

The

An underwater scene with a blue gradient background. In the upper left, a small blue fish is partially visible. In the upper center, a larger blue fish with horizontal stripes is swimming. In the lower left, a light-colored starfish is on the seabed. The seabed is covered with various types of coral and sea anemones. The word "Rainbow" is written across the center in a large, bold, rounded font with a black outline. The letters are colored in a rainbow gradient: 'R' is red, 'a' is pink, 'i' is purple, 'n' is blue, 'b' is green, and 'o' is yellow. The 'y' is partially cut off on the right edge.
