

they're

They're by the wall.

They're astonished!

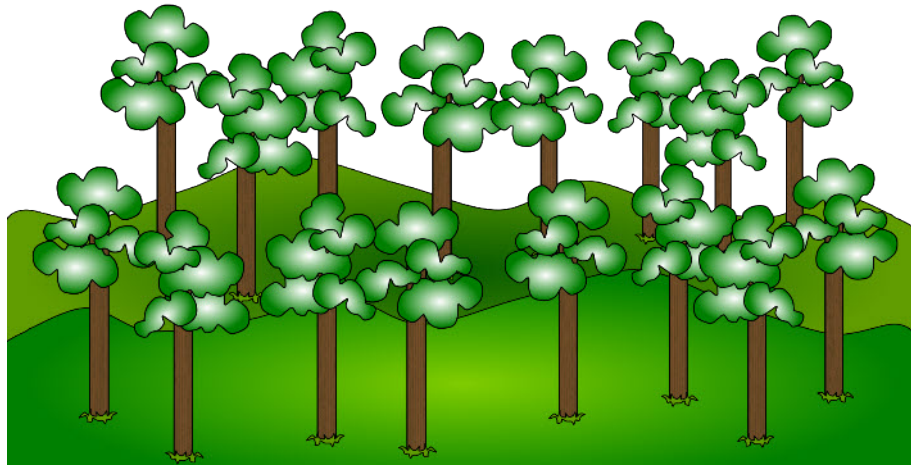

I can see they're in a relay race.

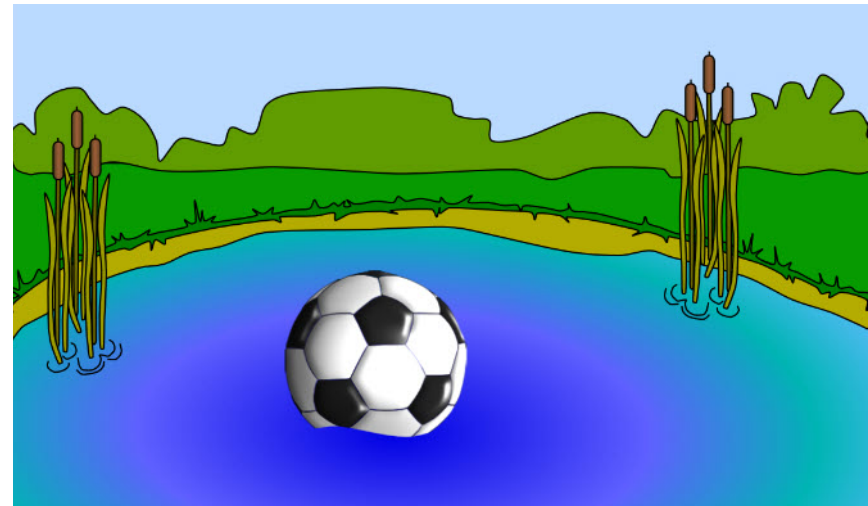

there

The exit is over *there*.

There are sixteen trees.

There is a football in the pond.

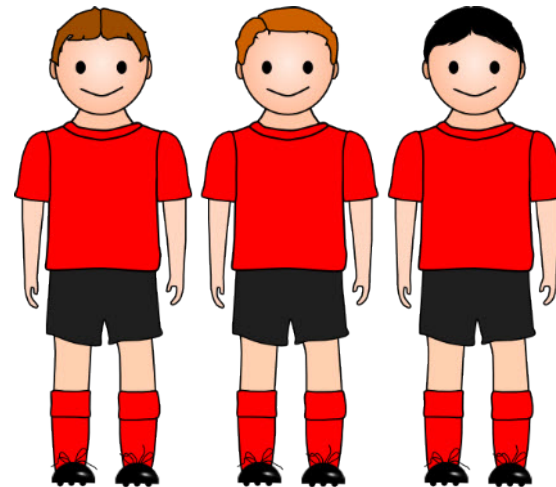

their

They have *their* bags with them.

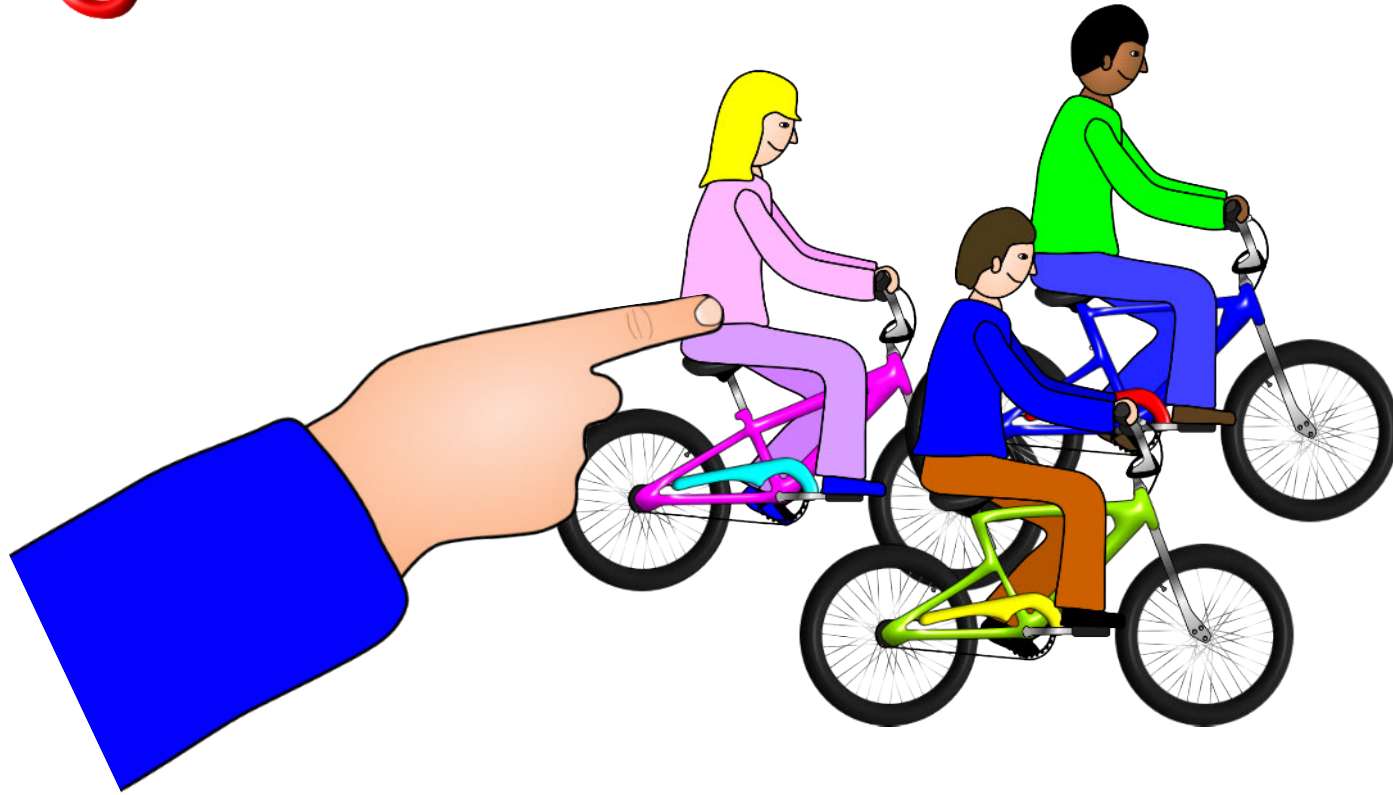

Their food was tasty.

They have *their* football kits on.

they're, there, their

They're on their bikes over there.
