A cartoon illustration of a brown dog sitting on a black string. Above the dog is a yellow rectangular area containing four groups of tally marks: the first three groups have four diagonal lines each, and the fourth group has three diagonal lines. Below the dog, the number '19' is written in large yellow digits, followed by the word 'nitten' in yellow lowercase letters.

A cartoon illustration of a green crocodile standing on a black string. Above the crocodile is a yellow rectangular area containing four groups of tally marks: the first three groups have four diagonal lines each, and the fourth group has three diagonal lines. Below the crocodile, the number '20' is written in large orange digits, followed by the word 'tyve' in orange lowercase letters.
