

Aarde,

The image features a large, stylized sun in the background, rendered in a gradient of orange and red. The sun has a thick black outline and is surrounded by small, dark red specks, possibly representing solar flares or dust. The word "Zonen" is written across the center of the sun in a bold, bubbly, yellow-to-orange gradient font with a thick black outline. The overall style is vibrant and cartoonish.

Zonen

Maan
