

Commonsense

A vibrant space-themed background featuring a dark blue starry sky. In the upper right, a bright blue planet is visible. In the lower center, a light blue planet with brown continents is shown with a white ring system. To the left, a portion of a brown and orange striped planet is visible. A bright orange comet streaks across the top left. The word "system" is written in large, white, rounded letters with a thick black outline, centered across the middle of the image.
