

Number Line Addition

Finish the number sentences. Use the number lines to help.

$1 + 8 = \square$

$2 + 5 = \square$

$6 + 3 = \square$

$5 + 5 = \square$

$7 + 2 = \square$

$3 + 4 = \square$

$4 + 2 = \square$

$3 + 5 = \square$

$8 + 1 = \square$

Number Line Addition

Finish the number sentences. Use the number lines to help.

$$9 + 7 = \square$$

$$14 + 3 = \square$$

$$17 + 2 = \square$$

$$5 + 11 = \square$$

$$6 + 6 = \square$$

$$8 + 12 = \square$$

$$13 + 3 = \square$$

Number Line Addition

Finish the number sentences. Use the number line to help.

$2 + 17 = \square$

$4 + 16 = \square$

$12 + 5 = \square$

$19 + 1 = \square$

$9 + 8 = \square$

$6 + 9 = \square$

$7 + 7 = \square$

$17 + 1 = \square$

$3 + 13 = \square$

$5 + 7 = \square$

$15 + 2 = \square$

$8 + 3 = \square$

$10 + 4 = \square$

$16 + 3 = \square$
