

THAT WAS TOO FAST

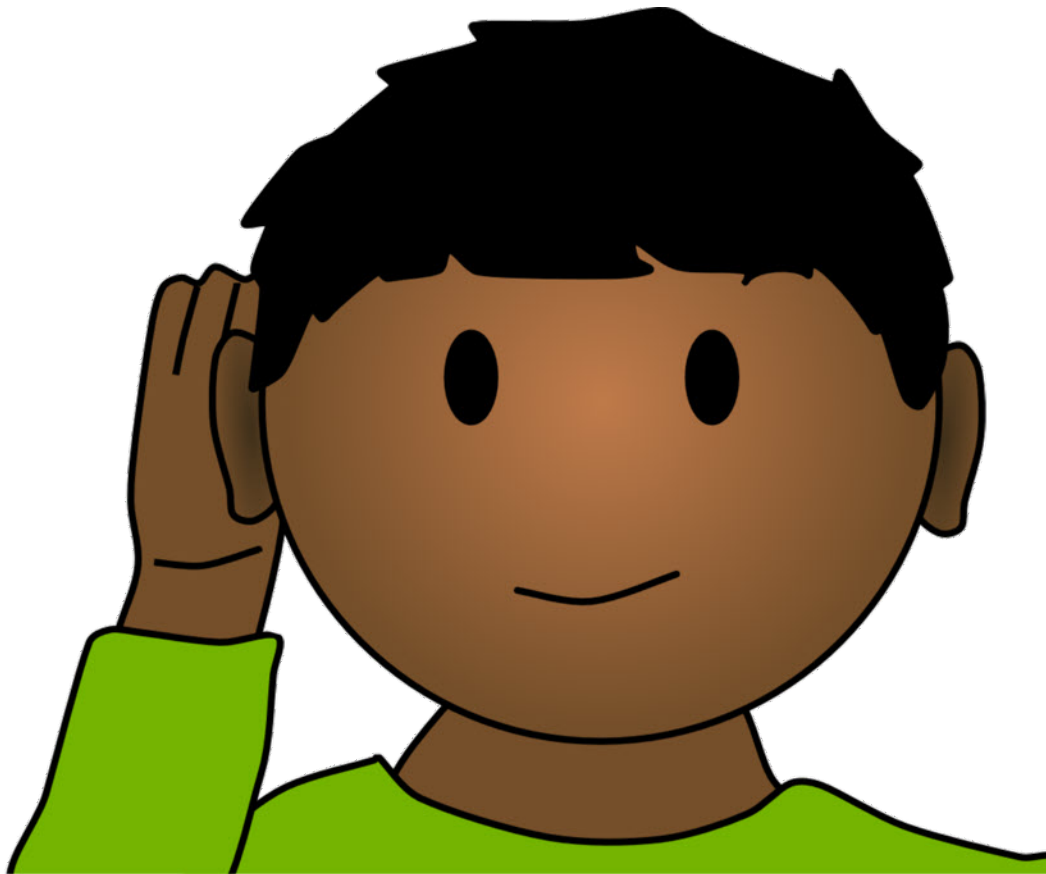

Can you talk a
little slower please?

THAT WAS TOO LONG

Can you make that
a bit shorter or tell
me one at a time?

THAT WAS TOO QUIET

Can you talk a
bit louder please?

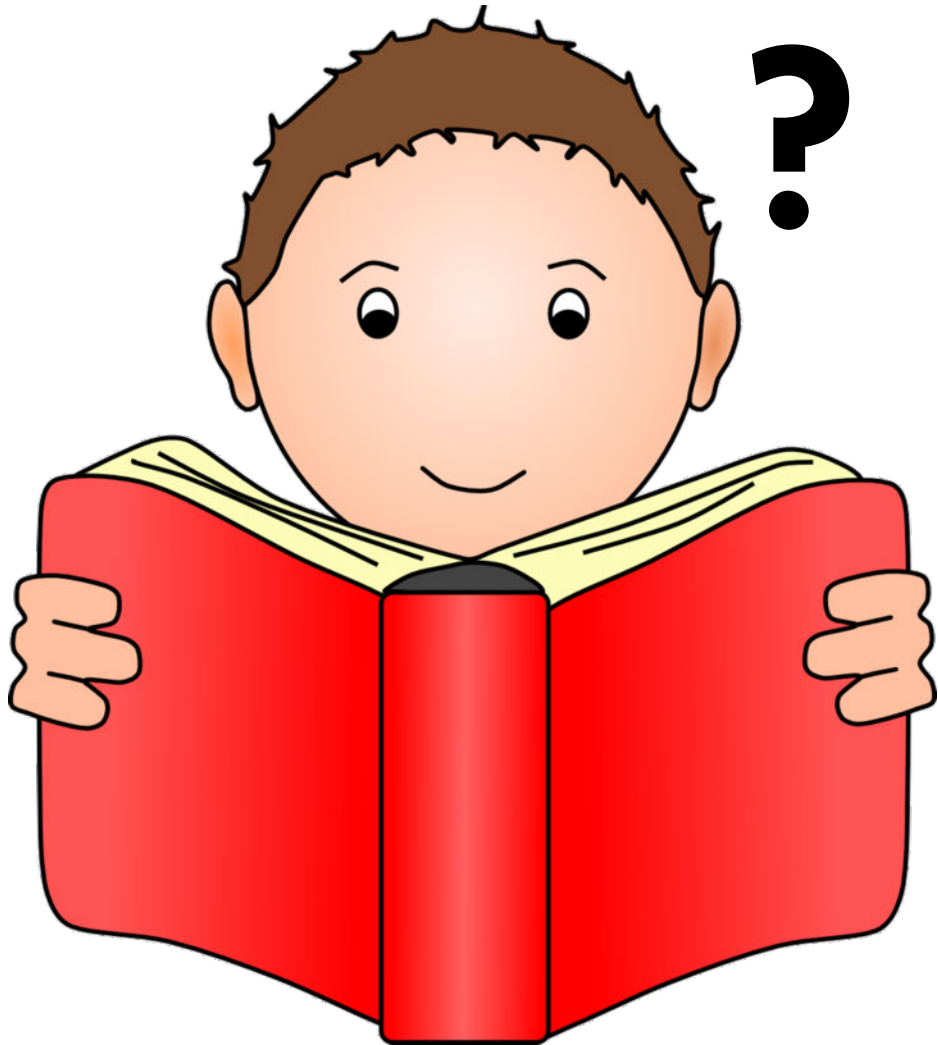

TOO MUCH NOISE

I couldn't hear.
Can you say that
again?

I can't think
properly.

NEED MORE DETAILS

Can you tell me more
about it?

Where? What?

Why? How? Who?

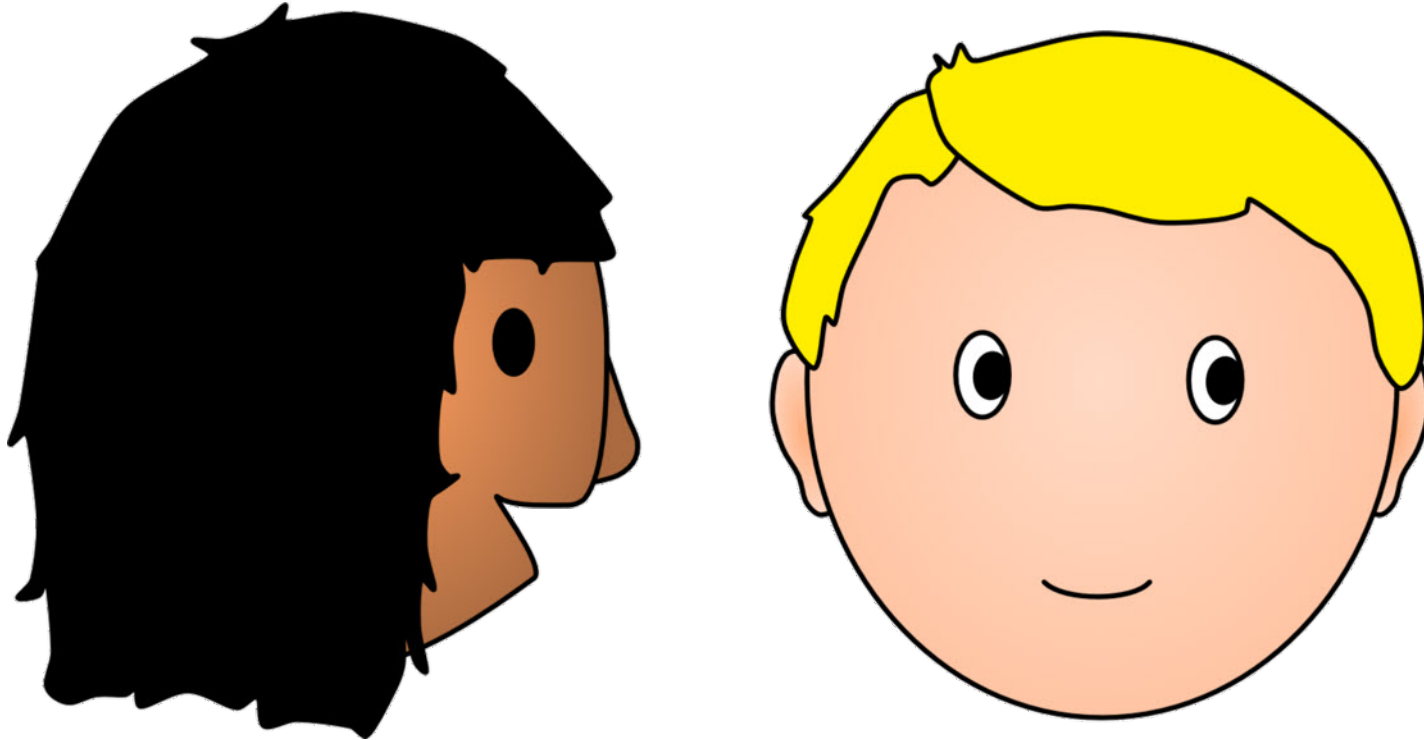

A NEW WORD

I don't know that word.

Can you tell me what it means?

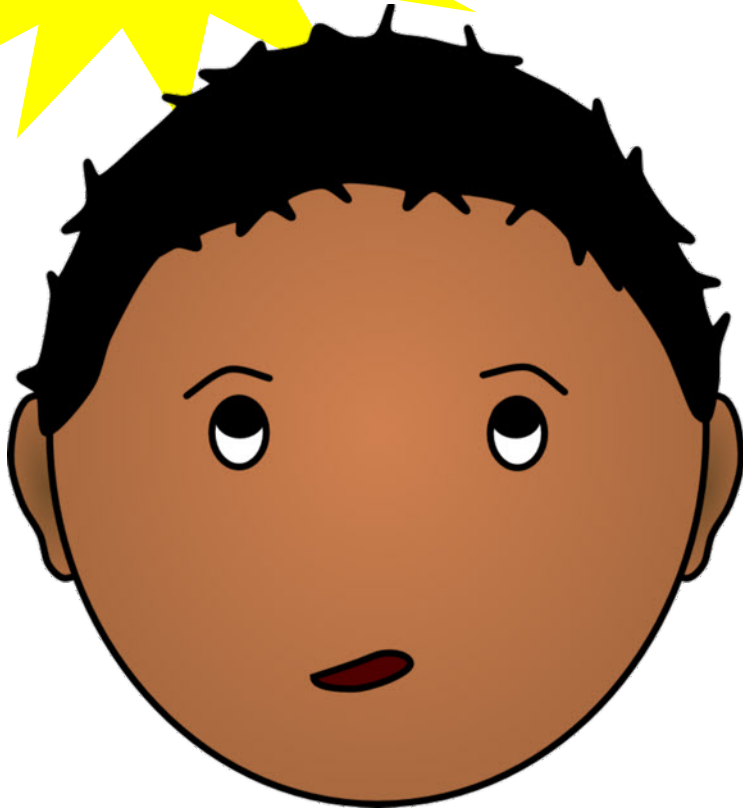

I WASN'T LISTENING

I'm sorry, I didn't listen properly.
Can you say that again please?

I WAS DISTRACTED

CRASH!

Sorry, I was
distracted.

Can you say that
again for me?

I DON'T KNOW

I am not sure what
you mean.

Do you mean...?

I NEED HELP

I'm confused.

Can you show me
what to do?
