Prime Numbers

31

The numbers '31' are rendered in a large, bold, blue font with a black outline. They are centered on the page and set against a vibrant sunburst background. The sunburst consists of numerous sharp, triangular rays radiating outwards from behind the numbers. The rays are colored in a gradient, with yellow at the base and transitioning to orange and red at the tips.

Prime Numbers

37

The image features the prime numbers 3 and 7 in a large, bold, orange font with a black outline. The numbers are positioned in the center of the page. Behind them is a bright yellow starburst or sunburst graphic with multiple sharp points, some of which are shaded in a lighter orange. The entire scene is set against a white background and enclosed within a thick orange border.

Prime Numbers

Prime Numbers

97

A large, stylized number '97' is centered on the page. The digits are filled with a vibrant purple color and have a thick black outline. Behind the number is a bright, starburst-like graphic composed of numerous sharp, triangular rays in shades of yellow and orange, radiating outwards.

Prime Numbers

101

A large, stylized sunburst graphic is centered behind the number 101. The sunburst consists of numerous sharp, triangular rays radiating outwards. The rays are colored in shades of yellow and orange, with the innermost rays being a bright yellow and the outermost rays being a darker orange. The number 101 is rendered in a bold, yellow, sans-serif font with a black outline, positioned centrally over the sunburst.

Prime Numbers

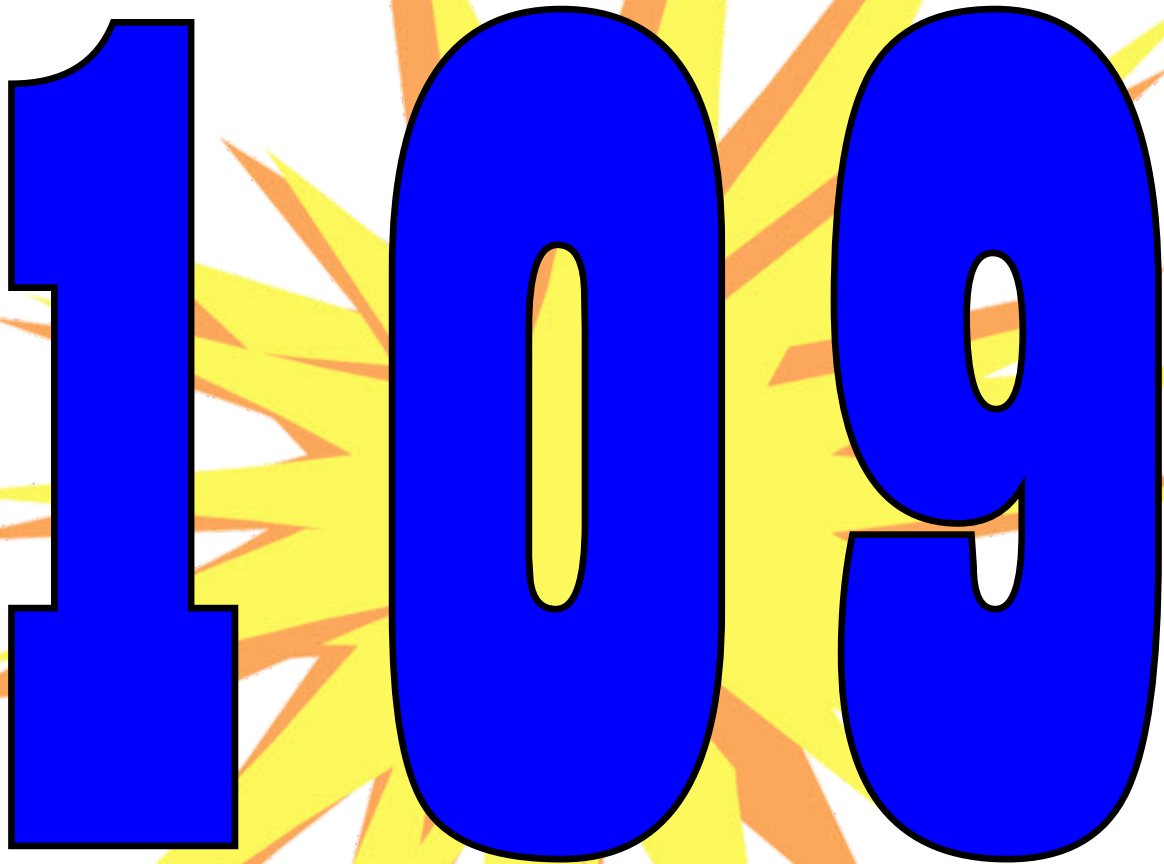

Prime Numbers

107

The number 107 is written in a large, bold, red font with a black outline. It is centered on the page and set against a background of a sunburst or starburst pattern. The sunburst consists of numerous sharp, triangular rays radiating outwards from behind the number. The rays are colored in shades of yellow and orange, creating a bright, energetic effect.

Prime Numbers

109

The numbers 1, 0, and 9 are rendered in a large, bold, blue font with a black outline. They are centered horizontally and partially overlaid by a sunburst graphic. The sunburst consists of numerous sharp, triangular rays radiating from behind the numbers, with colors ranging from bright yellow to orange.
