onads Sp

The image features a horizontal banner with a light green-to-yellow gradient background. In the center, there is a blue wavy line representing water. Several cartoon-style figures are shown swimming or floating in the water. One figure on the left has a green cap. Another figure in the middle has brown legs sticking out of the water. A third figure on the right has an orange cap. Overlaid on this scene is large, bold, yellow text with a black outline. The visible text reads "onads Sp". The "o" is partially cut off on the left edge, and the "Sp" is partially cut off on the right edge. The letters are in a rounded, sans-serif font.
