Tips for staying safe
when using the Internet

Only use a computer if there
are grown ups nearby.

**When using chat rooms, forums
or online games**

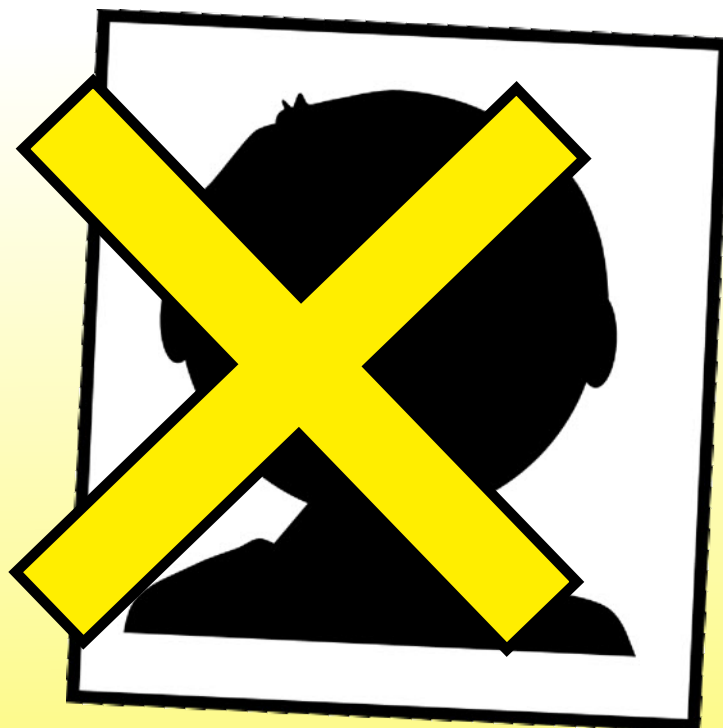

**do not give out any
personal information.**

Keep your full name, telephone numbers,
address and school name private.

When using chat or email
**never send a picture of
yourself to strangers.**

Stay **OK** Online 

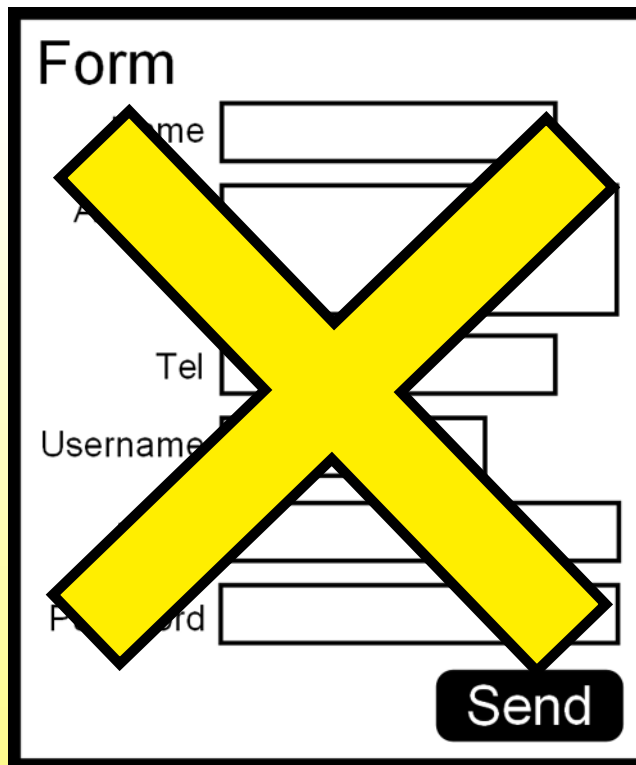

**Never arrange to meet
someone whom you've met
through the Internet
even if they seem really nice or
you think you know them well.**

Don't fill out forms online
without checking with your
parents or teacher first.

**Never open an email from
someone you don't know.**

**It may have a virus or
contents that could upset you.**
