See next page for instructions on how to fold into booklet.

### Instructions on how to fold your sheet.

Don't print this page, it's just for instruction!

1. Trim your sheet around the outer dotted line (marked in yellow).
2. Fold along the centre horizontal line (marked in red below) so that the blank side of the sheet is on the inside.
3. Then fold into a zigzag along the dotted lines so that the cover page is facing you with the fold (marked in green below) is on the left.
