

I can choose what I want to use

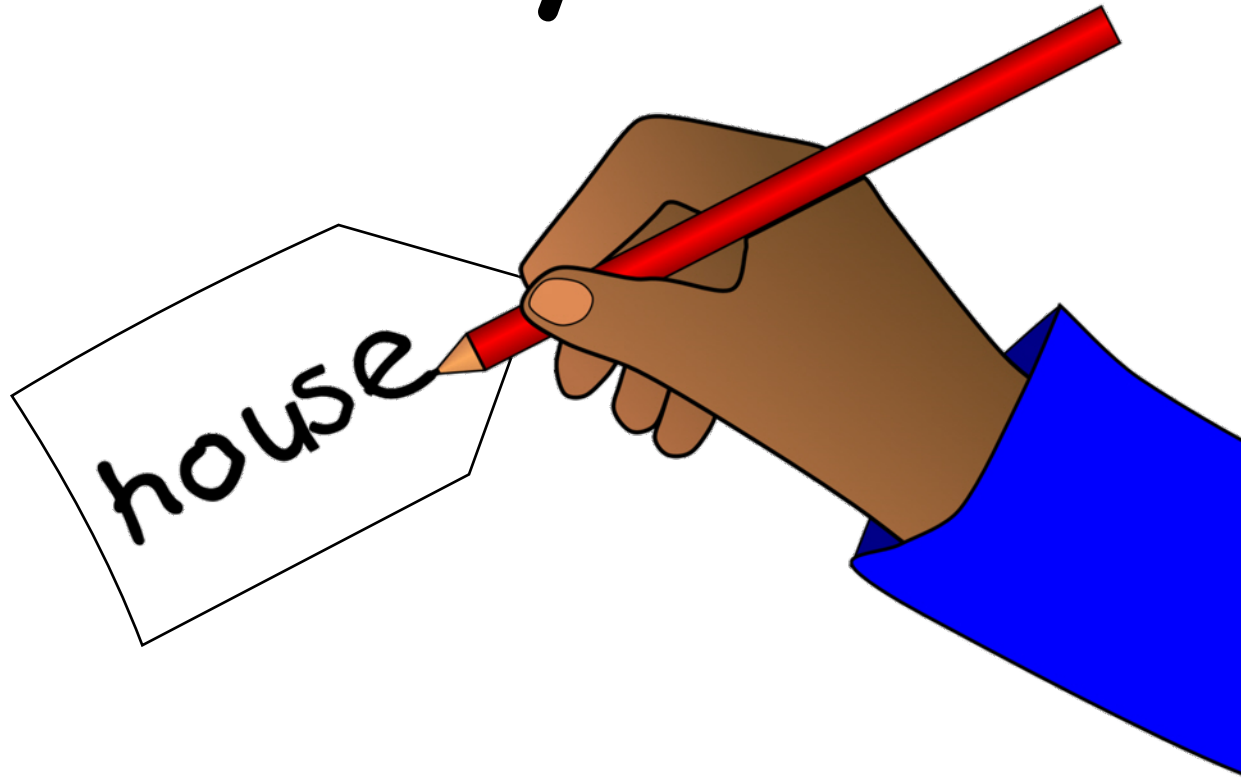

**Construction Area**

I can use the equipment  
safely and properly

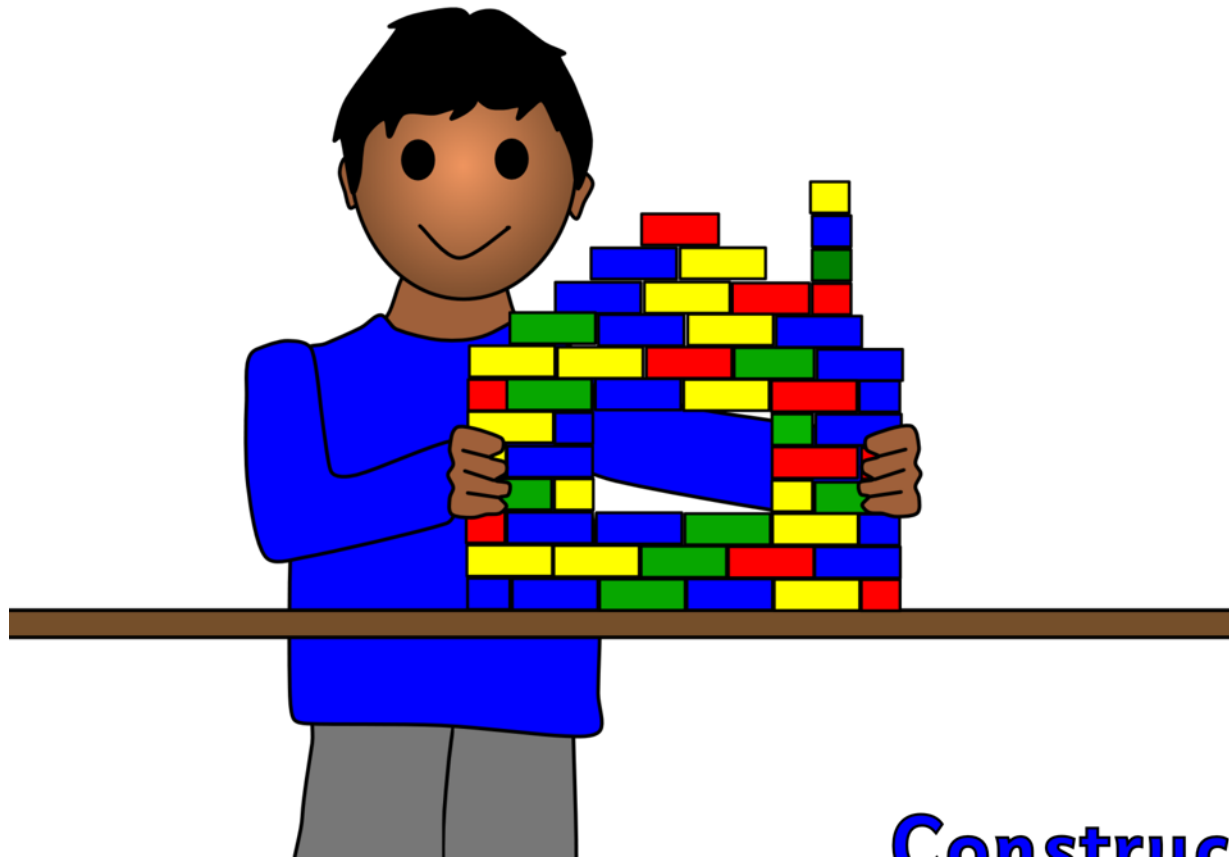

**Construction Area**

I can write a label  
for my model

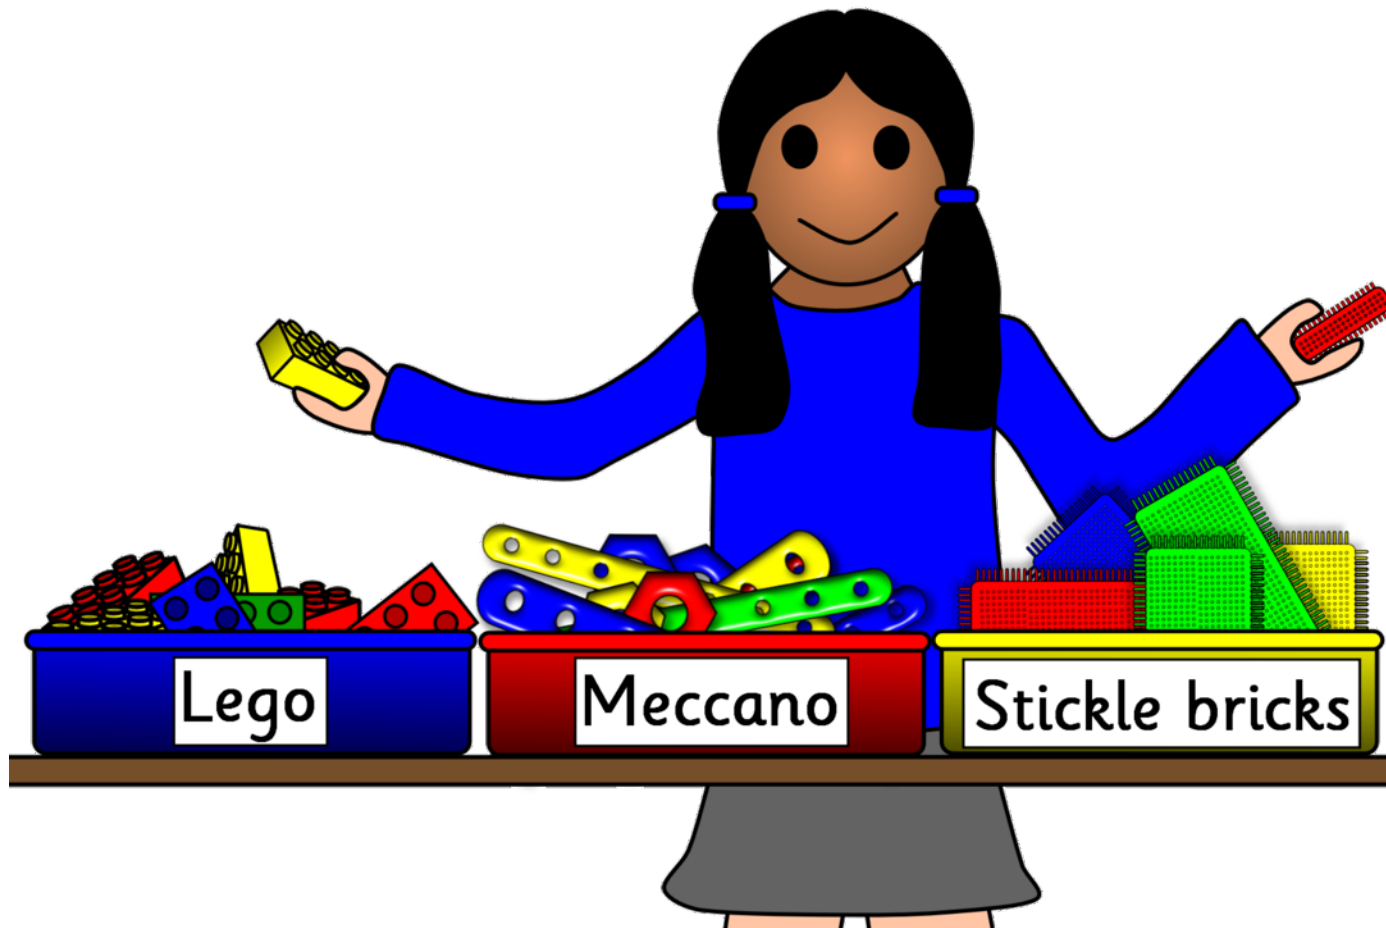

**Construction Area**

I can put my model  
on the shelf

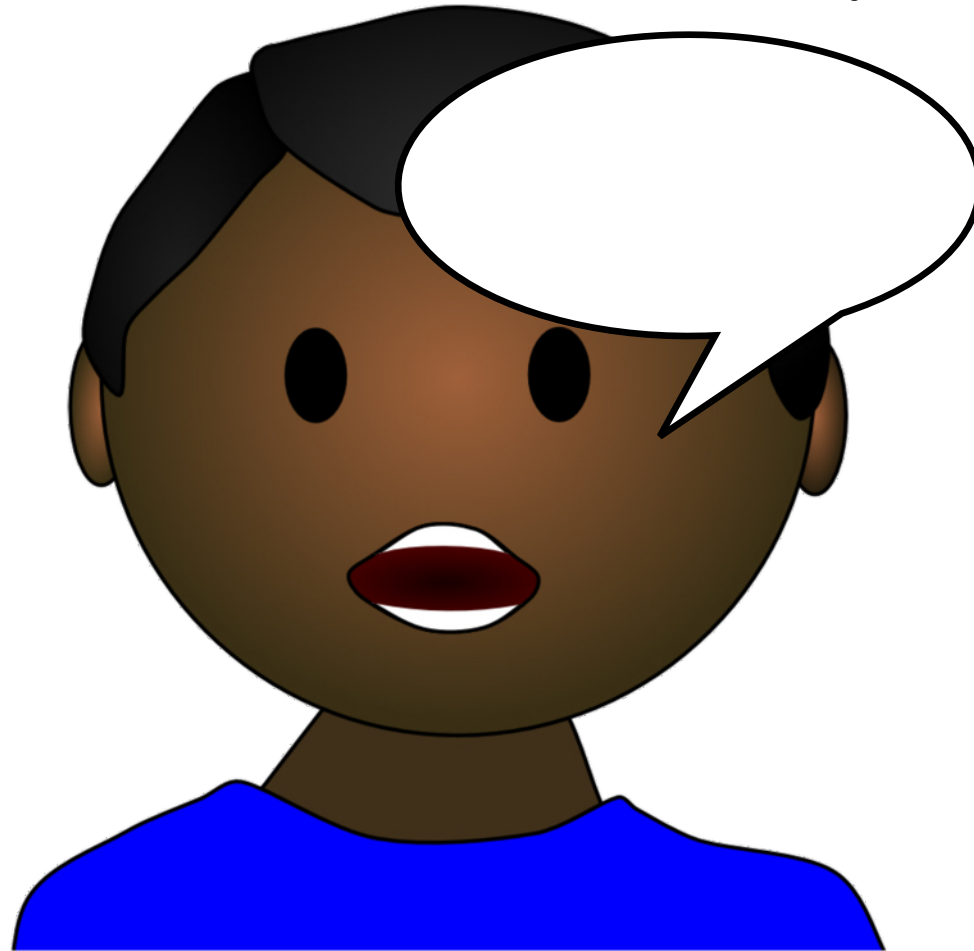

**Construction Area**

# I can tidy away what I used

## Construction Area

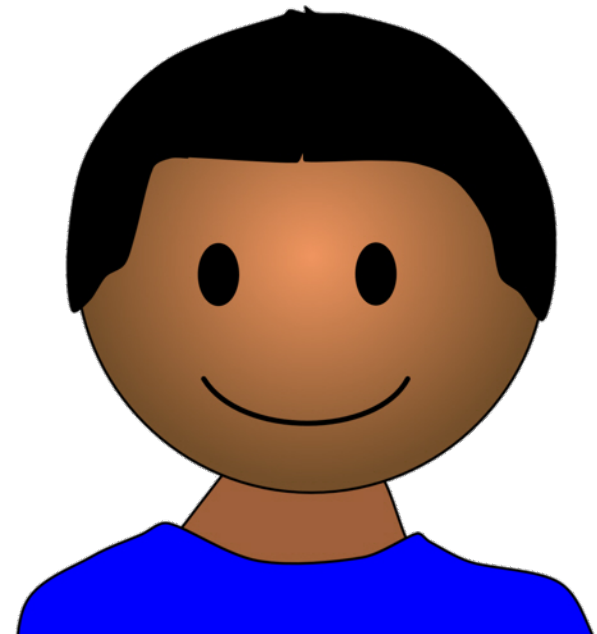

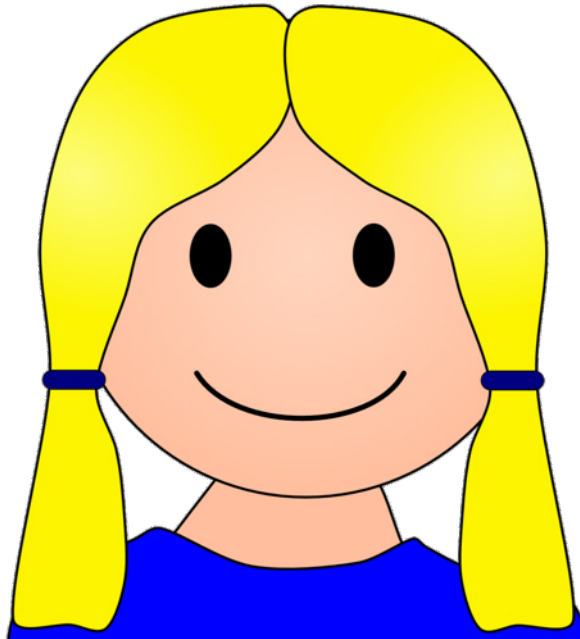

I can talk about my model

**Construction Area**

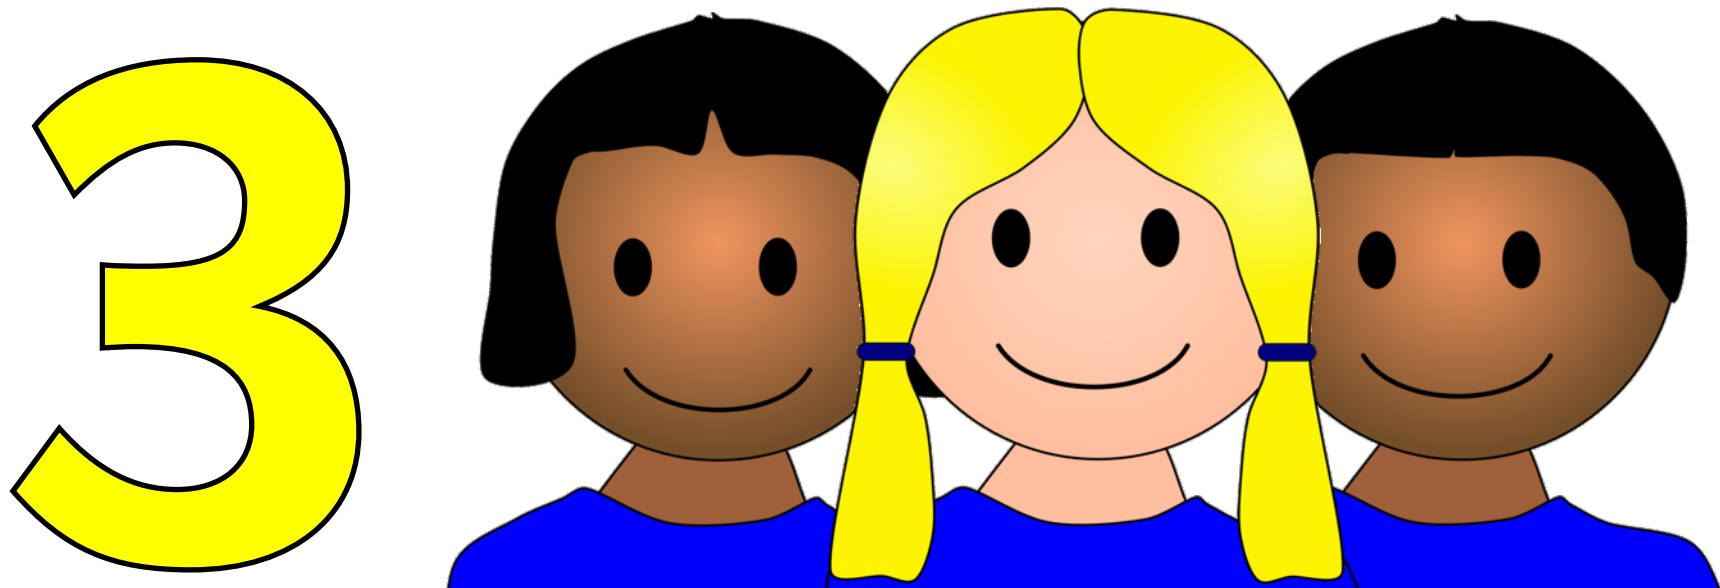

I know how many children  
are allowed here

2

**Construction Area**

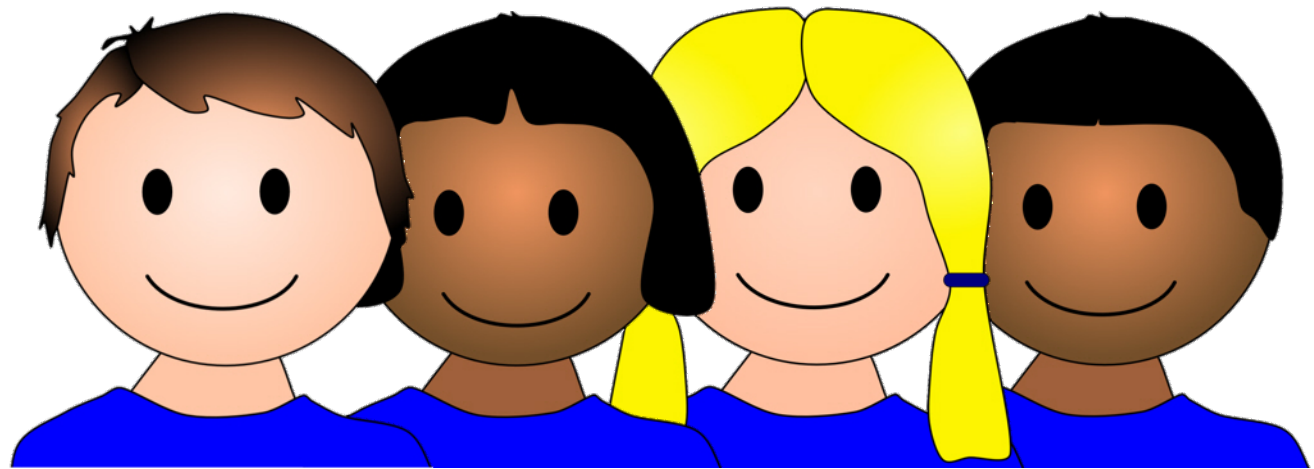

I know how many children  
are allowed here

**Construction Area**

I know how many children  
are allowed here

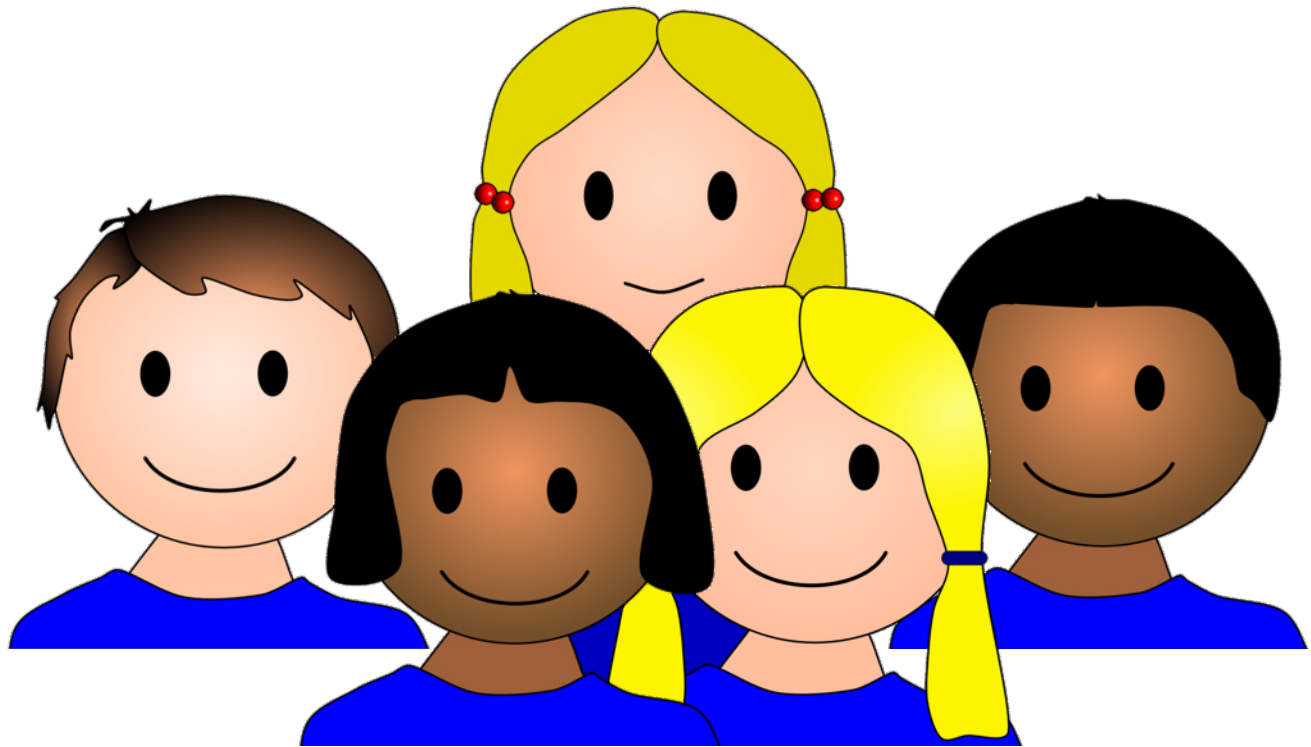

4

**Construction Area**

I know how many children  
are allowed here

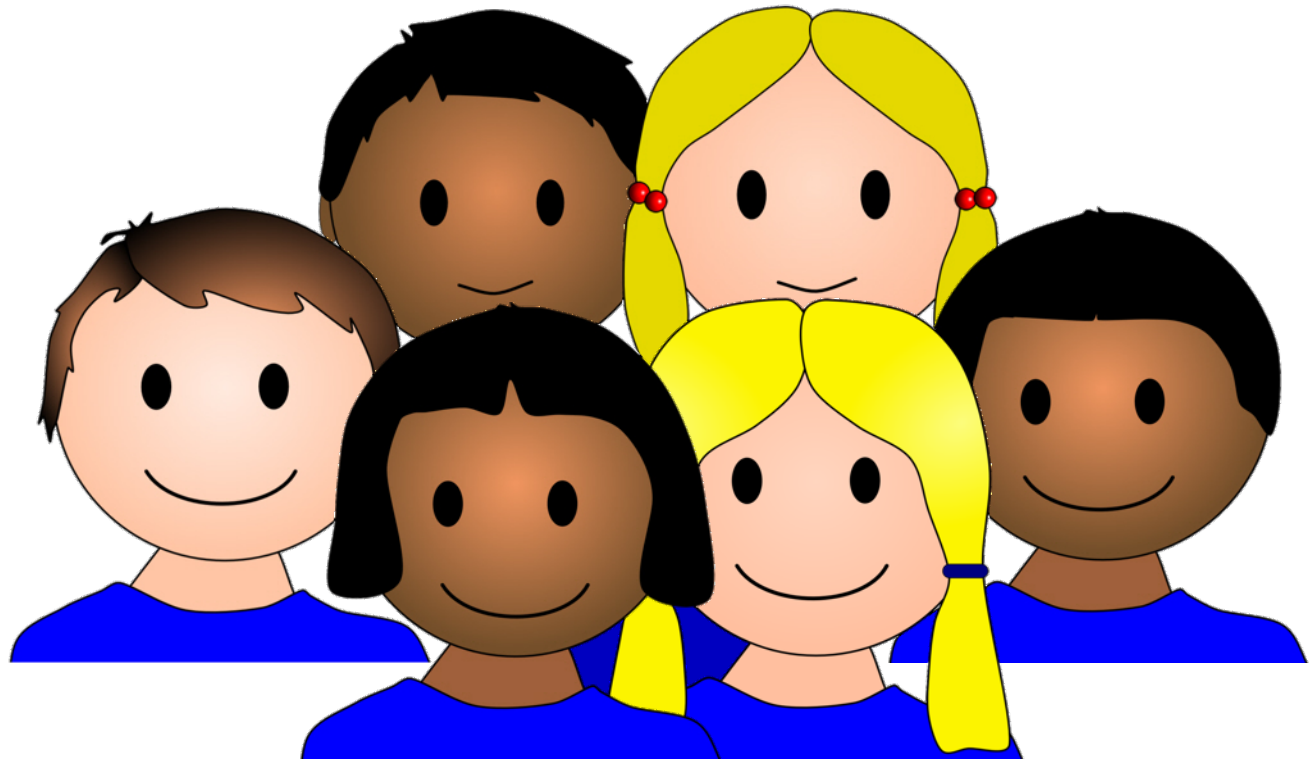

5

Construction Area

I know how many children  
are allowed here
