

How to Make an **Origami** **Fortune Teller**

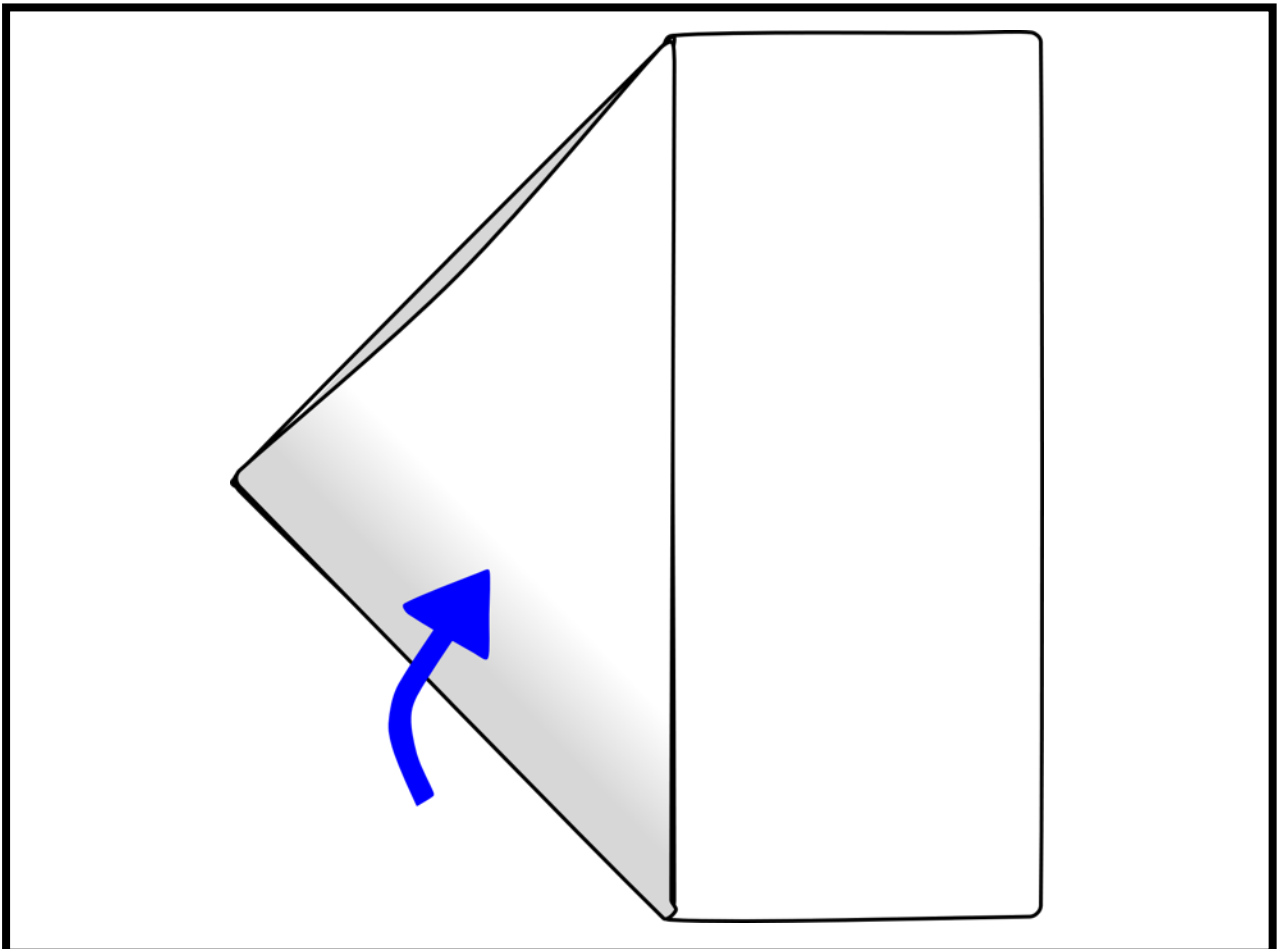

1

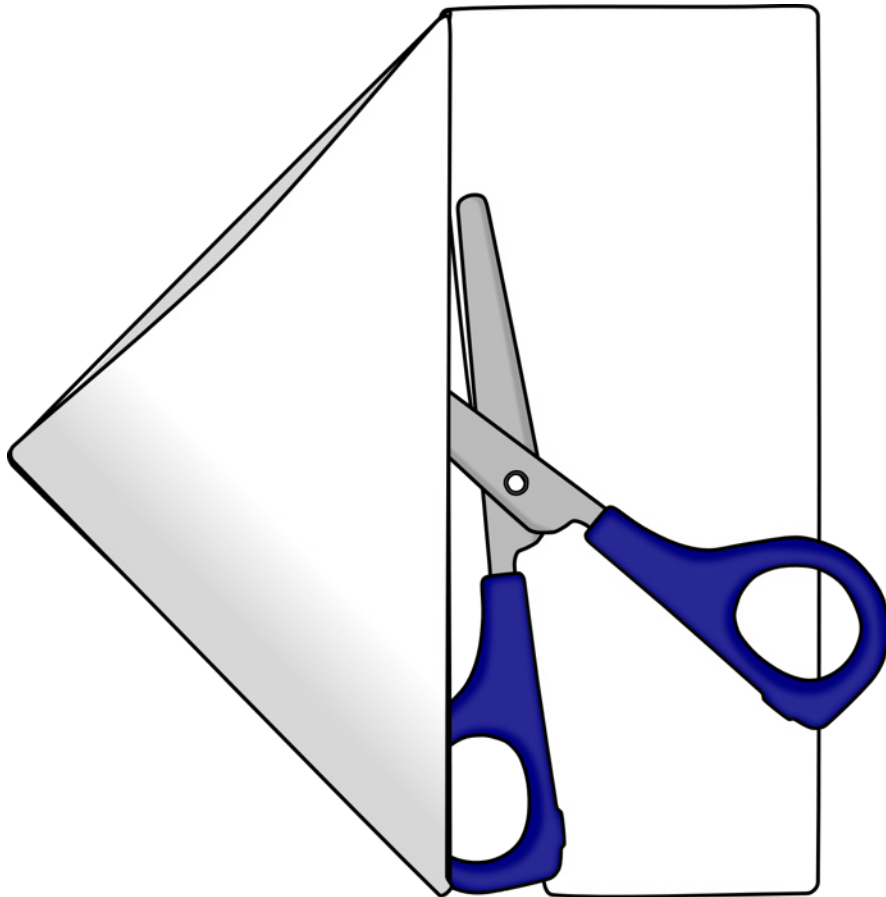

Fold a sheet of plain A4 paper from the top-left.

2 Fold the paper in again from the bottom-right.

3 Cut off the unfolded part of the paper.

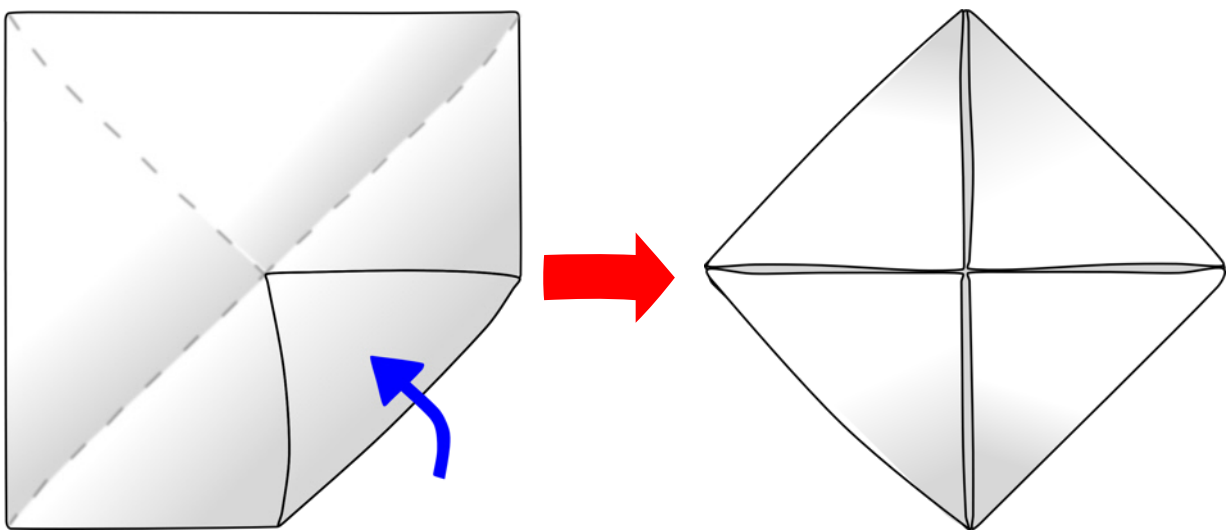

4

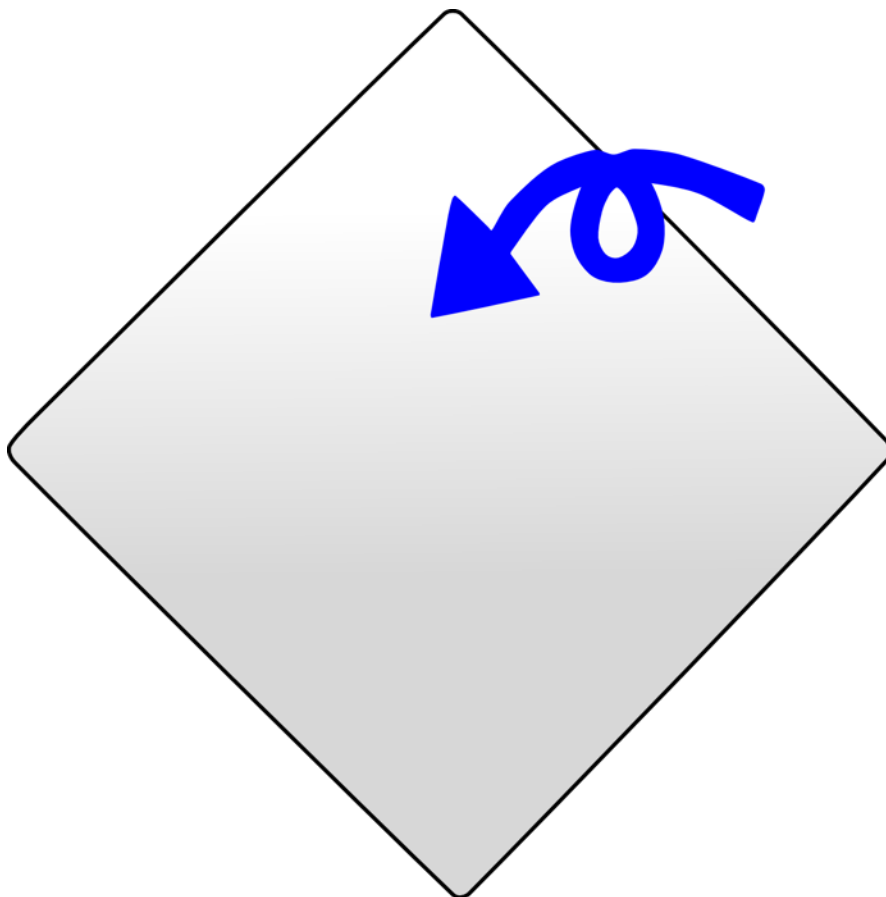

Unfold the paper to a square like this.

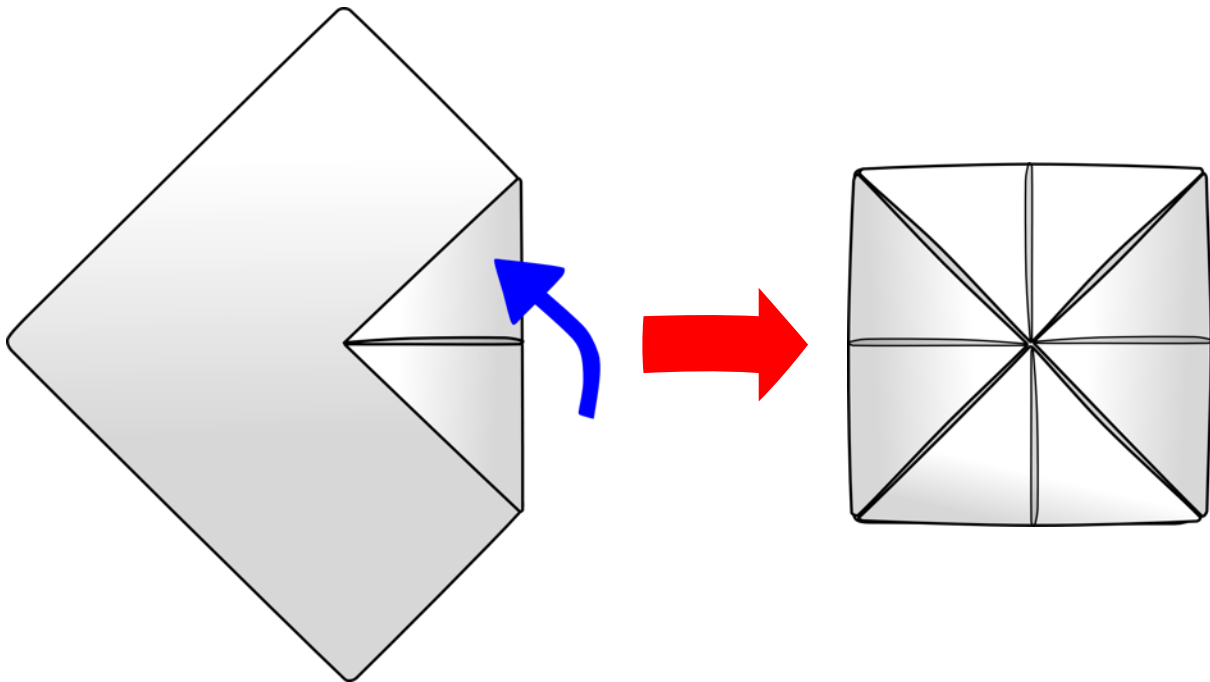

5 Fold the corners in to the centre of the square.

6 Turn the folded paper over to the other side.

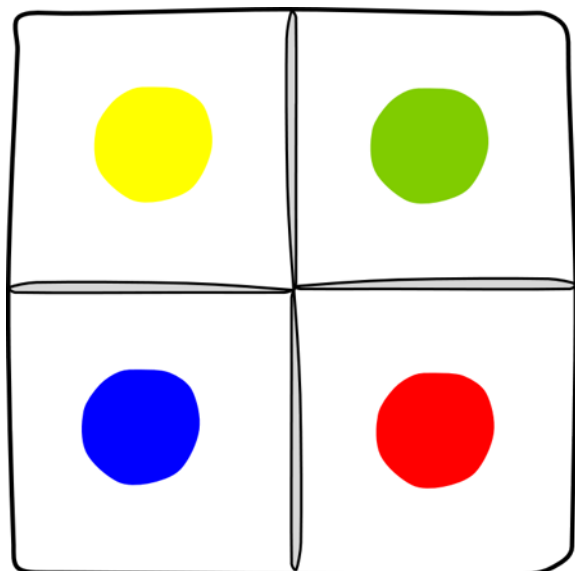

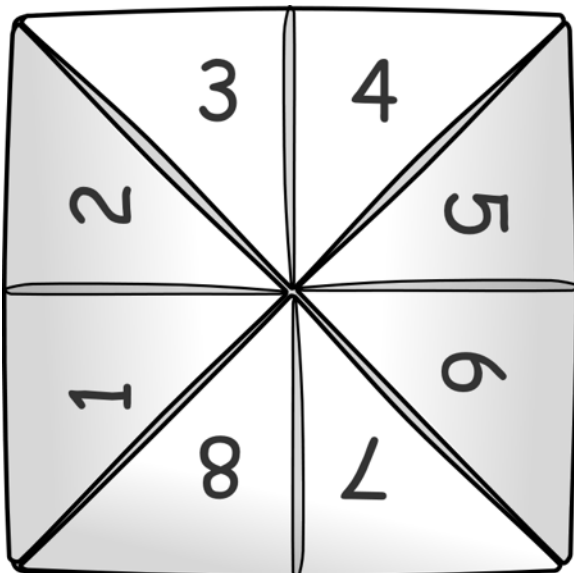

7 Now fold the corners in to the centre again.

8

Unfold the into a square again and add colours and numbers to each side.

Fold the square back on itself. Then slide
9 your fingers under the flaps with coloured spots to push the paper into shape.
