

A vibrant space-themed background featuring a dark blue starry sky. In the upper left, a bright orange comet streaks across the frame. On the left, a portion of a planet with yellow, orange, and white horizontal bands is visible. In the center, the word "met" is written in a large, white, rounded font with a thick black outline. Below the text, a light blue planet with a ring system is shown. In the upper right, a solid blue planet is depicted. The entire scene is framed by a black border.
