

How to Wrap a Present

How to Wrap a Present

You will need:

wrapping paper

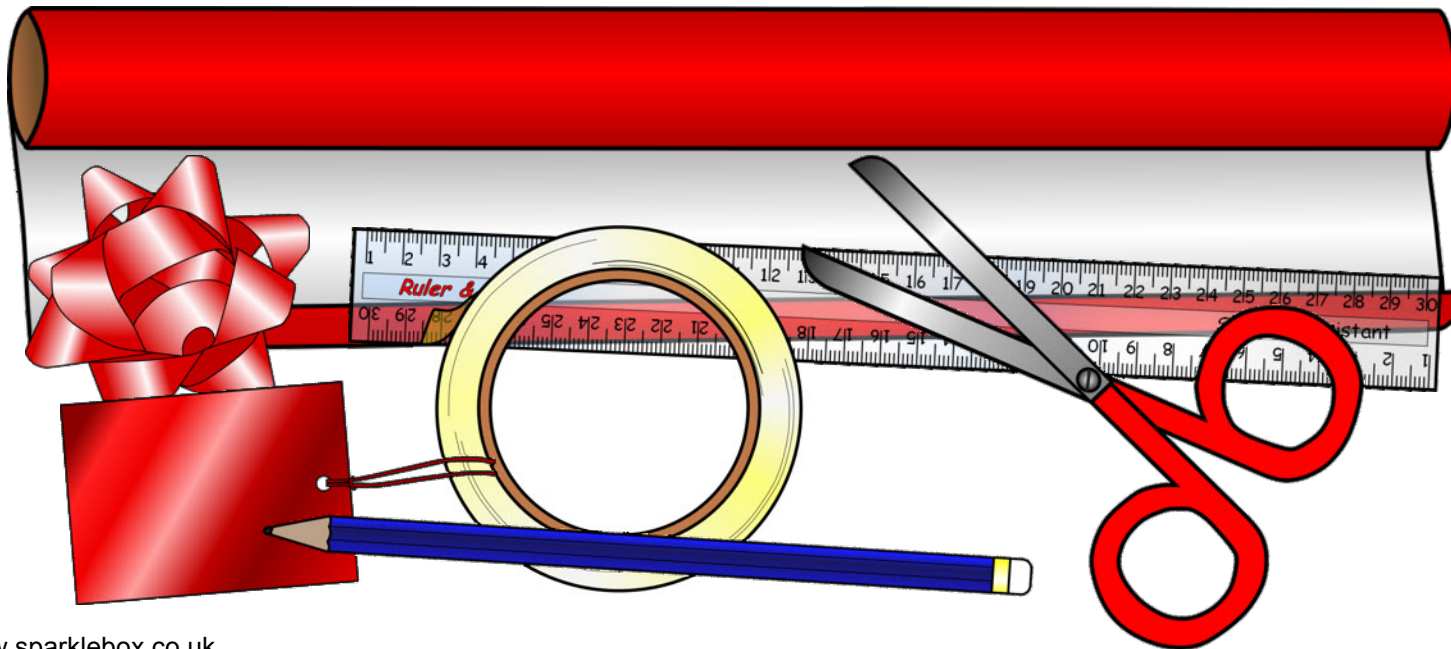

stick-on bow

pencil

scissors

ruler

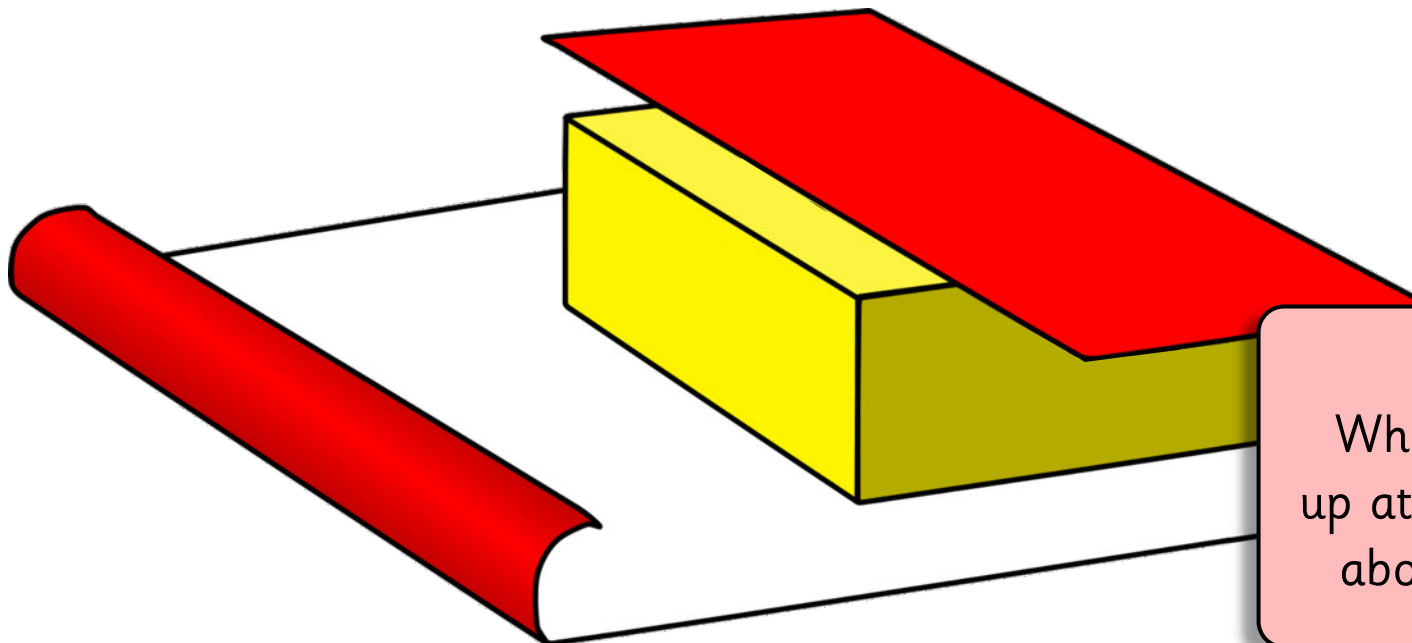

sticky tape

How to Wrap a Present

1.

Unroll the wrapping paper with the pattern facing down. Put the gift on the paper and make sure there is enough to cover all the sides, top and bottom.

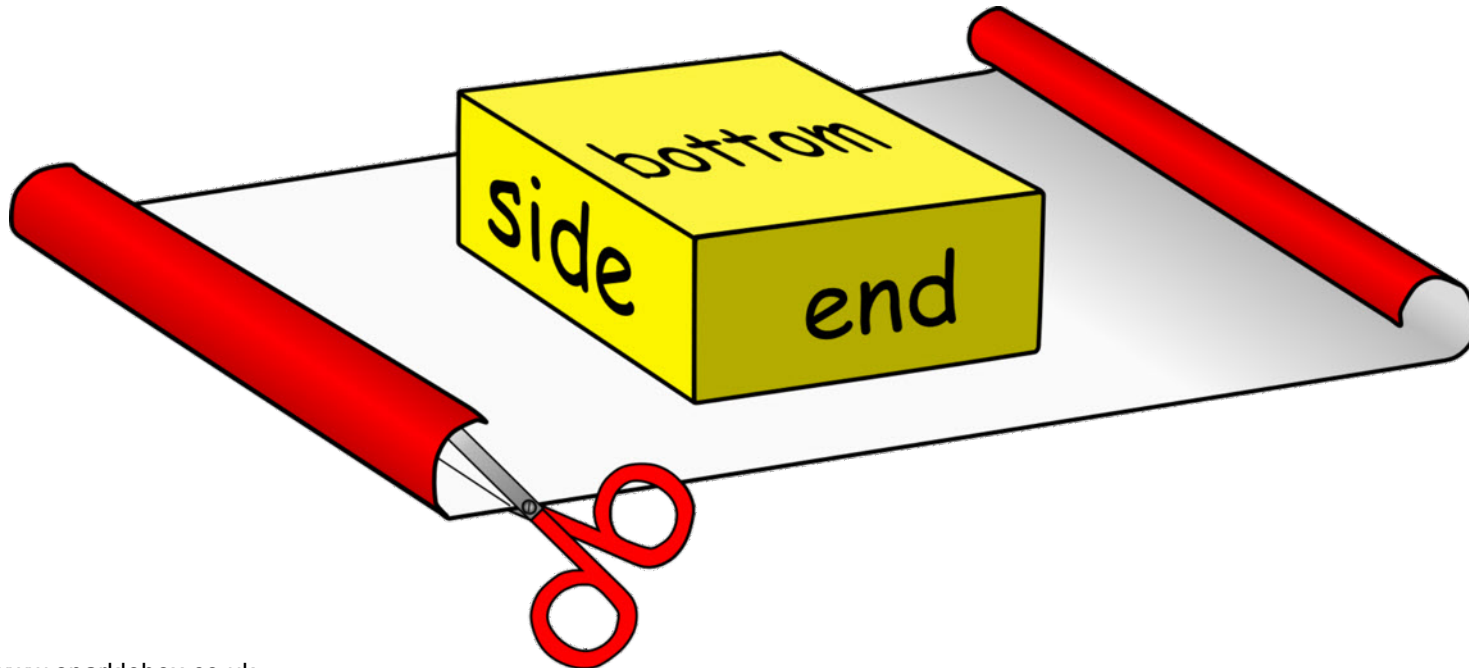

Tip:

When you fold the paper up at the ends, it must reach about 2cm over half way.

5.

Turn the gift over so that the top is facing upwards. Fold down the paper at the end and hold in place. Then fold in the side flaps and stick with tape.

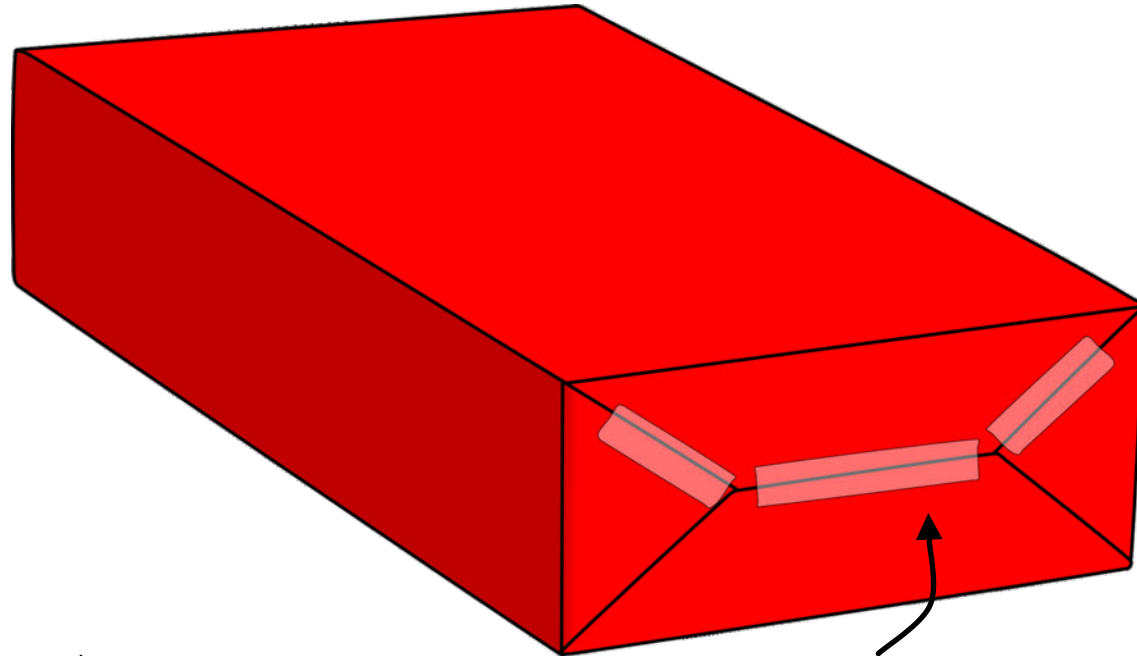

Tip:

Ask an adult to hold the top flap down while you stick the side flaps.
