

Three blackbirds are depicted in a simple, cartoonish style. They are all black with a distinct yellow ring around each eye and a yellow beak. The birds are shown in profile, facing right. The largest bird is in the foreground, and two smaller birds are positioned behind it. A large speech bubble originates from the largest bird, containing the text 'I'm a brilliant blackbird!' in a yellow, sans-serif font.

I'm a
brilliant blackbird!

What's
your target?

_____ 's blackbird targets
