High-frequency words on ground, grass and sky

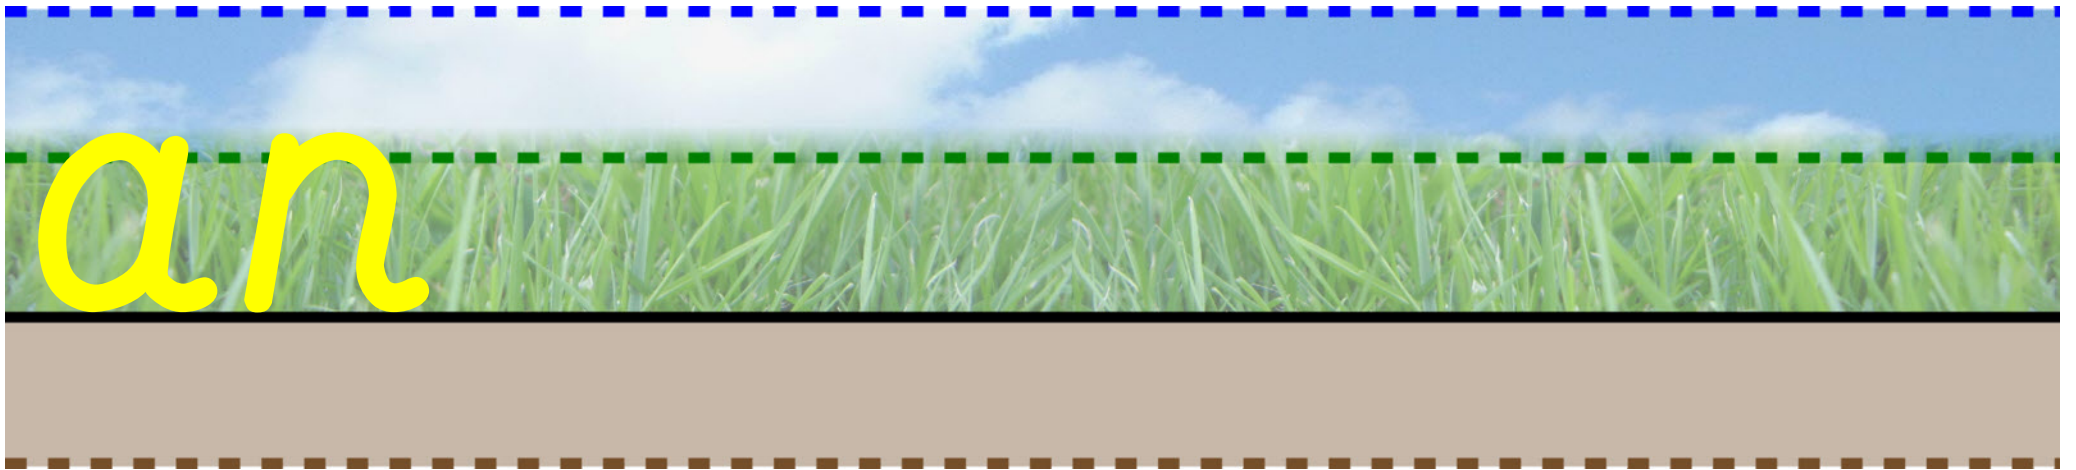

High-frequency words on ground, grass and sky

A handwriting practice strip for the word "am". The strip is divided into three horizontal sections. The top section is a blue sky with white clouds, bounded by a blue dashed line at the top and a green dashed line at the bottom. The middle section is a field of green grass, bounded by the green dashed line at the top and a black solid line at the bottom. The word "am" is written in a yellow, cursive font across the green dashed line, with the letters "a" and "m" extending into the sky and grass sections respectively. The bottom section is a solid brown ground area, bounded by the black solid line at the top and a brown dashed line at the bottom.

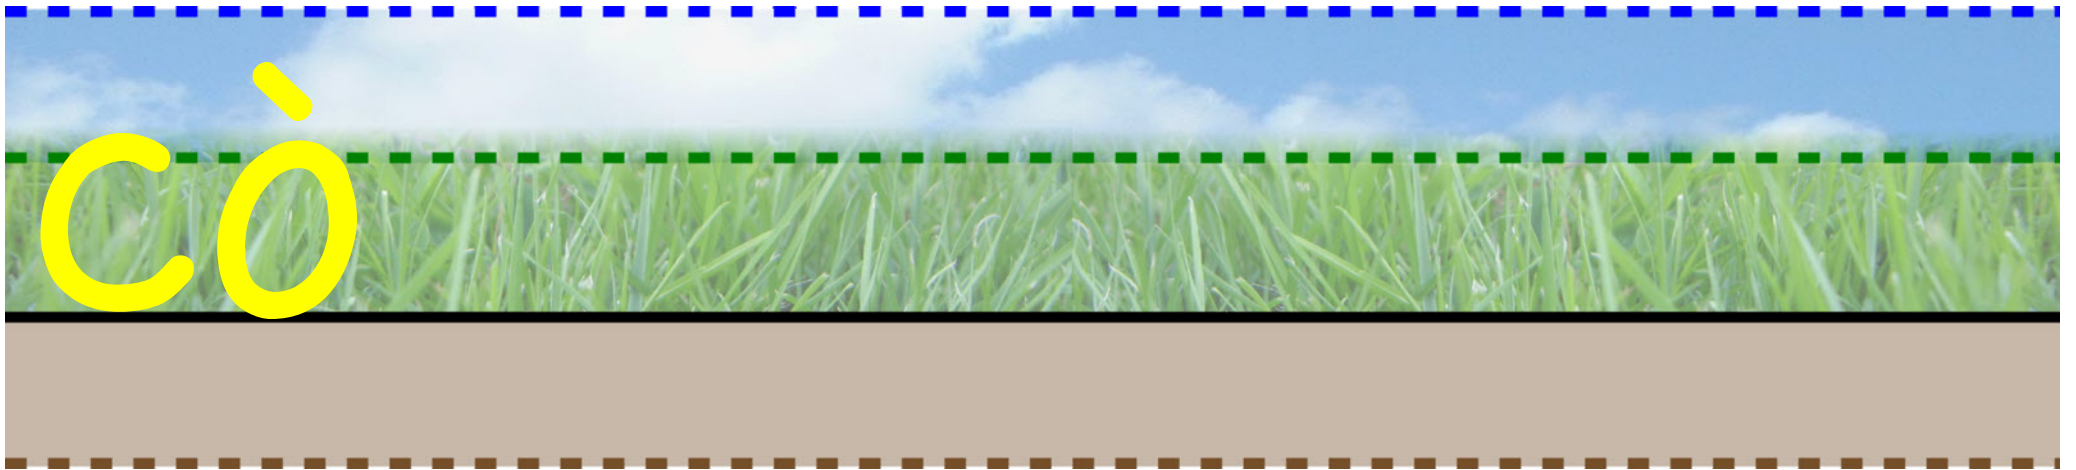

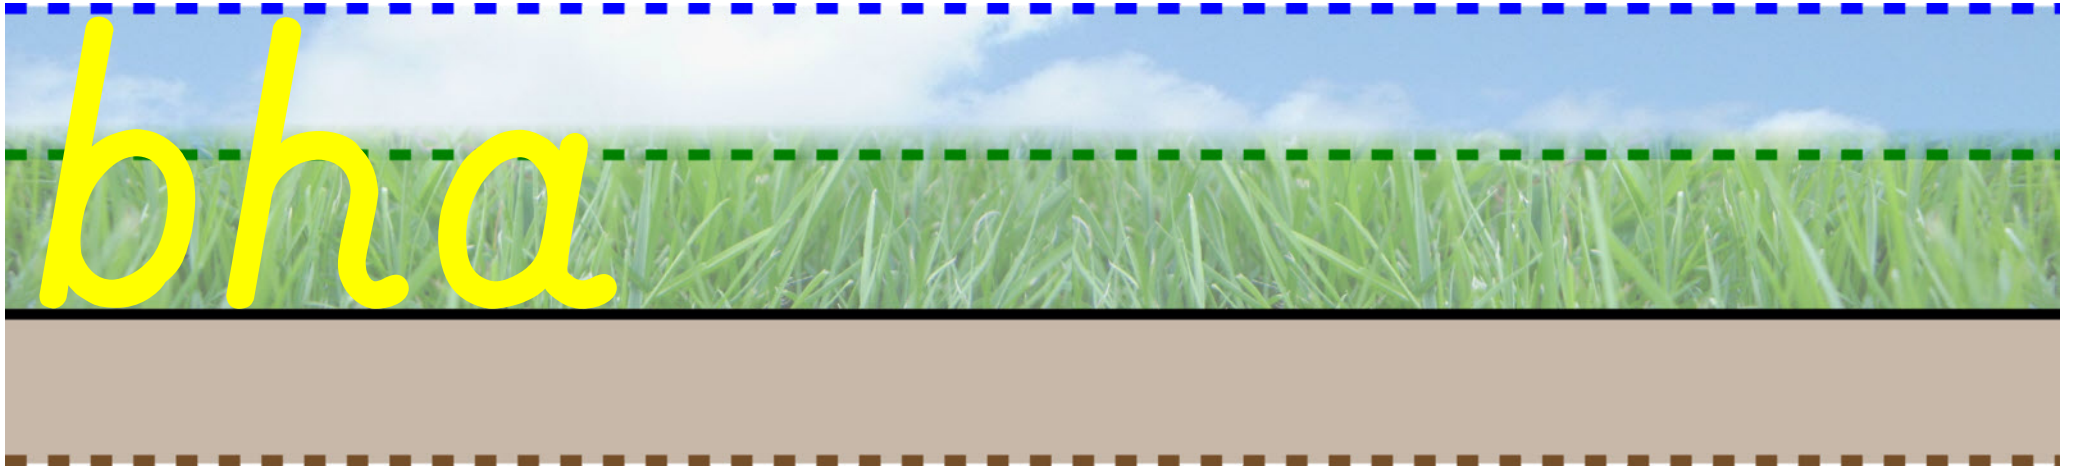

A handwriting practice strip for the word "an". The strip is divided into three horizontal sections. The top section is a blue sky with white clouds, bounded by a blue dashed line at the top and a green dashed line at the bottom. The middle section is a field of green grass, bounded by the green dashed line at the top and a black solid line at the bottom. The word "an" is written in a yellow, cursive font across the green dashed line, with the letters "a" and "n" extending into the sky and grass sections respectively. The bottom section is a solid brown ground area, bounded by the black solid line at the top and a brown dashed line at the bottom.

A handwriting practice row featuring a landscape background of green grass and a blue sky with white clouds. The row is divided into three horizontal sections by dashed lines: a top blue section, a middle green section, and a bottom brown section. The letters 'ri' are written in a yellow, cursive font in the top blue section.

A second handwriting practice row, identical in layout and background to the first row, but without the letters 'ri'.
