to Contractor in lawful money of the United States by warrant of City issued and delivered to Contractor in the ordinary course of City business promptly after completion of delivery of the specified item(s) and their acceptance by City.

14. TERMINATION FOR CONVENIENCE: The City reserves the right to terminate this Contract upon 60 calendar days' prior written notice to the Contractor. In the event of such termination, the Contractor shall be paid for satisfactory service performed to the date of termination.

15. TERMINATION FOR NON-PERFORMANCE: If Contractor shall (i) materially breach any of its obligations under this Contract (including, without limitation, the failure to meet quality standards or to complete delivery, within the time specified herein, of all or any part of the materials, equipment, supplies or services to be provided under the Contract), and (iii) fail to commence and diligently pursue reasonable efforts to cure such breach within 5 calendar days after written notice by the City specifically describing the breach; the City Manager or designee, acting for and on behalf of the City, may at any time after the expiration of the time for delivery, terminate the Contract as to the whole thereof, or in the event partial delivery has been made and accepted, as to such items or service to be furnished which have not been delivered or accepted prior to such termination. Such termination shall be effective upon receipt by Contractor of written notice of termination from said City Manager or designee, which notice shall be deemed to have been received by Contractor, if mailed, within forty-eight hours to Contractor's address as contained in the Contractor's Bid Proposal or, if personally delivered, upon the delivery thereof to Contractor, the authorized representative of Contractor, or to the Contractor's said address.

The Contractor may terminate this Contract if City materially breaches any of its obligations under this Contract and fails to commence and diligently pursue reasonable efforts to cure such breach within 30 calendar days after written notice by the Contractor specifically describing the breach. Such termination shall be effective upon receipt by City of written notice of termination from Contractor, which notice shall be deemed to have been received by City, if mailed, within forty-eight hours to City's address as contained on the signature page of the Contract or, if personally delivered, upon the delivery thereof to the authorized representative of City or to City's said address.

16. No provisions of this Contract may be waived unless in writing and signed by all parties to this Contract. Waiver of any one provision herein shall not be deemed to be a waiver of any other provision herein.

22. SEVERABILITY: The provisions of this Contract are severable. The invalidity, or unenforceability of any one provision in this Contract shall not affect the other provisions.

23. INTERPRETATION: The parties acknowledge that this Contract in its final form is the result of the combined efforts of the parties and that, should any provision of this Contract be found to be ambiguous in any way, such ambiguity shall not be resolved by construing this Contract in favor of or against either party, but rather by construing the terms in accordance with their generally accepted meaning.

24. ATTORNEY'S FEES: If either party is required to commence any proceeding or legal action to enforce or interpret any term, covenant or condition of the Contract, the prevailing party in such proceeding or action shall be entitled to recover from the other party its reasonable attorney's fees and legal expenses.

25. EXHIBITS: Each exhibit and attachment referenced in this Contract is, by the reference, incorporated into and made a part of this Contract.

26. CUMULATIVE REMEDIES: No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

27. NO THIRD PARTY BENEFICIARIES: The rights, interests, duties and obligations defined within this Contract are intended for the specific parties hereto as identified in the preamble of this Contract. Notwithstanding anything stated to the contrary in this Contract, it is not intended that any rights or interests in this Contract benefit or flow to the interest of any third parties other than expressly identified within this section. The parties do intend that in the event that the State of California is funding the purchase hereunder, that the State of California

be a third party beneficiary under this Contract and all rights, interest and benefits of this Contract accrue to the State.

28. FUNDING: This Contract is contingent on the appropriation of funds by City. Should funds not be appropriated, this Contract may be terminated by City upon prior written notice to Contractor notwithstanding any other provision of these General Conditions.

LOCAL PREFERENCE

LOCAL PREFERENCE

Fresno Municipal Code Section 4-108 LOCAL PREFERENCE IN CONTRACTS REQUIRING COMPETITIVE BIDDING provides for a local preference. Portions pertinent to materials, supplies and/or equipment contracts are paraphrased as follows:

Except for those Contracts funded by the federal or state government when such funding would be jeopardized because of this preference, the Council authorizes the Purchasing Manager to extend a preference to a local business as expressly set forth herein.

Fresno Municipal Code section 4-108(a): For purposes of this section, "local business" shall mean a business with a fixed primary or branch office either (i) within a twenty-five mile radius of Fresno City Hall, located at 2600 Fresno Street in the City of Fresno, or (ii) within the County of Fresno; and which fixed primary or branch office was established prior to the City inviting bids for the respective purchase. The Purchasing Manager, in the evaluation of any and all sealed bids for materials, supplies and/or equipment pursuant to this section whenever the lowest responsive and responsible bid exceeds five hundred thousand dollars ($500,000), shall extend **a five percent (5%) preference to a local business in award of the Contract as determined in subdivision (i) of "Extension of the Preference" below.**

Fresno Municipal Code section 4-108(b): For purposes of this section, "local business" shall mean a business (i) having a total of one hundred or fewer employees, an average annual gross receipts of twelve million dollars ($12,000,000.00) or less over the three calendar years immediately prior to the year in which city is inviting bids for the respective purchase, and having a valid small business certification issued by the State of California; (ii) with a fixed primary or branch office either within a twenty-five mile radius of Fresno City Hall, located at 2600 Fresno Street in the City of Fresno, or within the County of Fresno; and (iii) which fixed primary or branch office was established prior to the city inviting bids for the respective purchase. The Purchasing Manager, in the evaluation of any and all sealed bids for materials, supplies and/or equipment pursuant to this section whenever the lowest responsive and responsible bid is less than or equal to five hundred thousand dollars ($500,000), shall extend **a five percent (5%) preference to a local business in award of the Contract as determined in subdivision (i) of "Extension of the Preference" below.**

Extension of the Preference: The preference under both Fresno Municipal Code sections 4-108(a) and (b) shall be extended consistent with each of the following:

(i) The amount of the preference shall be equal to the amount of 5% applied to the lowest responsive and responsible bid; provided, however, in no event shall the amount of the preference exceed the sum of $75,000.

(ii) If the Bidder submitting the lowest responsive and responsible bid is not a local business, and if a local business has also submitted a responsive and responsible bid, and, with the benefit of the preference, the local business' bid is equal to or less than the original lowest responsive and responsible bid, the City shall award the Contract to the local business at its submitted bid price.

(iii) The Bidder shall certify, under penalty of perjury, that the Bidder qualifies as a local business. The preference is waived if the certification does not appear on the bid.

Bidders shall submit the CERTIFICATION FOR LOCAL PREFERENCE form with their bid if they seek the benefit of local preference.

Otherwise, Contractor will reimburse City within 30 days of receipt of invoice from the City. The price paid by the City shall be considered the prevailing market price at the time purchase is made. UMBRELLA OR EXCESS INSURANCE

In the event CONTRACTOR purchases an Umbrella or Excess insurance policy(ies) to meet the "Minimum Limits of Insurance," this insurance policy(ies) shall "follow form" and afford no less coverage than the primary insurance policy(ies). In addition, such Umbrella or Excess insurance policy(ies) shall also apply on a primary and non-contributory basis for the benefit of the CITY, its officers, officials, employees, agents and volunteers.

DEDUCTIBLES AND SELF-INSURED RETENTIONS

CONTRACTOR shall be responsible for payment of any deductibles contained in any insurance policy(ies) required herein and CONTRACTOR shall also be responsible for payment of any self-insured retentions.

OTHER INSURANCE PROVISIONS/ENDORSEMENTS

(i) All policies of insurance required herein shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after thirty (30)

calendar days written notice has been given to CITY, except ten (10) days for nonpayment of premium. CONTRACTOR is also responsible for providing written notice to the CITY under the same terms and conditions. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, CONTRACTOR shall furnish CITY with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for CITY, CONTRACTOR shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than fifteen (15) calendar days prior to the expiration date of the expiring policy.

(ii) The Commercial General and Automobile Liability insurance policies shall be written on an occurrence form.

These coverages shall contain no special limitations on the scope of protection afforded to City, its officers, officials, employees, agents and volunteers.

(v) Should any of these policies provide that the defense costs are paid within the Limits of Liability, thereby reducing the available limits by defense costs, then the requirement for the Limits of Liability of these polices will be twice the above stated limits.

(vi) All insurance policies required herein shall contain, or be endorsed to contain, a waiver of subrogation as to CITY, its officers, officials, agents, employees and volunteers.

PROVIDING OF DOCUMENTS

CONTRACTOR shall furnish CITY with all certificate(s) and applicable endorsements effecting coverage required herein. All certificates and applicable endorsements are to be received and approved by the CITY'S Risk Manager or his/her designee prior to CITY'S execution of the Agreement and before work commences. All non-ISO endorsements amending policy coverage shall be executed by a licensed and authorized agent or broker. Upon request of CITY, CONTRACTOR shall immediately furnish CITY with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement. All subcontractors working under the direction of CONTRACTOR shall also be required to provide all documents noted herein.

SUBCONTRACTORS

If CONTRACTOR subcontracts any or all of the services to be performed under this Agreement, CONTRACTOR shall be solely responsible for ensuring that its subcontractors maintain insurance coverage at levels no less than those required by applicable law and is customary in the relevant industry.
