

chef

pan

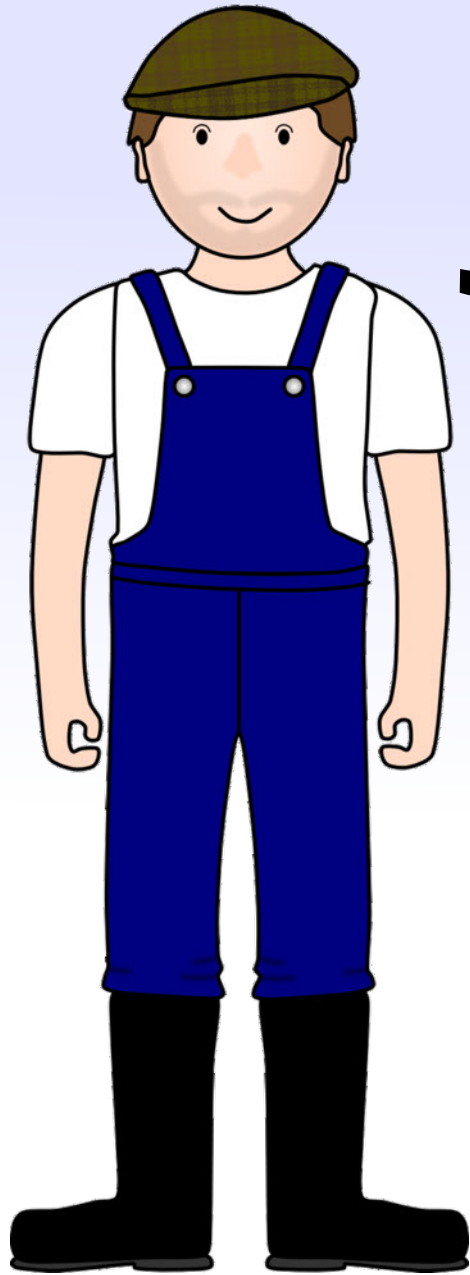

Can you think of other things  
a chef might use?

# electrician

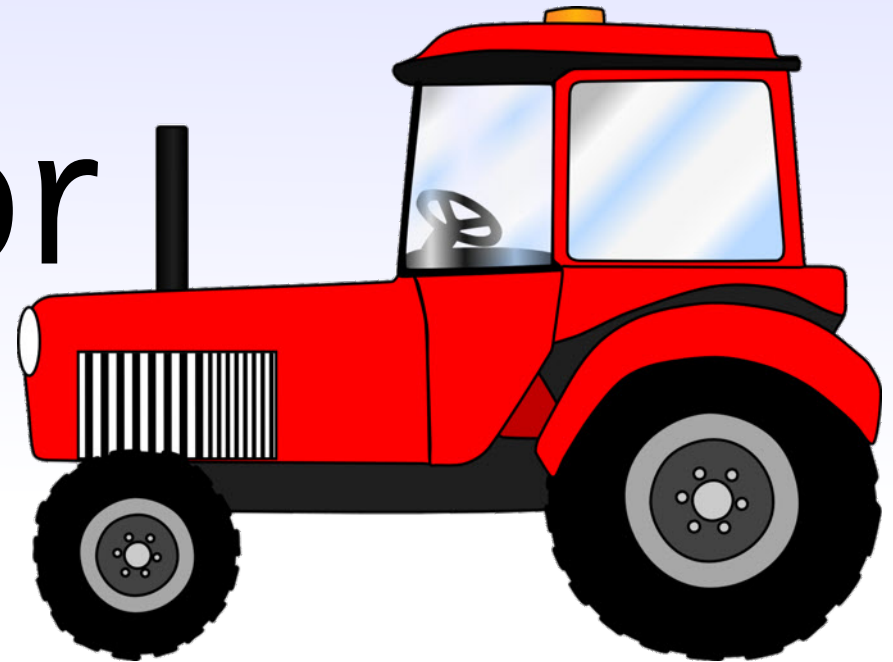

# pliers

Can you think of other things  
an electrician might use?

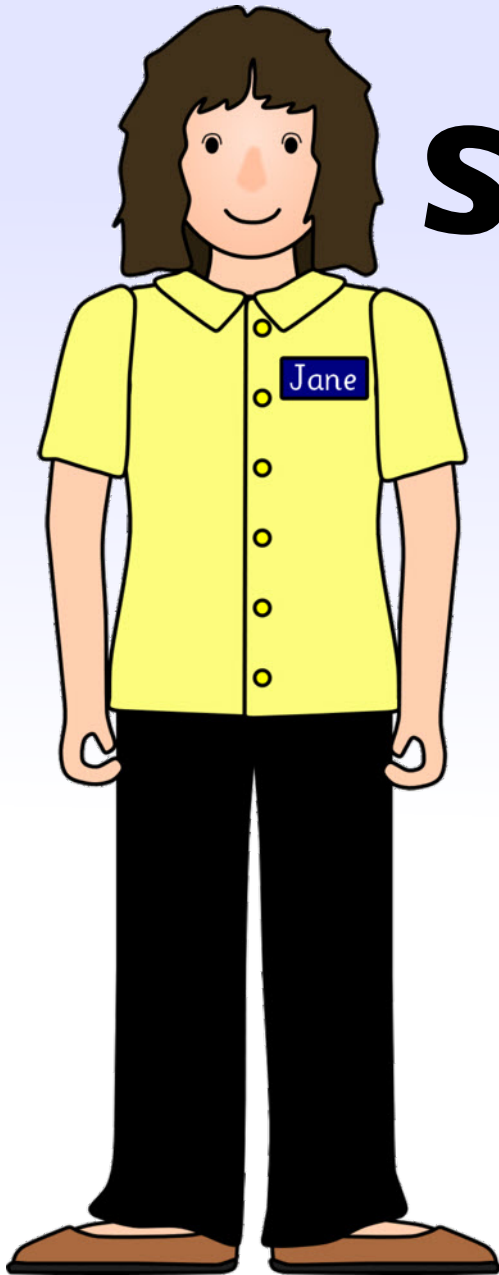

farmer

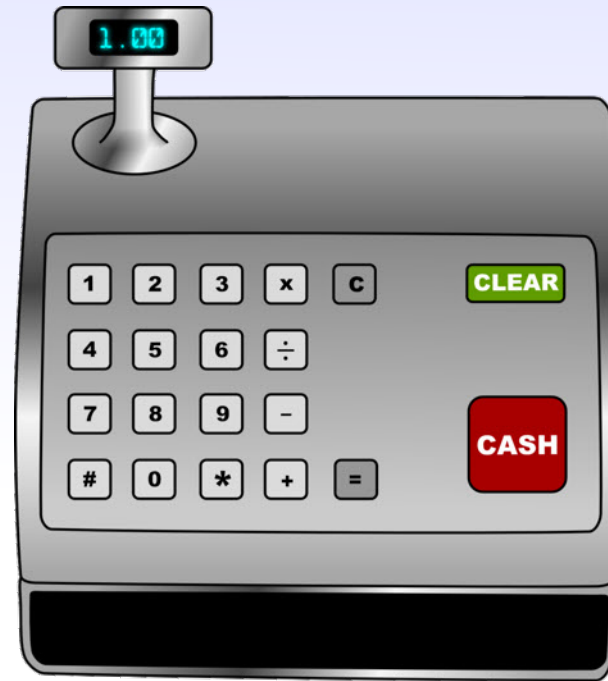

tractor

Can you think of other things  
a farmer might use?

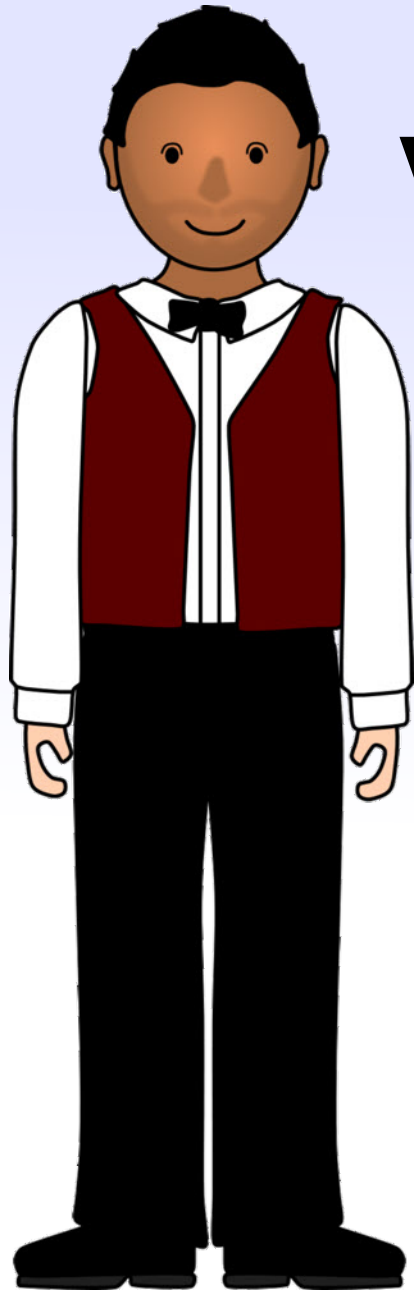

# shop assistant

till

Can you think of other things a shop assistant might use?

# waiter

# tray

Can you think of other things  
a waiter might use?

# police officer

# handcuffs

Can you think of other things  
a police officer might use?

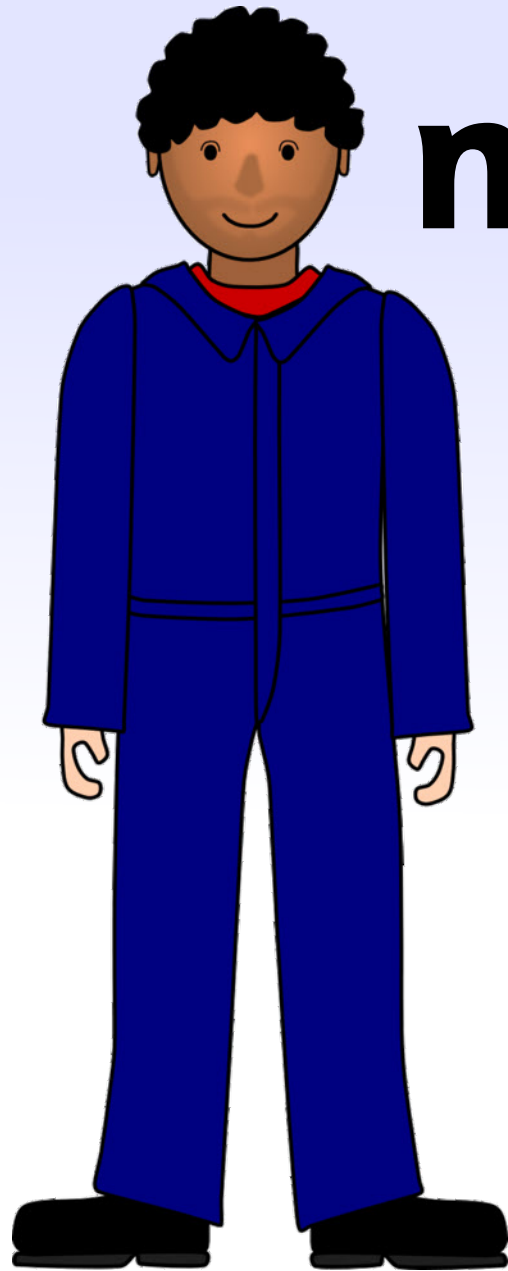

fire officer

hose and

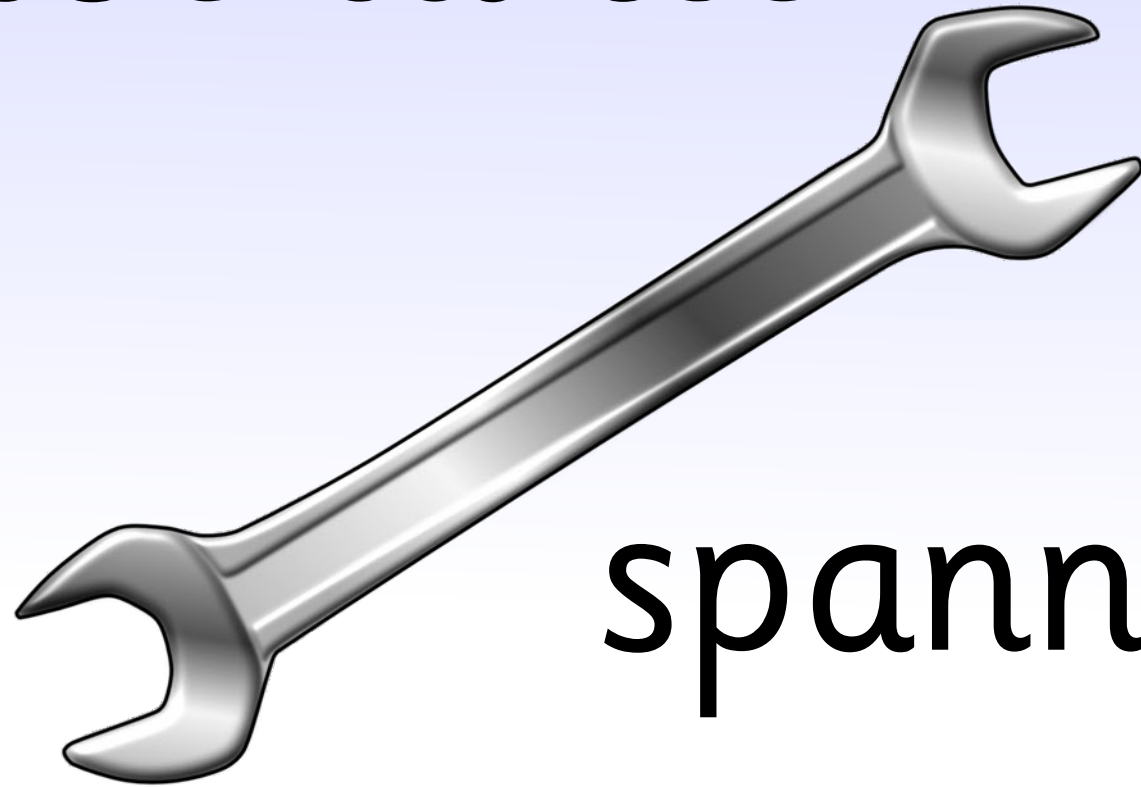

ladder

Can you think of other things  
a fire officer might use?

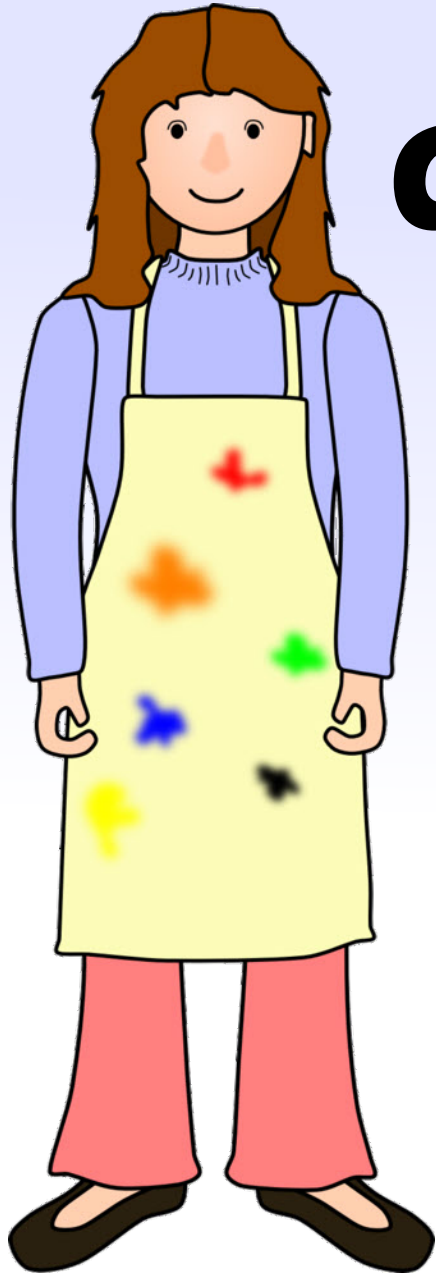

# mechanic

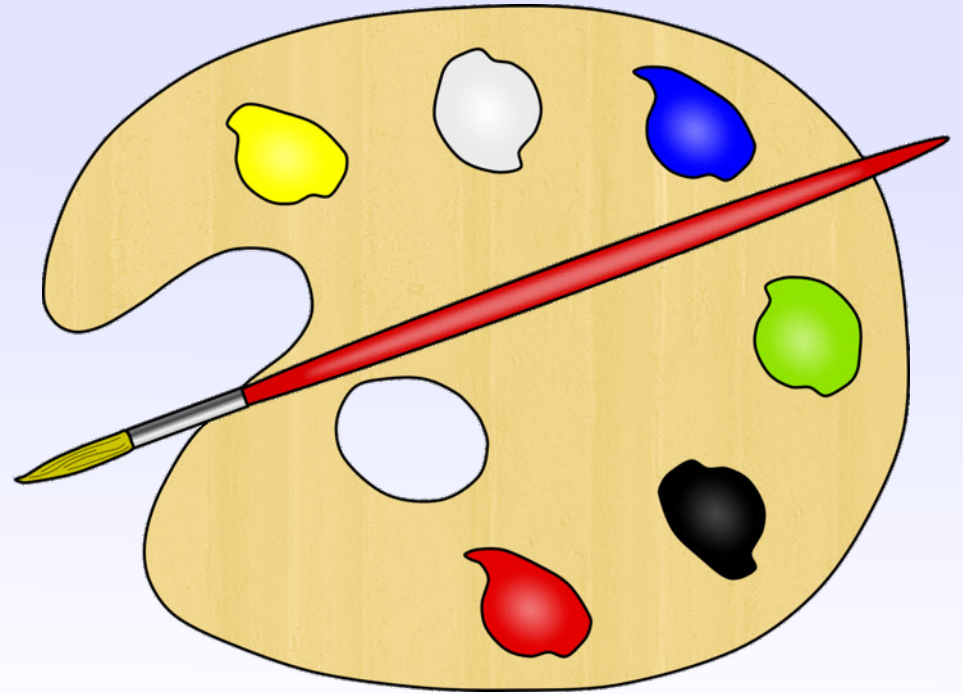

# spanner

Can you think of other things  
a mechanic might use?

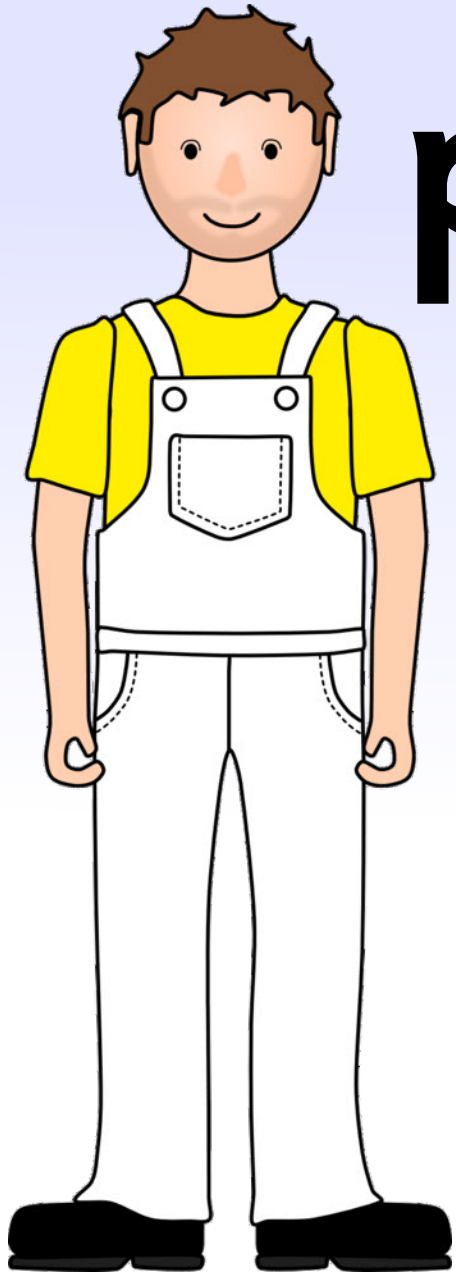

# artist

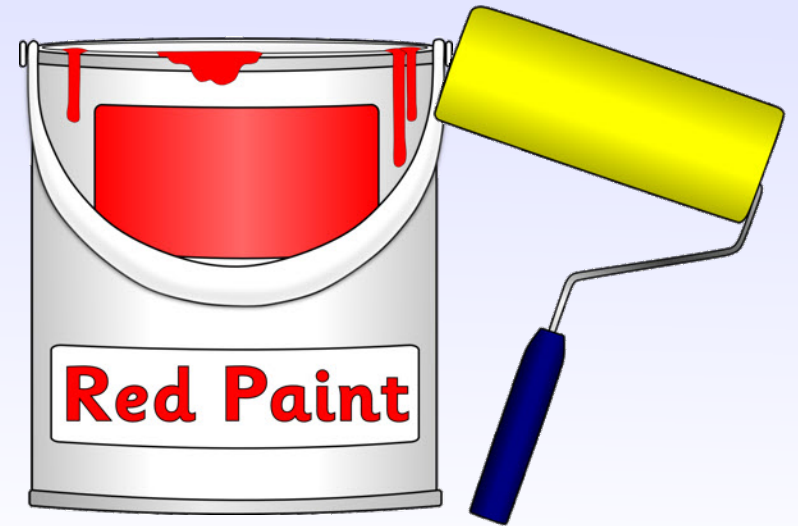

# palette and brush

Can you think of other things  
an artist might use?

# painter

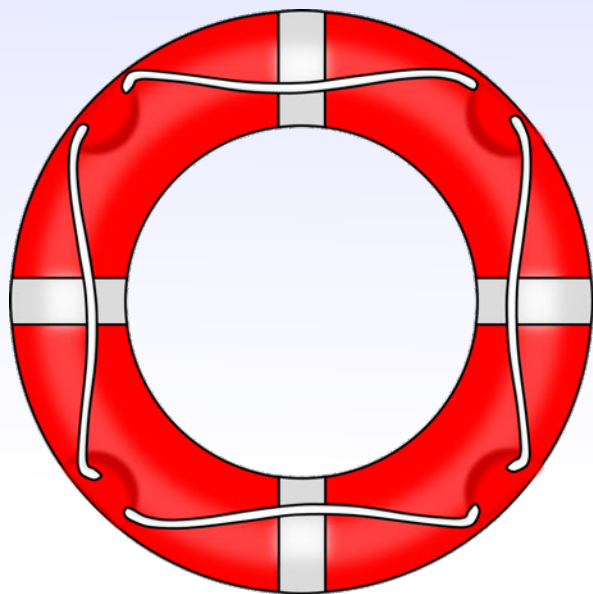

# paint and roller

Can you think of other things  
a painter might use?

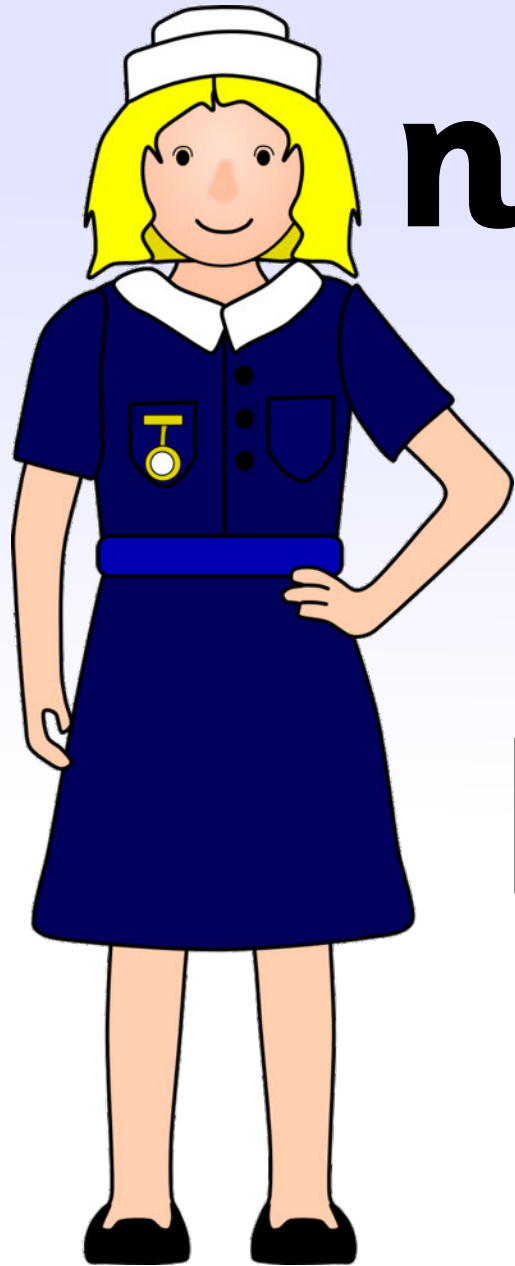

# lifeboat officer

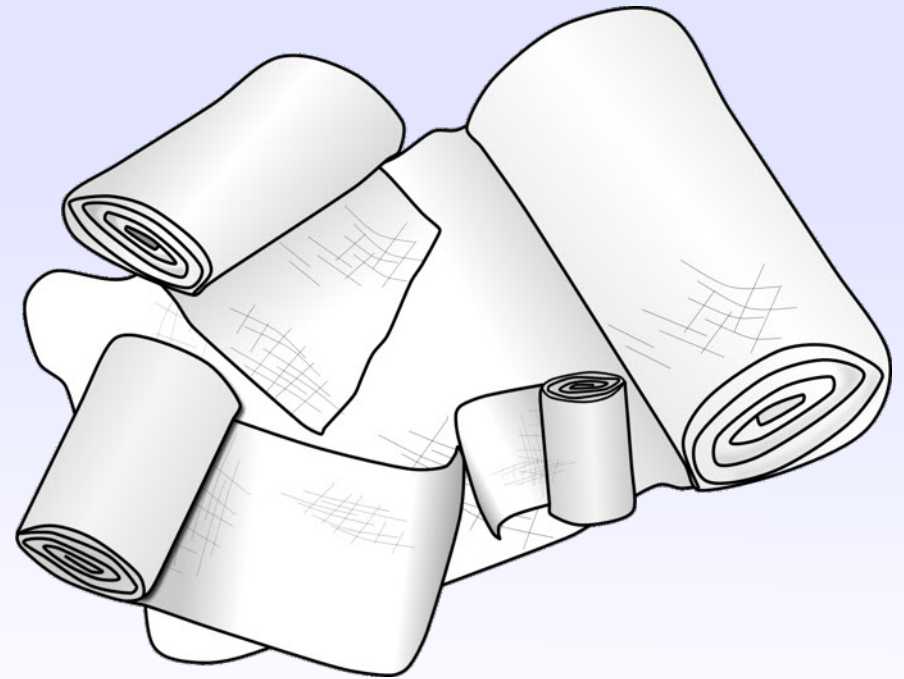

# life float

Can you think of other things  
a lifeboat officer might use?

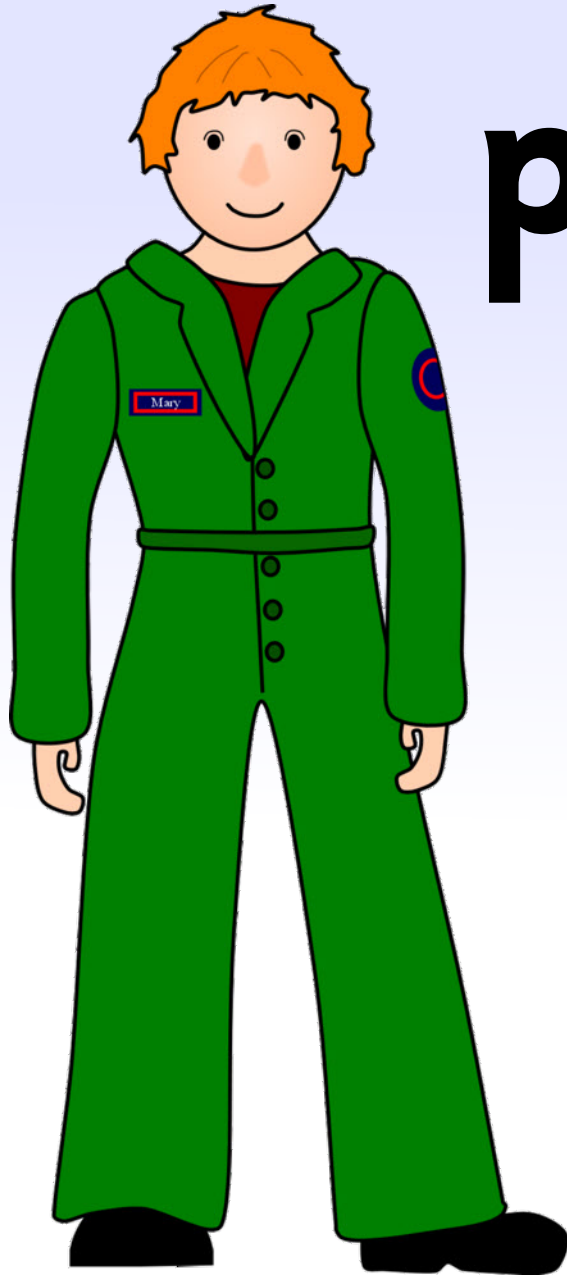

nurse

bandages

Can you think of other things  
a nurse might use?

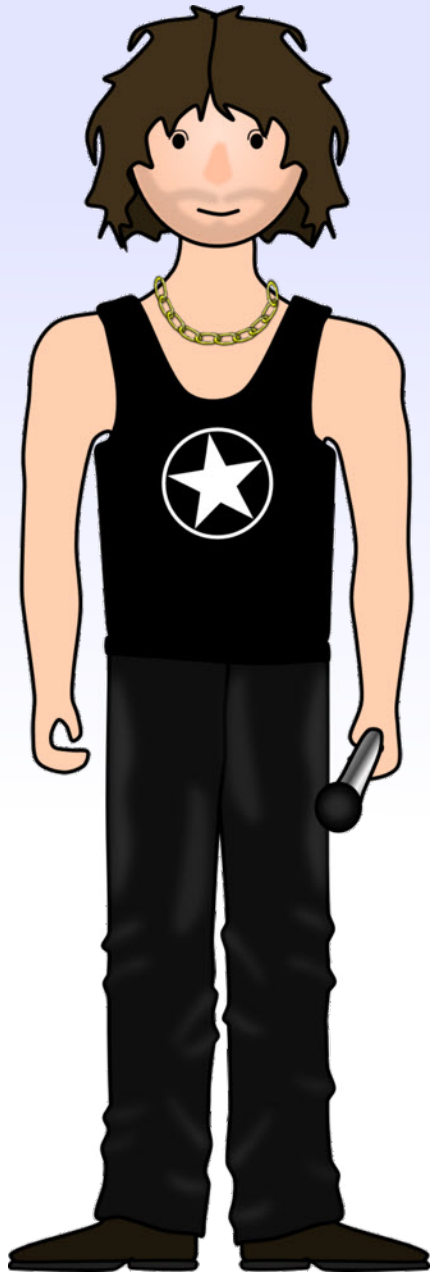

# paramedic

# ambulance

Can you think of other things  
a paramedic might use?

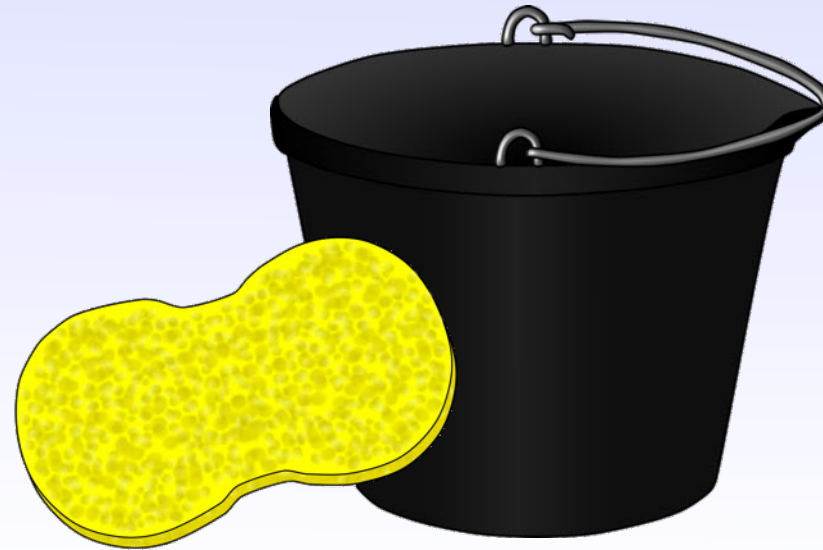

# musician

# guitar

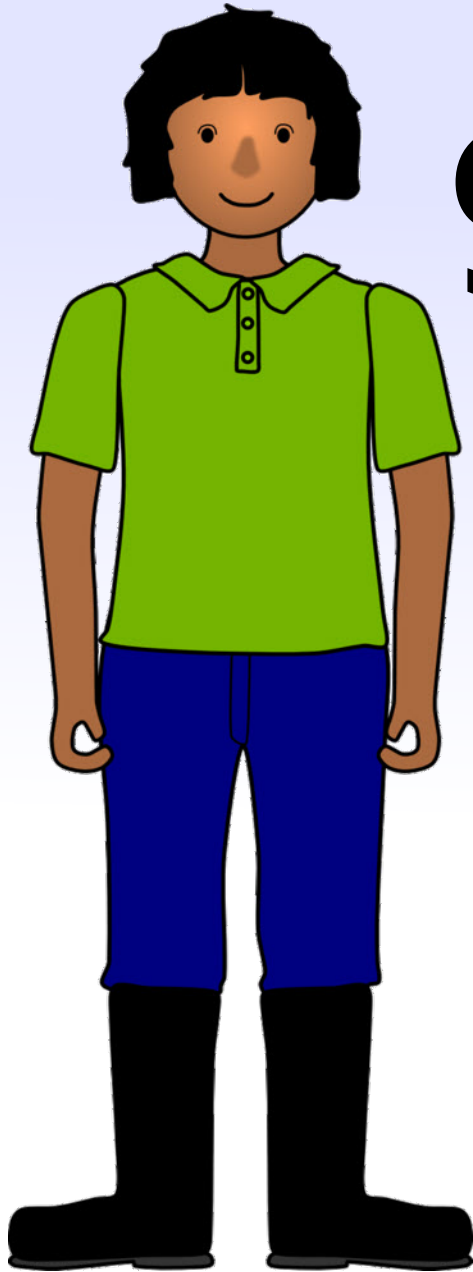

Can you think of other things  
a musician might use?

# window cleaner

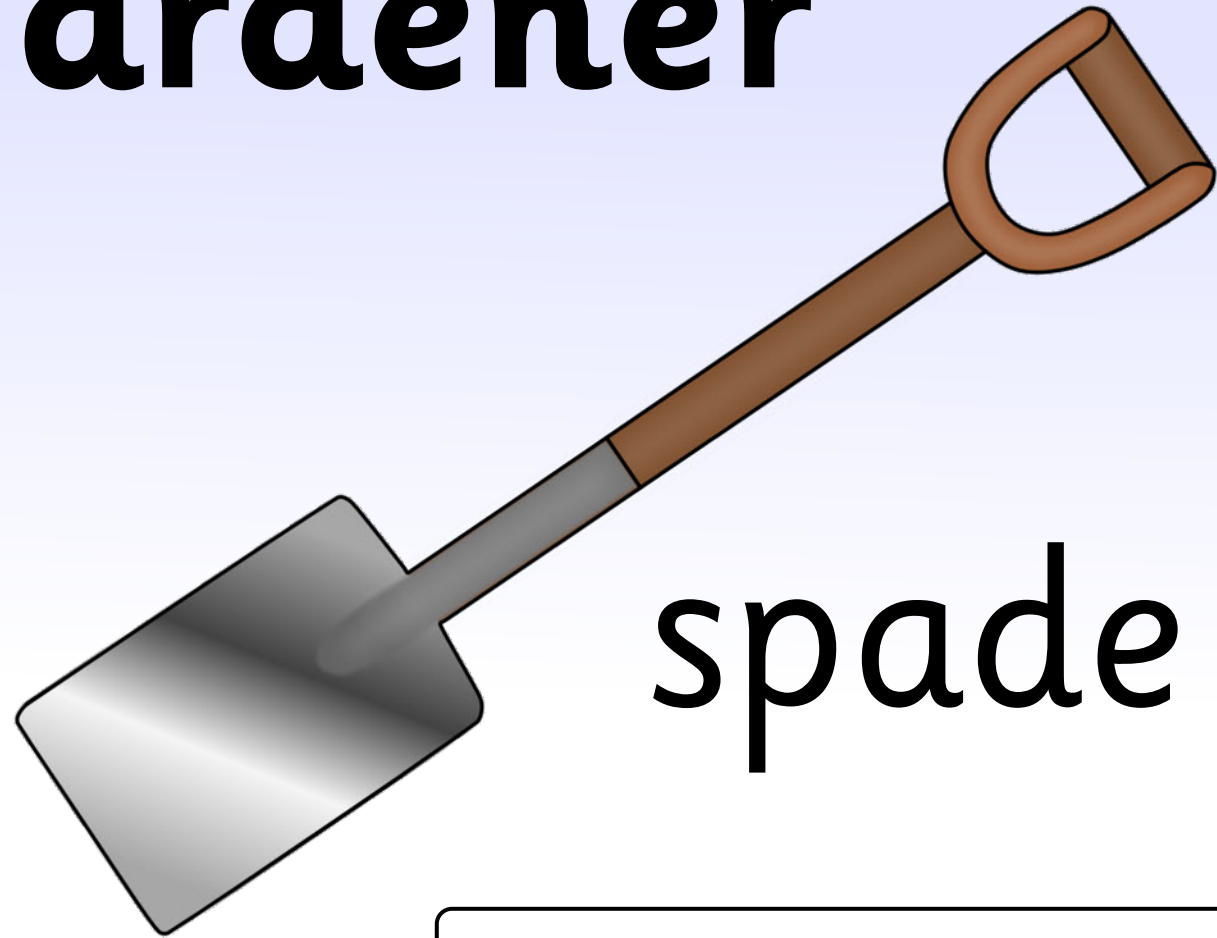

# sponge and bucket

Can you think of other things  
a window cleaner might use?

# gardener

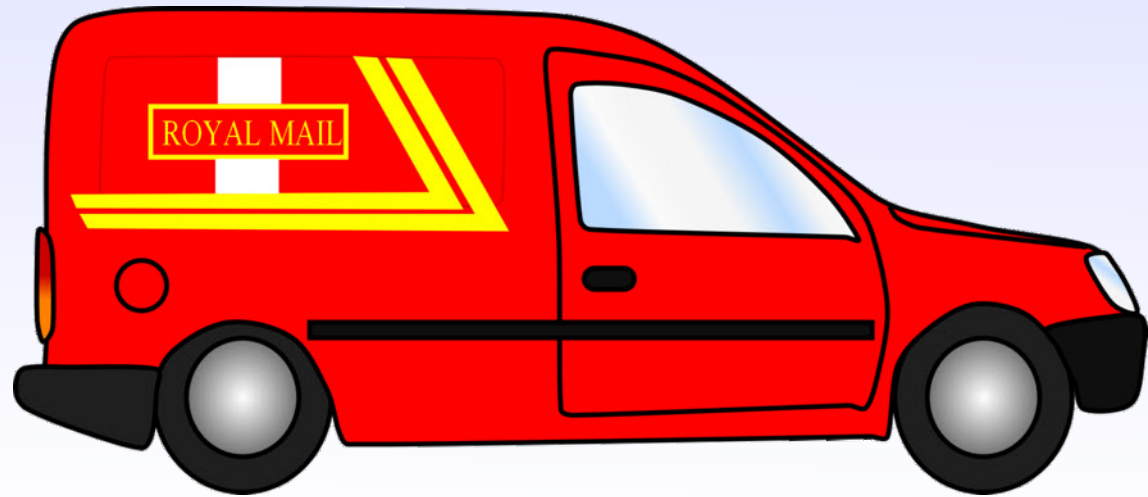

# spade

Can you think of other things  
a gardener might use?

# postal worker

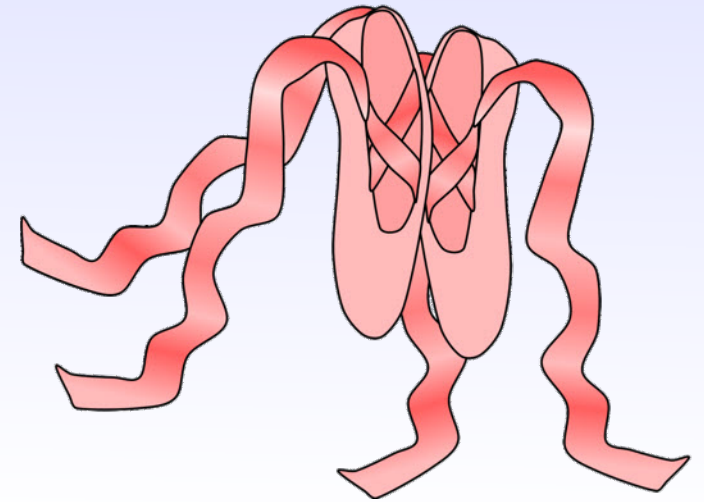

## van

Can you think of other things  
a postal worker might use?

# dancer

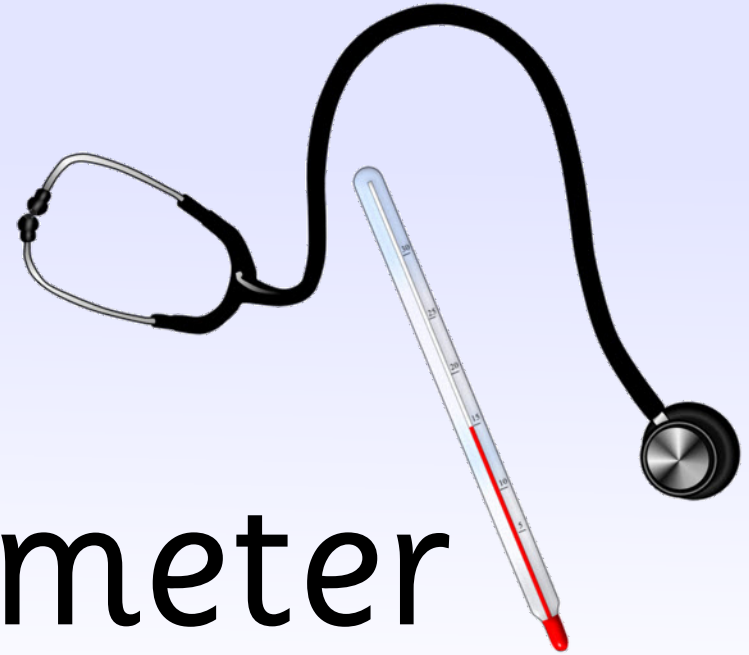

# ballet shoes

Can you think of other things  
a dancer might use?

doctor

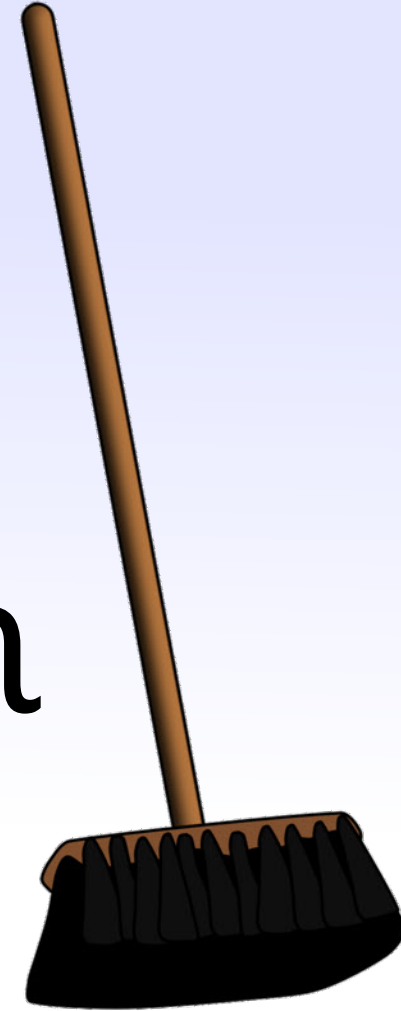

thermometer  
and stethoscope

Can you think of other things  
a doctor might use?

# cleaner

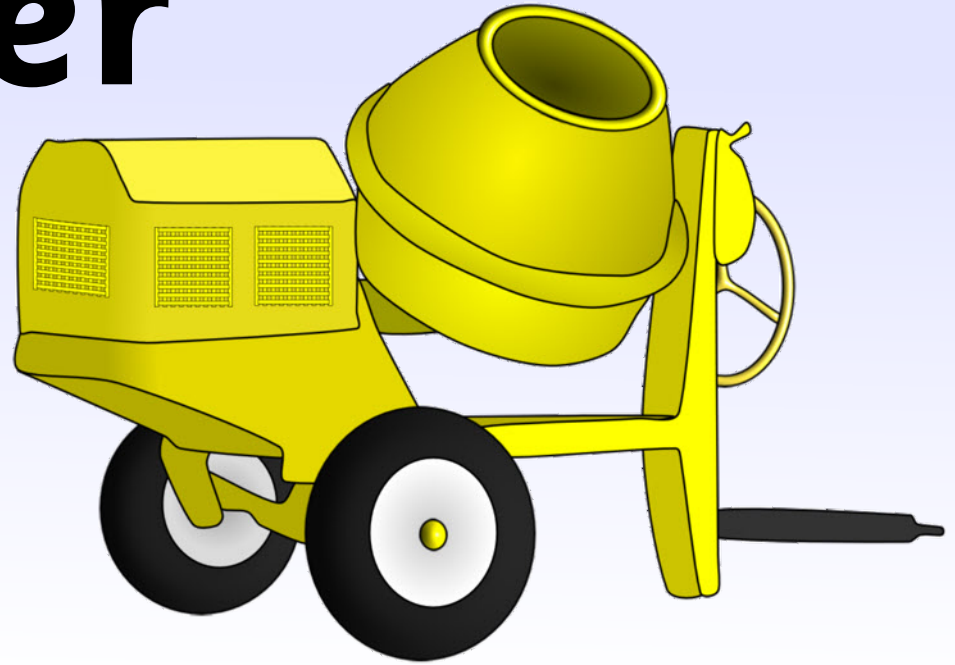

# broom

Can you think of other things  
a cleaner might use?

# builder

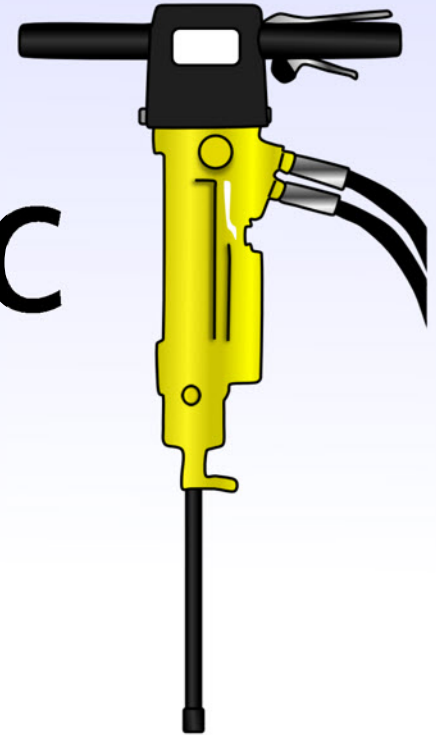

# cement mixer

Can you think of other things  
a builder might use?

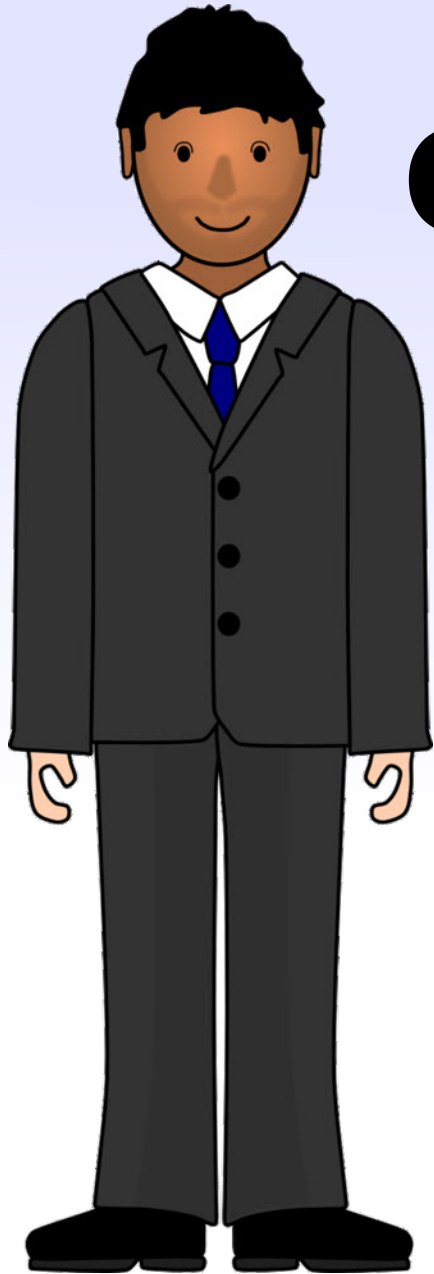

road worker

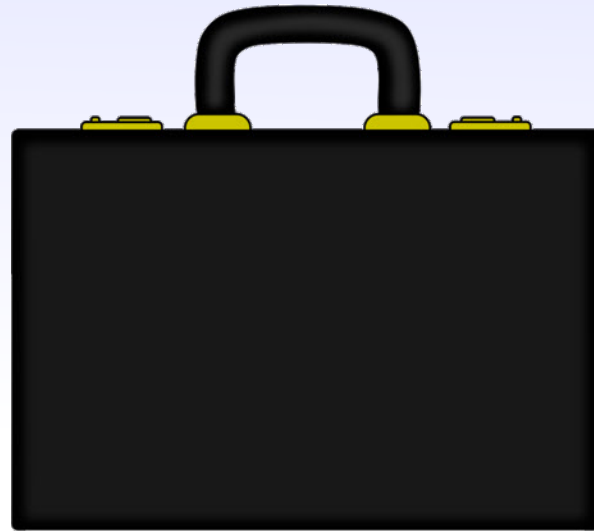

pneumatic  
drill

Can you think of other things  
a road worker might use?

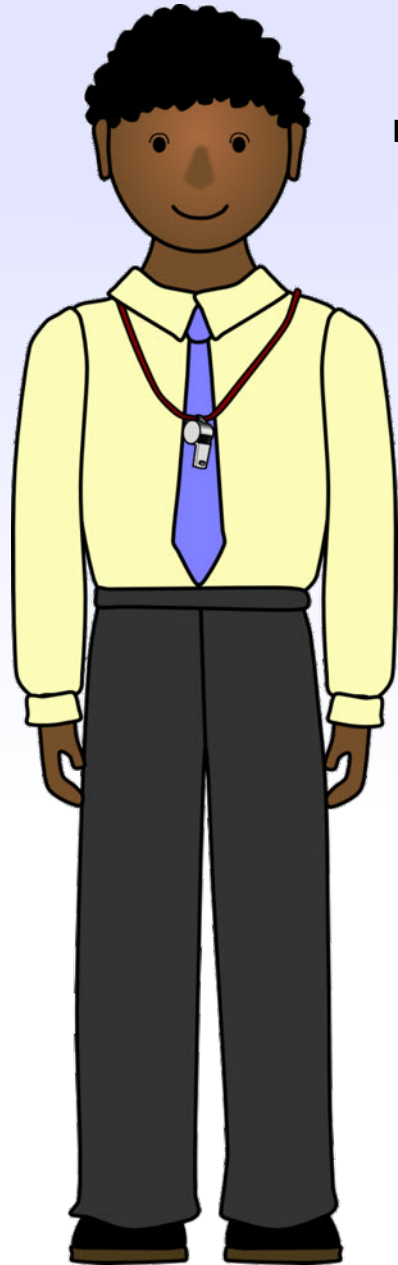

# office worker

# briefcase

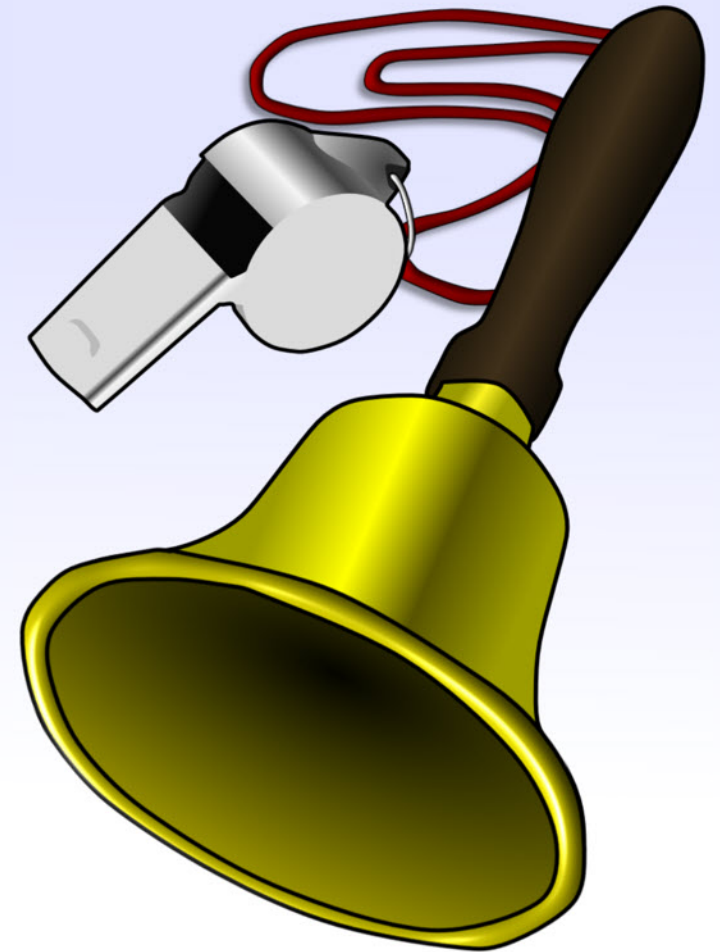

Can you think of other things  
an office worker might use?

teacher

bell and

whistle

Can you think of other things  
a teacher might use?
