

## Initial 'sh' Word Wheel

Cut out both wheels and the window in the top wheel.  
Then fix together at the centre using a paper fastener.  
Children first make the word that matches the picture, then turn the wheel to make different words.

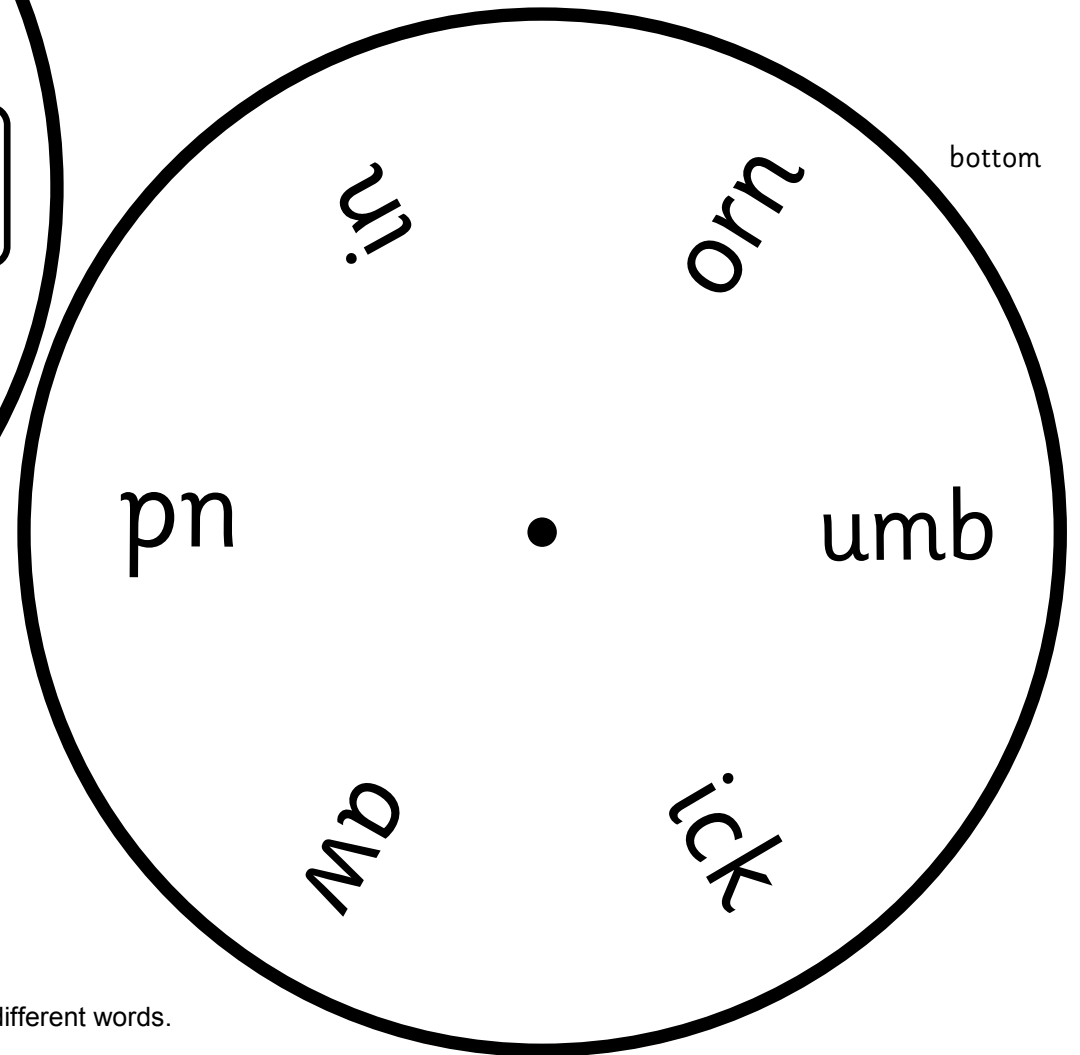

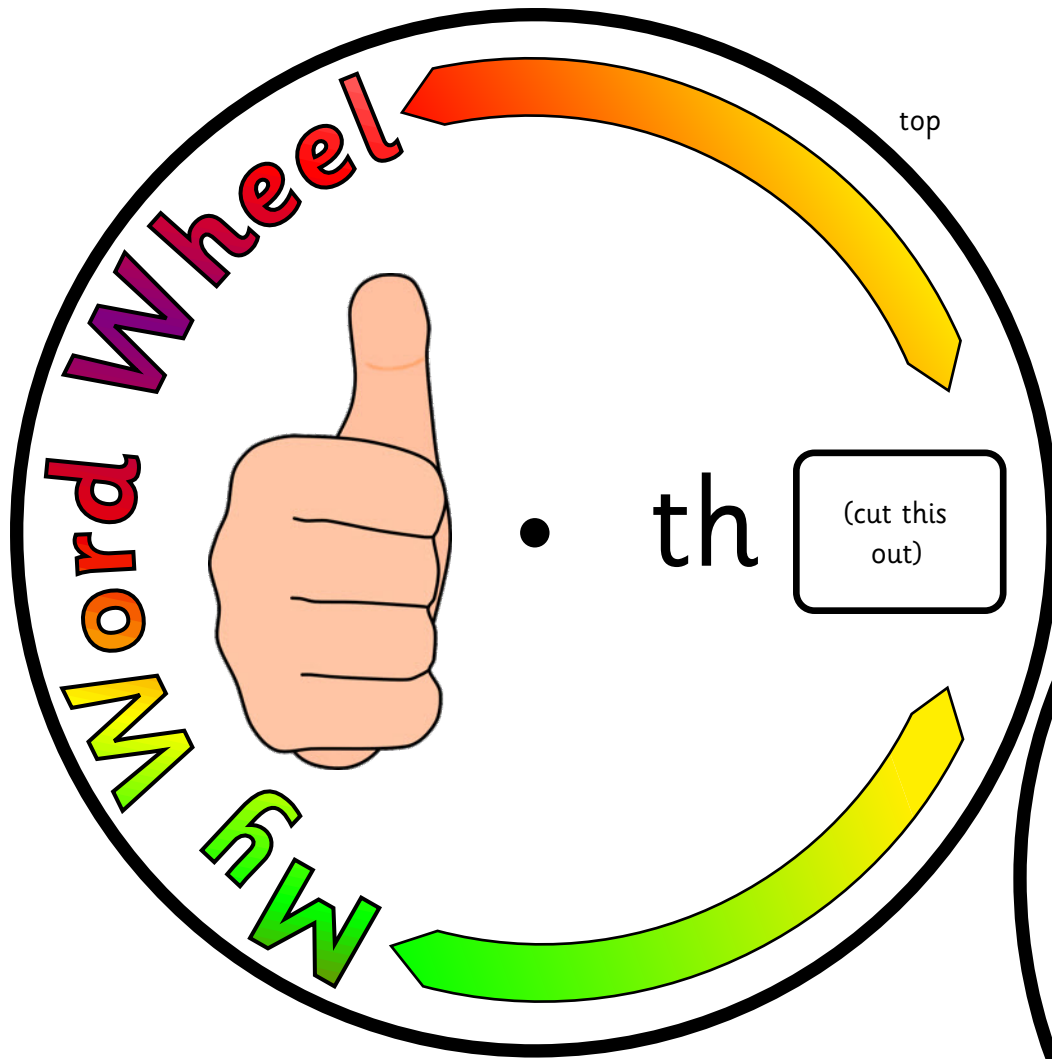

## Initial 'ch' Word Wheel

Cut out both wheels and the window in the top wheel.  
Then fix together at the centre using a paper fastener.  
Children first make the word that matches the picture, then turn the wheel to make different words.

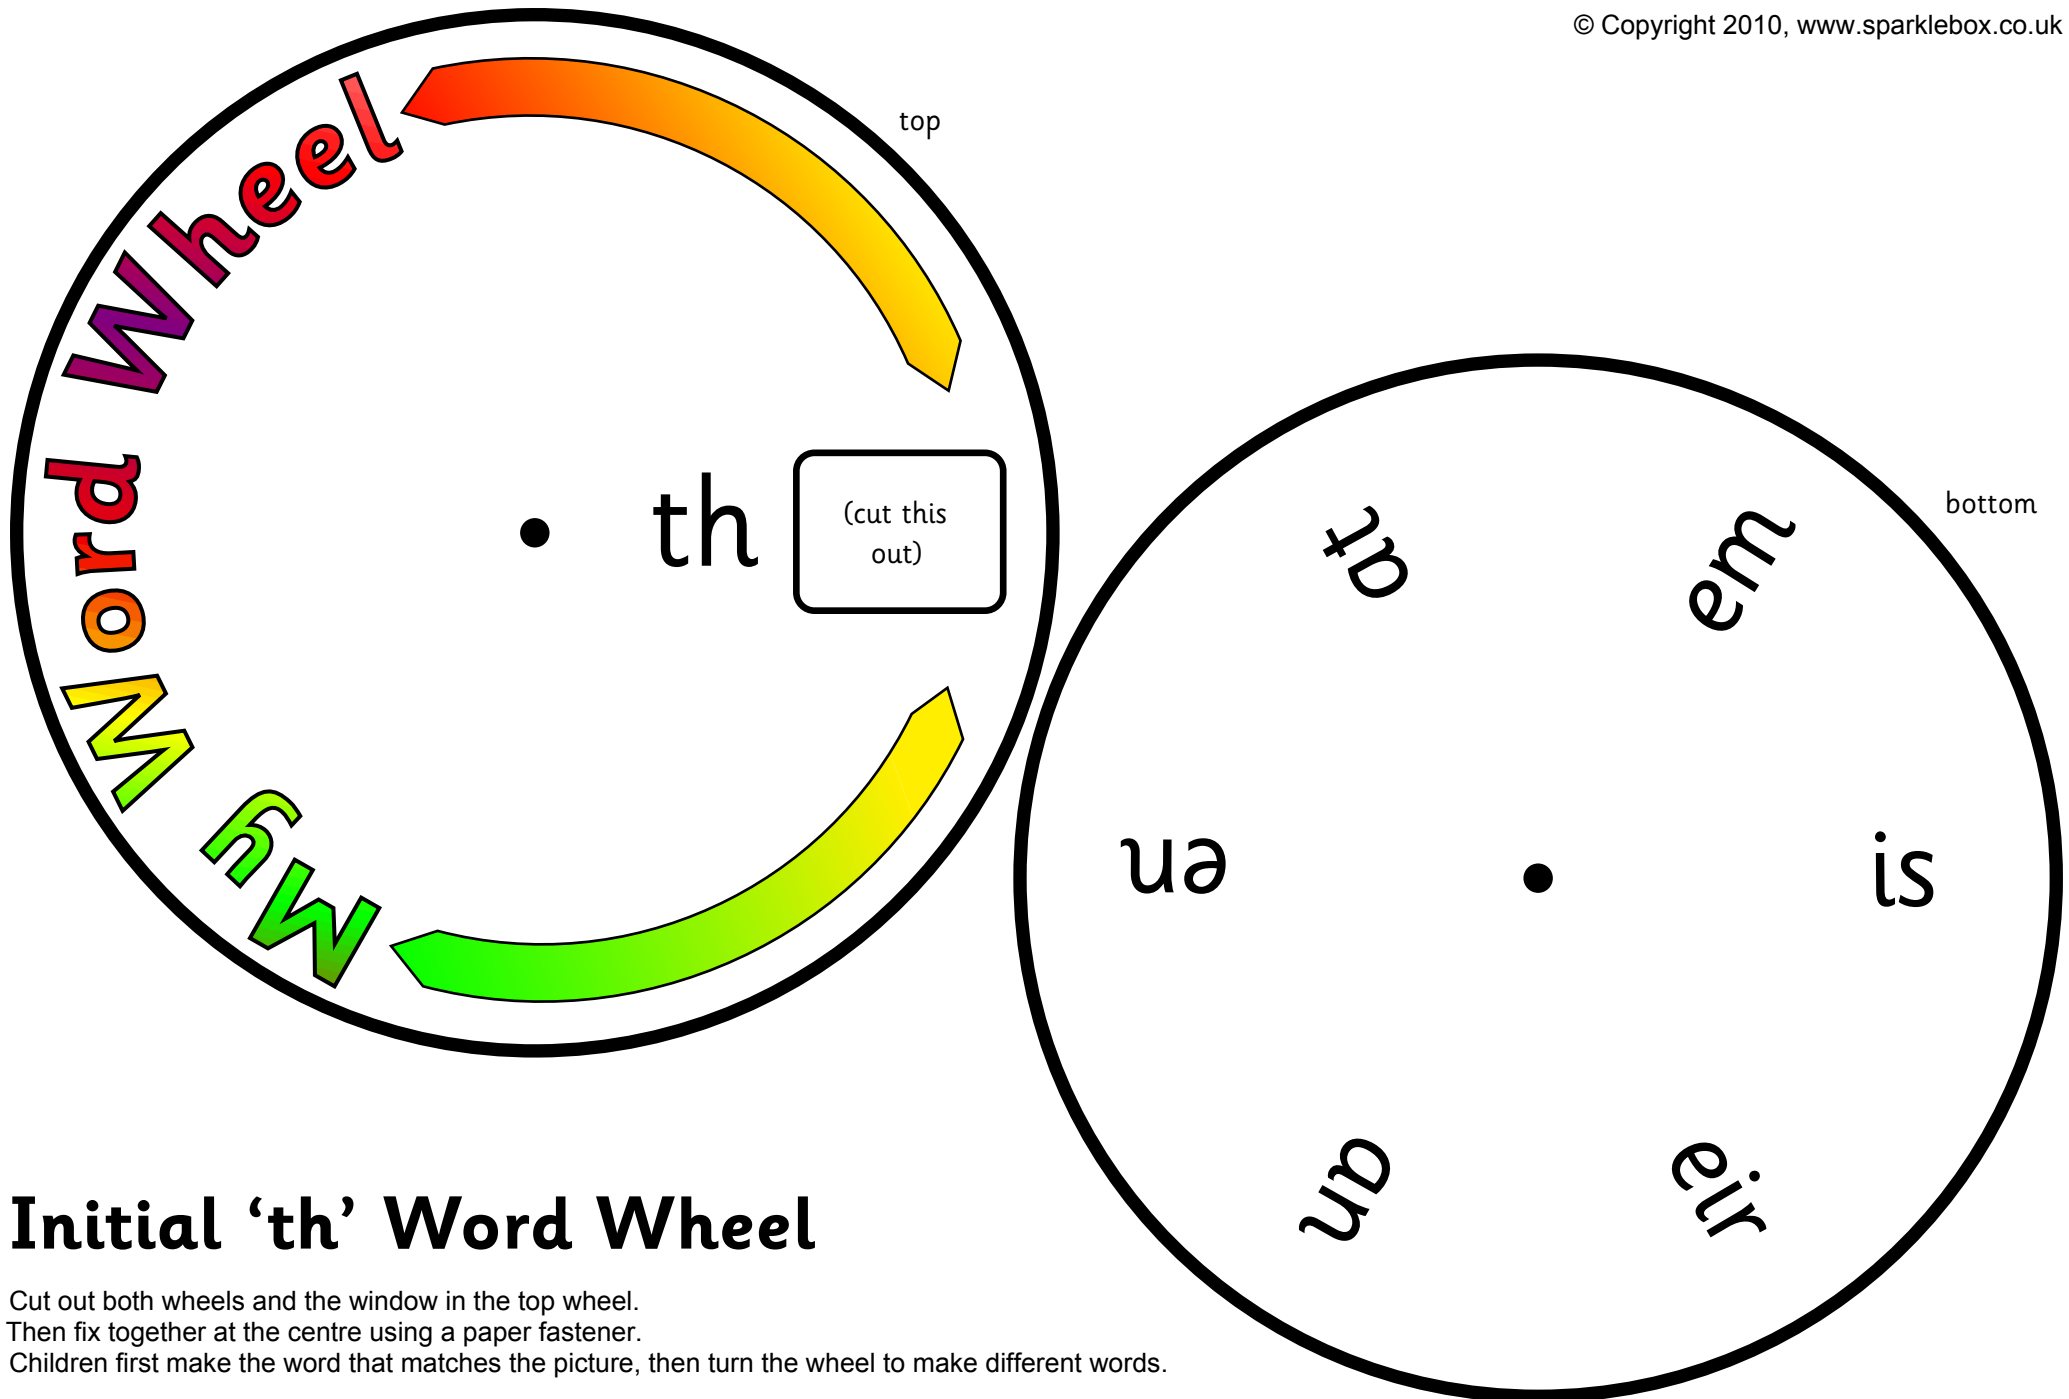

## Initial 'ch' Word Wheel
