

Once upon a time
there was a puppet called

Pinocchio

Geppetto

Geppetto made a puppet.

The Blue Fairy

Pinocchio could speak and move!

Geppetto loved and
cared for him.

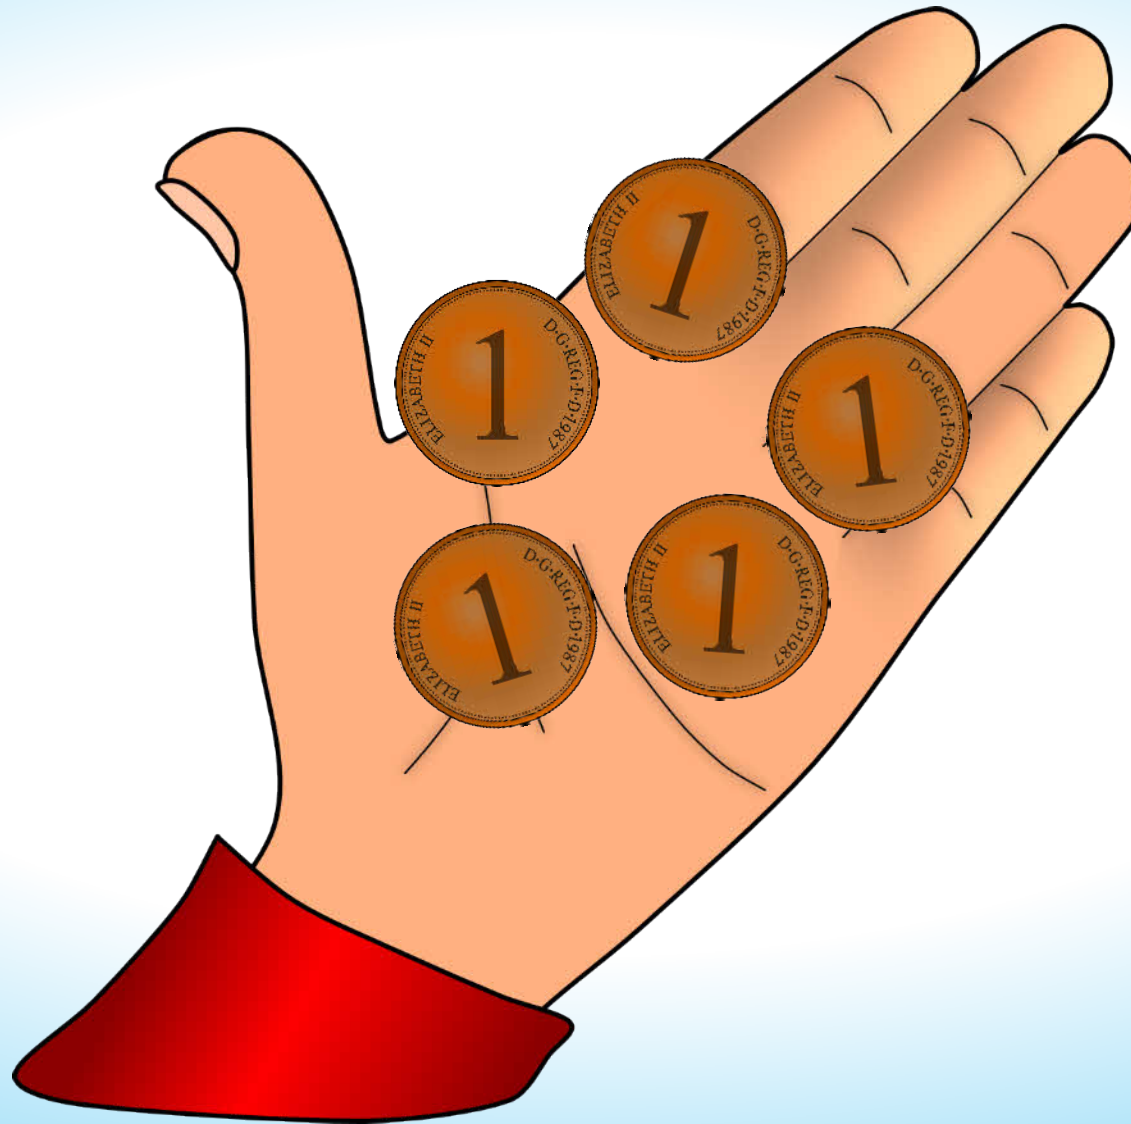

Pinocchio saw a puppet show.

He joined in.

He earned five bronze coins.

He met a cat and fox.

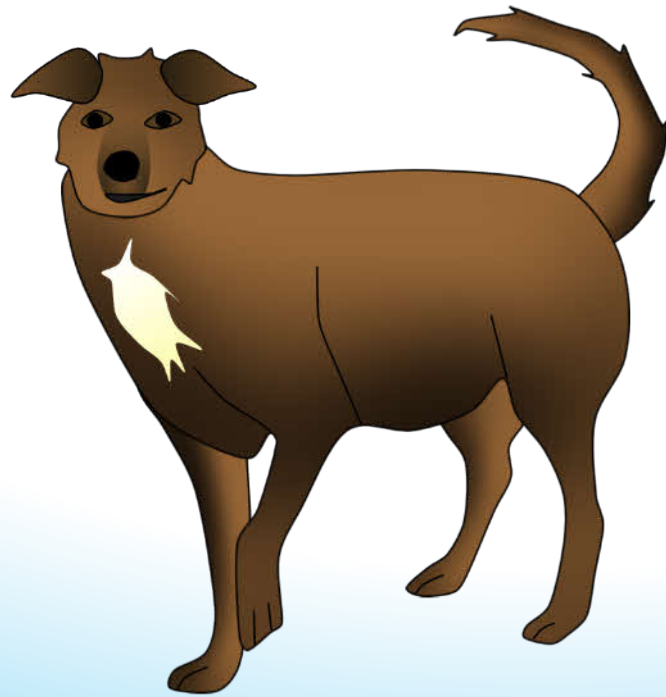

Plant your coins
under the magic tree
and you'll get rich!

They tried to rob Pinocchio.

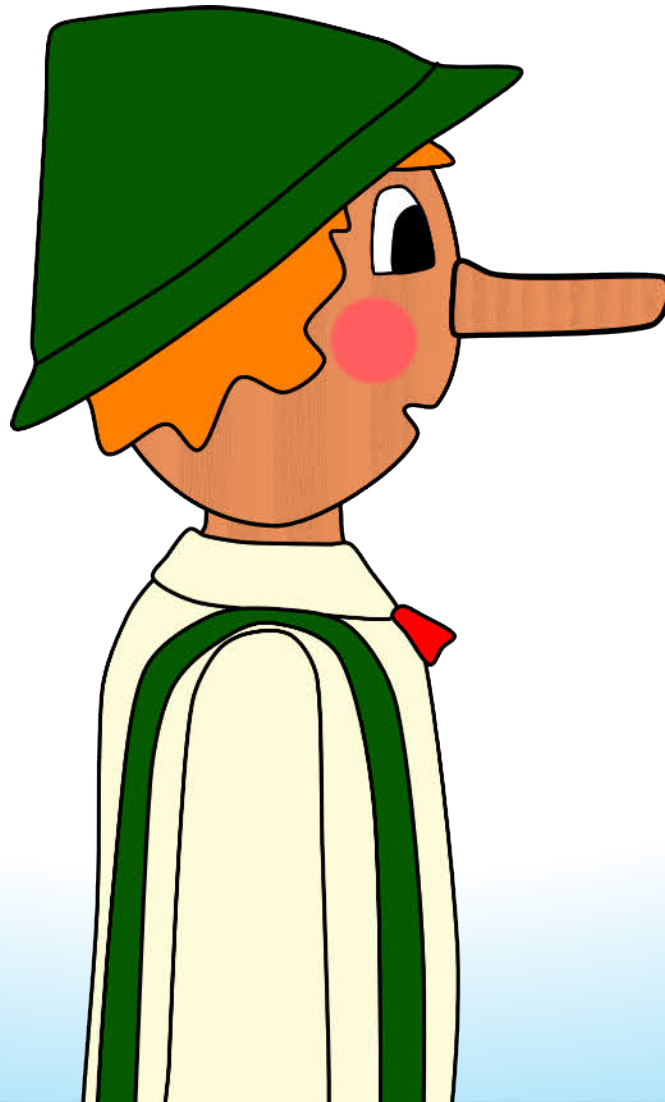

The Blue Fairy's dog scared them off.
He kept the coins in his pocket.

“Why didn’t you go to school today?”

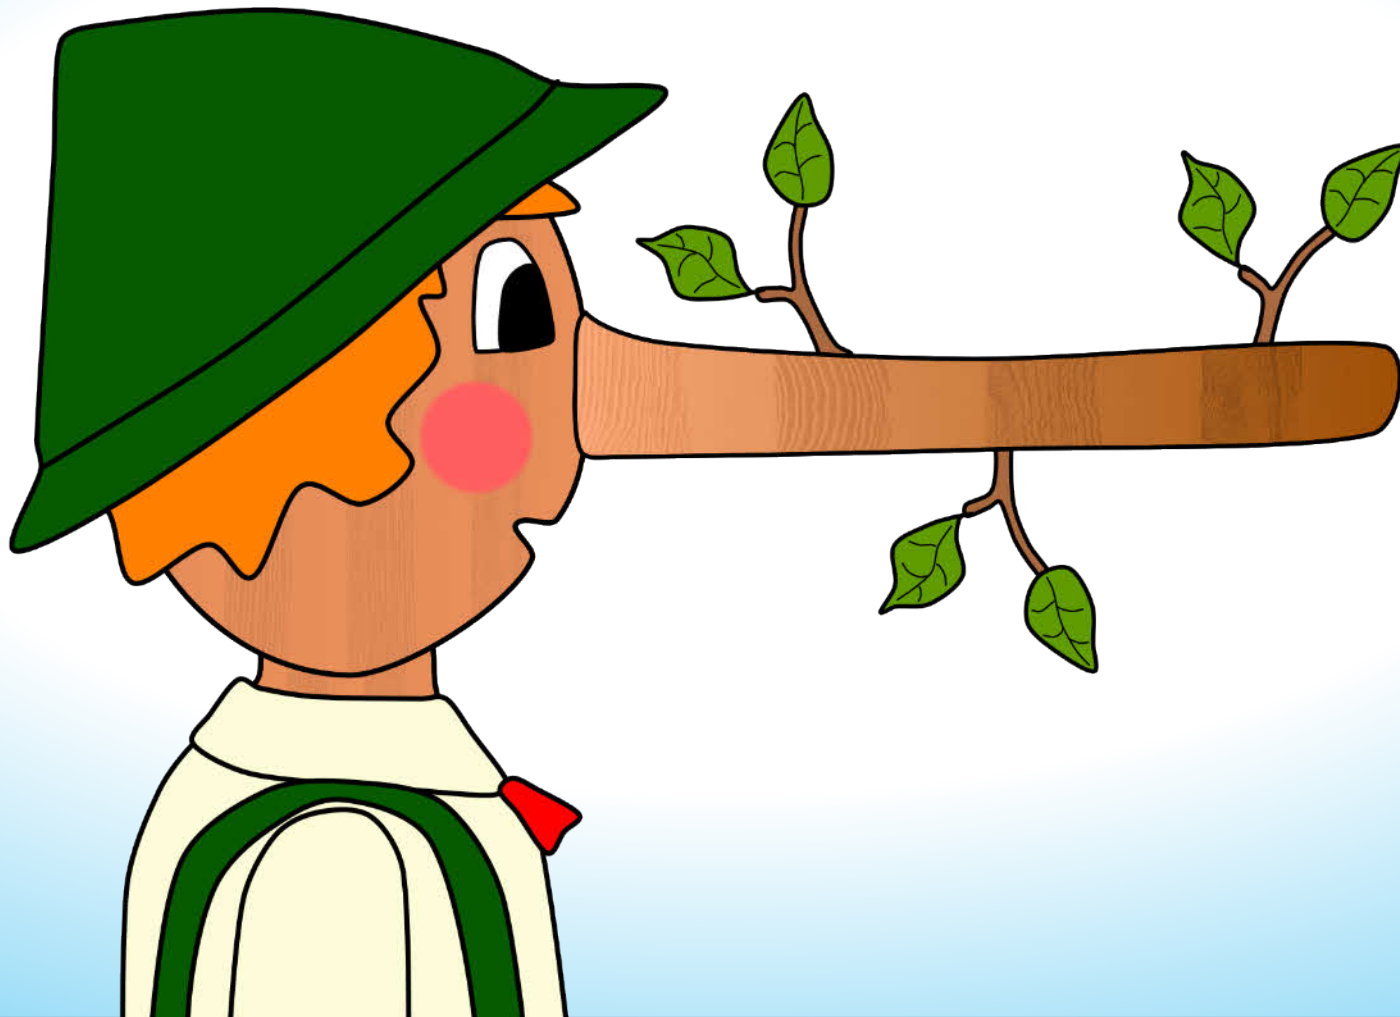

Pinocchio lied and his nose grew.

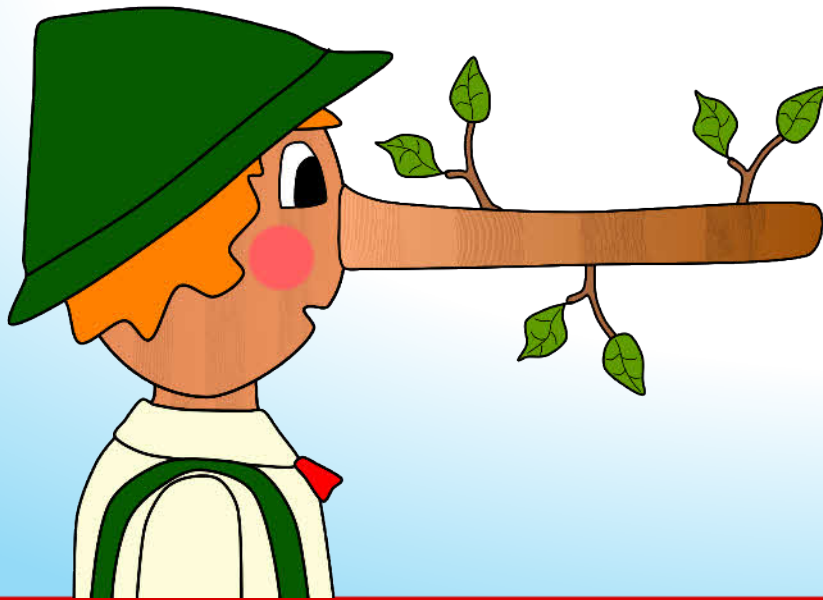

“Where are the coins you earned?”

Pinocchio lied and his nose grew.

“Tell the truth and your nose will shrink.”

Pinocchio met some boys.
They went to the circus and
ate lots of sweets.

They began to turn into donkeys!

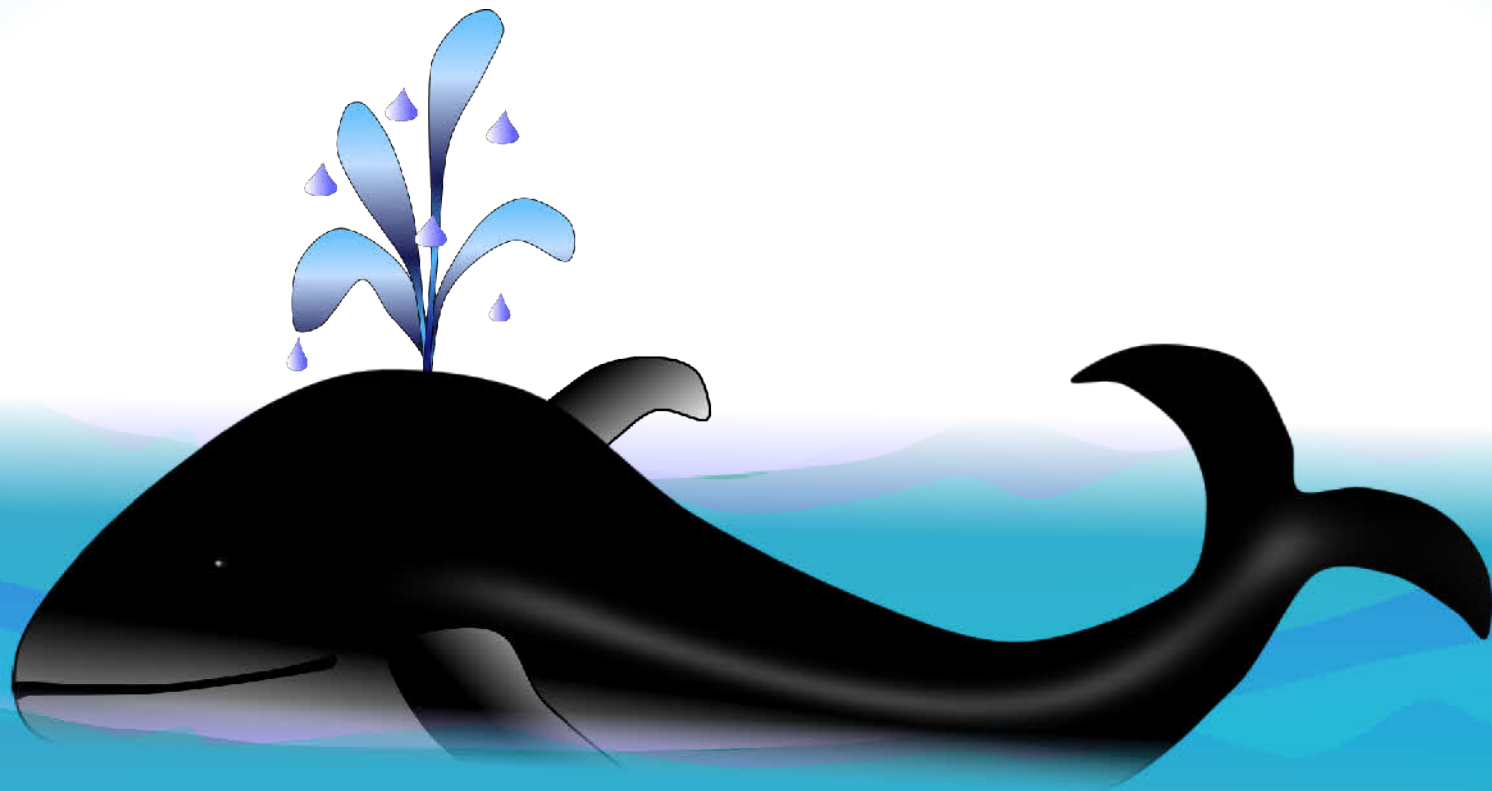

Pinocchio could only grow ears
and a tail because he was wooden.

He was thrown into the sea.
His ears and tail fell off.

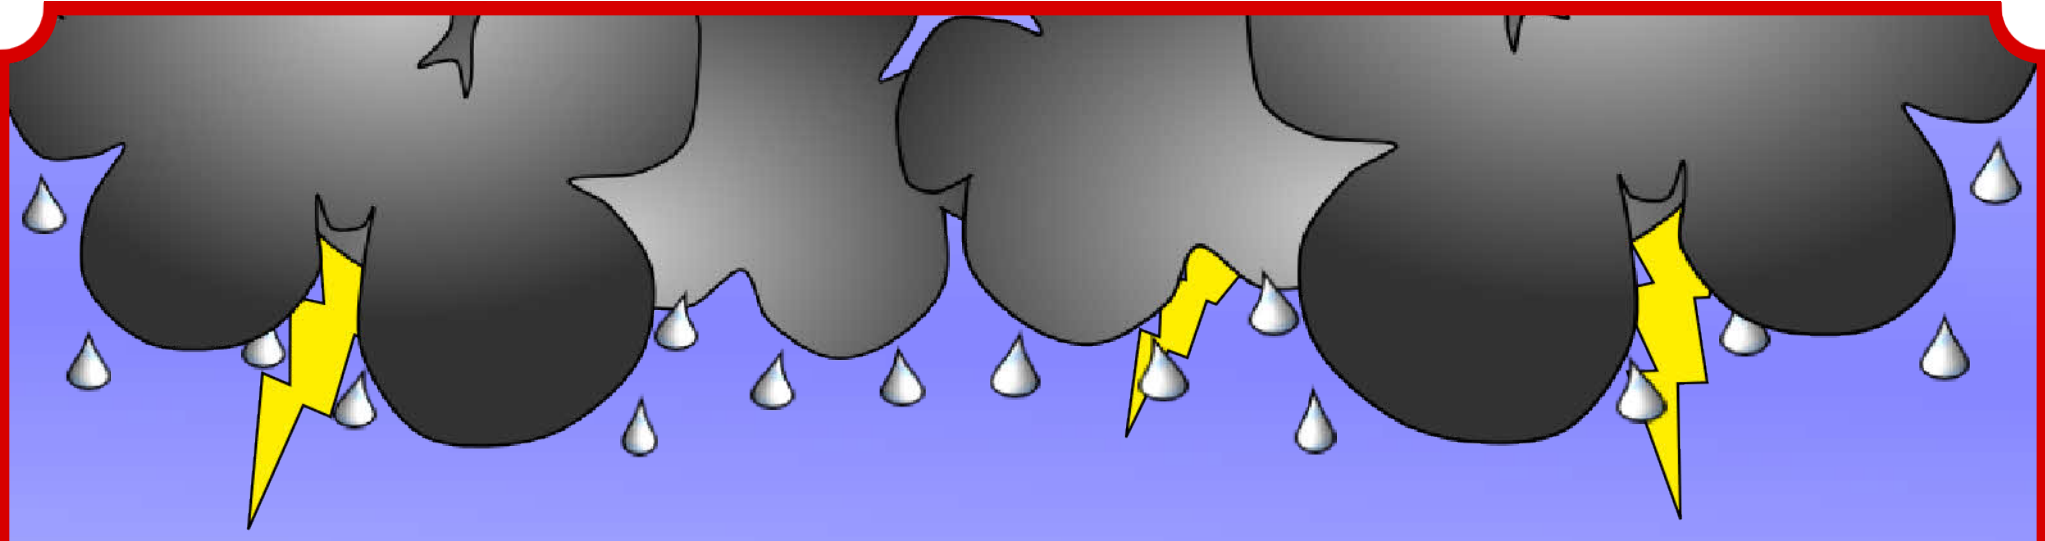

A huge whale swallowed him whole.

His father was in the whale too!
They built a raft.

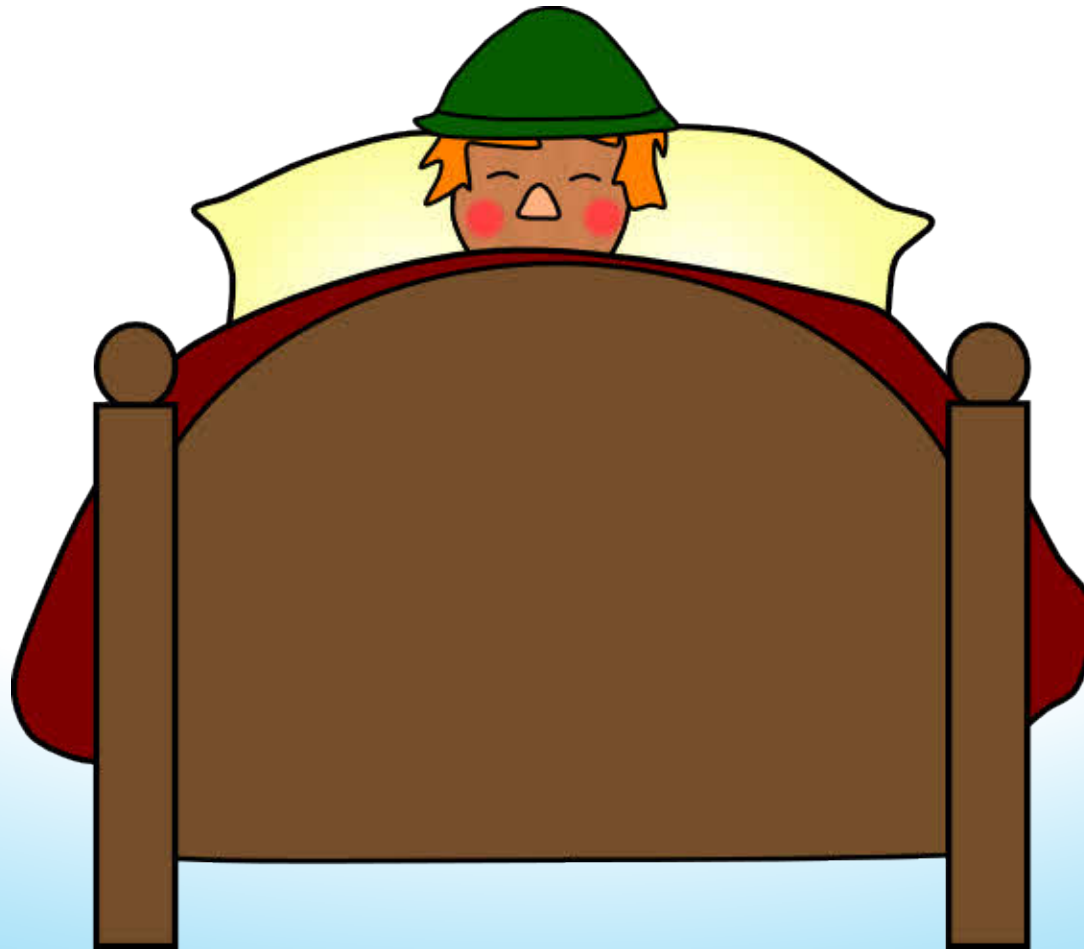

It sneezed and spat them out
right into a storm!

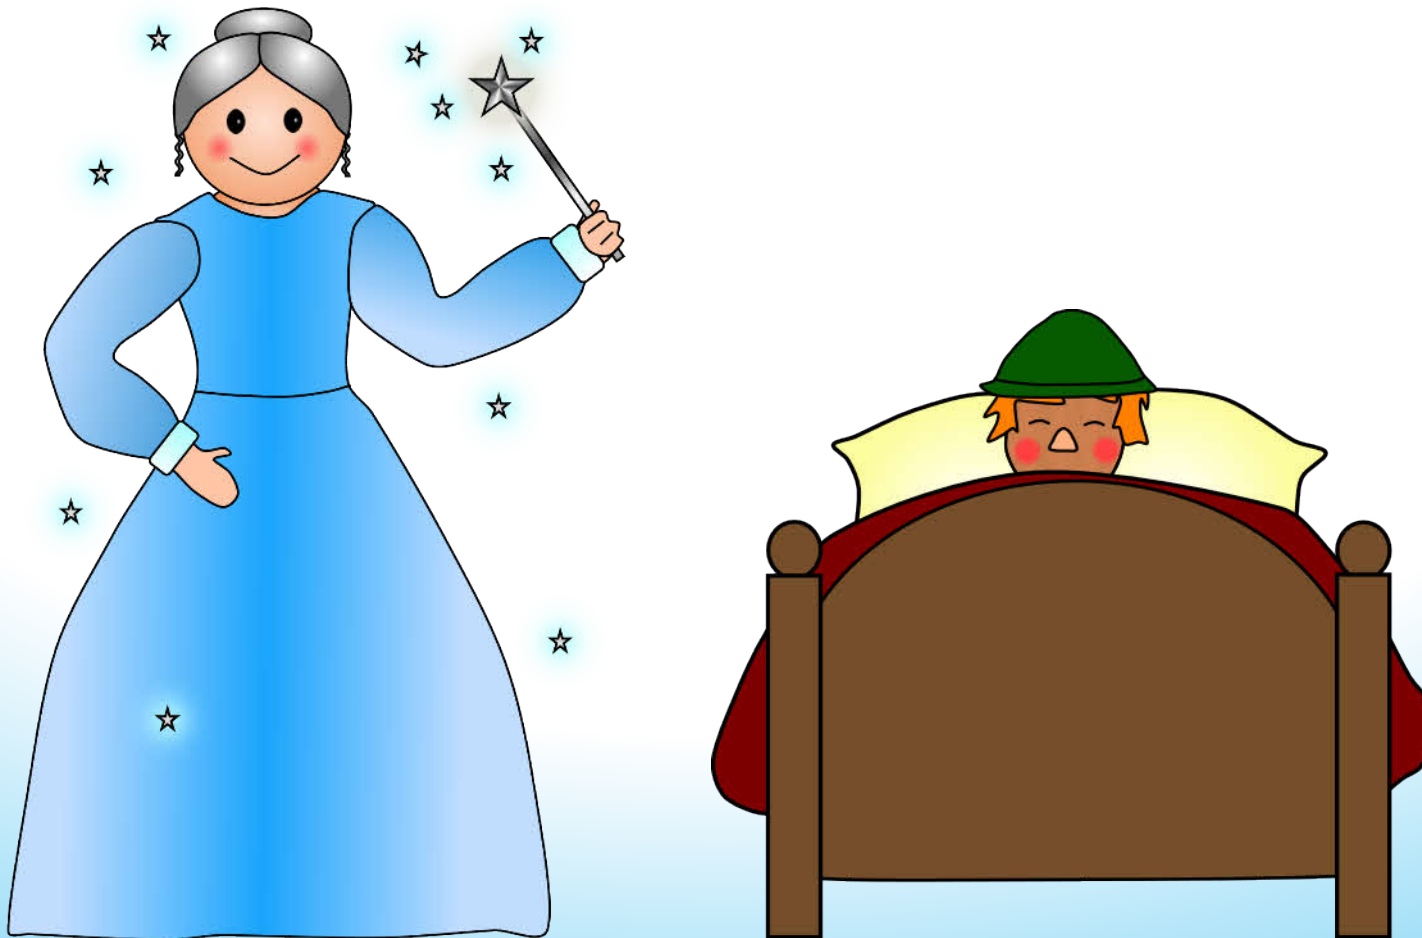

Pinocchio saved his father.

They got home.
Pinocchio went to sleep very tired.

The Blue Fairy came
and waved her wand.

In the morning,
Pinocchio was
a *real* boy!!
