## A polite reminder about copyright

Many thanks for visiting [my website](#). As you can imagine, I spend a huge amount of time designing artwork and creating resources to add to the site each day. I trust that you have found some useful items to download!

In order to protect my livelihood, the products on the site are subject to Copyright Conditions. I would kindly ask that you respect these as it will mean that I can continue making resources for you in the future.

The full copyright stipulations are available at <http://www.sparklebox.co.uk/copydon.html>, but I have provided a brief summary below. These conditions apply to this resource and all purchased resources from my website.

## What you **can** do with this resource:

### You may reproduce it for your own PERSONAL or **CLASSROOM** use **ONLY**

This means you can print it as often as you want, make photocopies, back up on disc etc, PROVIDED it is for your own use!

## What you **must NOT** do with this resource:

### It **must NOT** be reproduced for others **IN ANY FORM** or **BY ANY MEANS**

This includes electronic or mechanical, including photocopying, recording, or by any information storage or retrieval system.

### Do not distribute to your friends!

Not only is it against the law, but it will ultimately prevent me from continuing to produce predominantly free resources for teachers.

*Thank you for respecting these terms - I appreciate it!*

*Kind regards,*

Samuel.
