

**A B O O**

**niginai**

The image features the word "niginai" in a large, white, rounded font with a thick black outline. The text is centered against a vibrant, abstract background composed of various colored dots (red, orange, yellow, grey, and white) arranged in patterns that resemble traditional Aboriginal art. The background also includes soft, organic shapes in shades of red, orange, and yellow. The entire composition is framed by a thin black border at the top and bottom.
