Space-themed height chart

A height chart template with a space theme. The background is blue with white stars. On the left, there is a white rocket with red fins and nose cone, a white astronaut in a white suit with blue boots and a clear helmet, and an orange planet with a rainbow-colored ring. On the right, there are horizontal lines for height measurement. Two red boxes with white text indicate height markers: '60cm' at the top and '50cm' further down. A dashed line at the top indicates where to cut.
