

Once upon a time lived
the Ugly Duckling

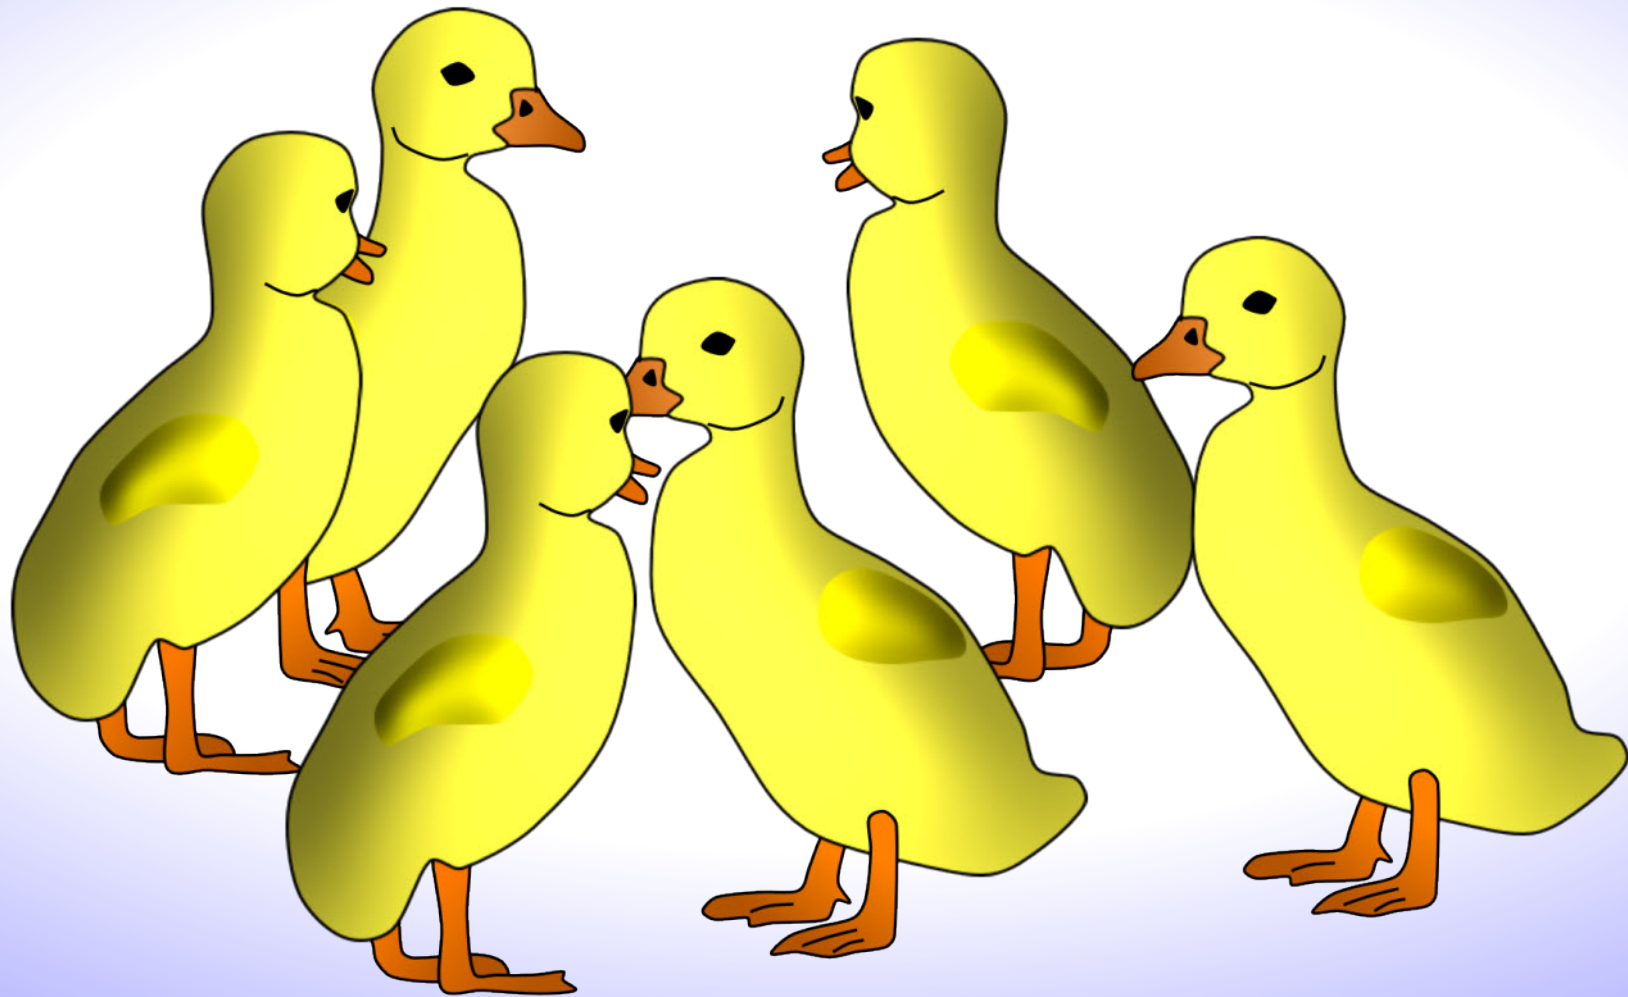

Mother Duck

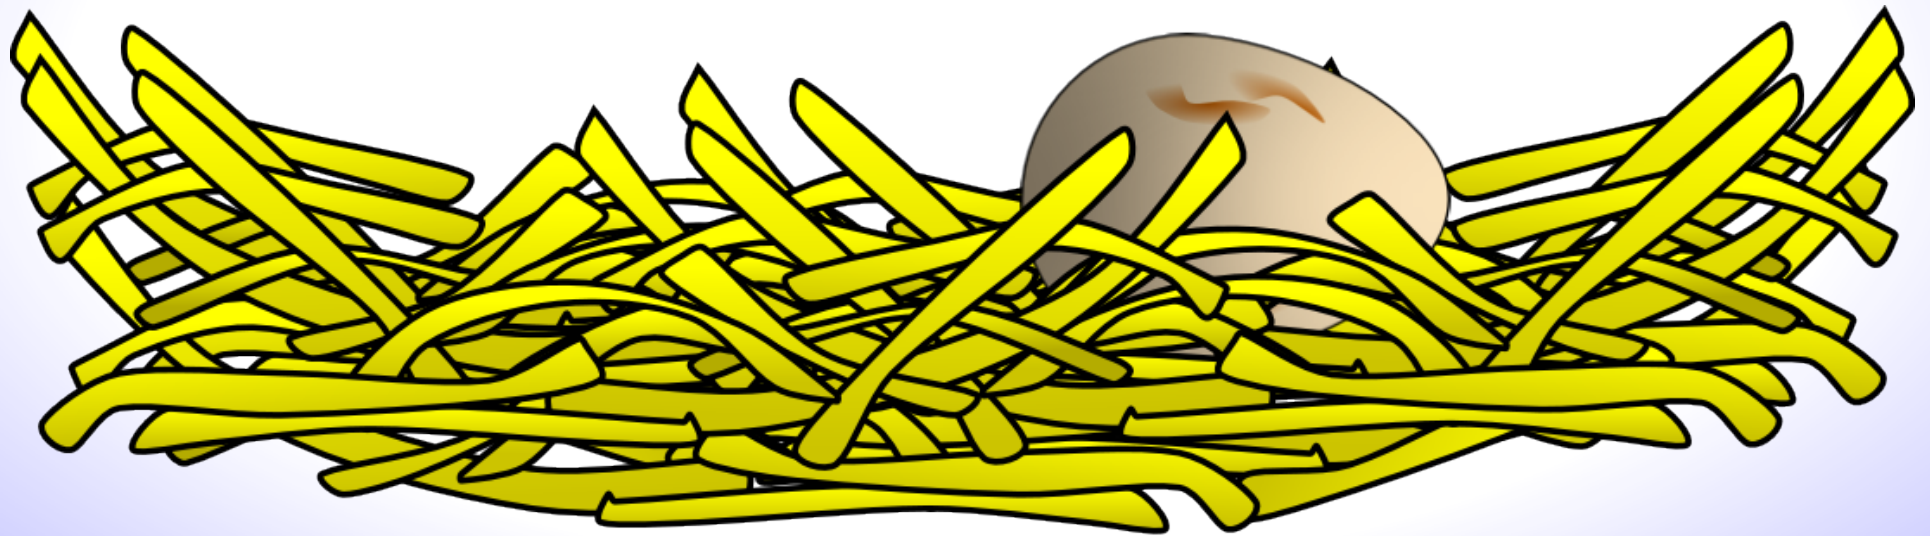

There were 6 white eggs,
and 1 different egg.

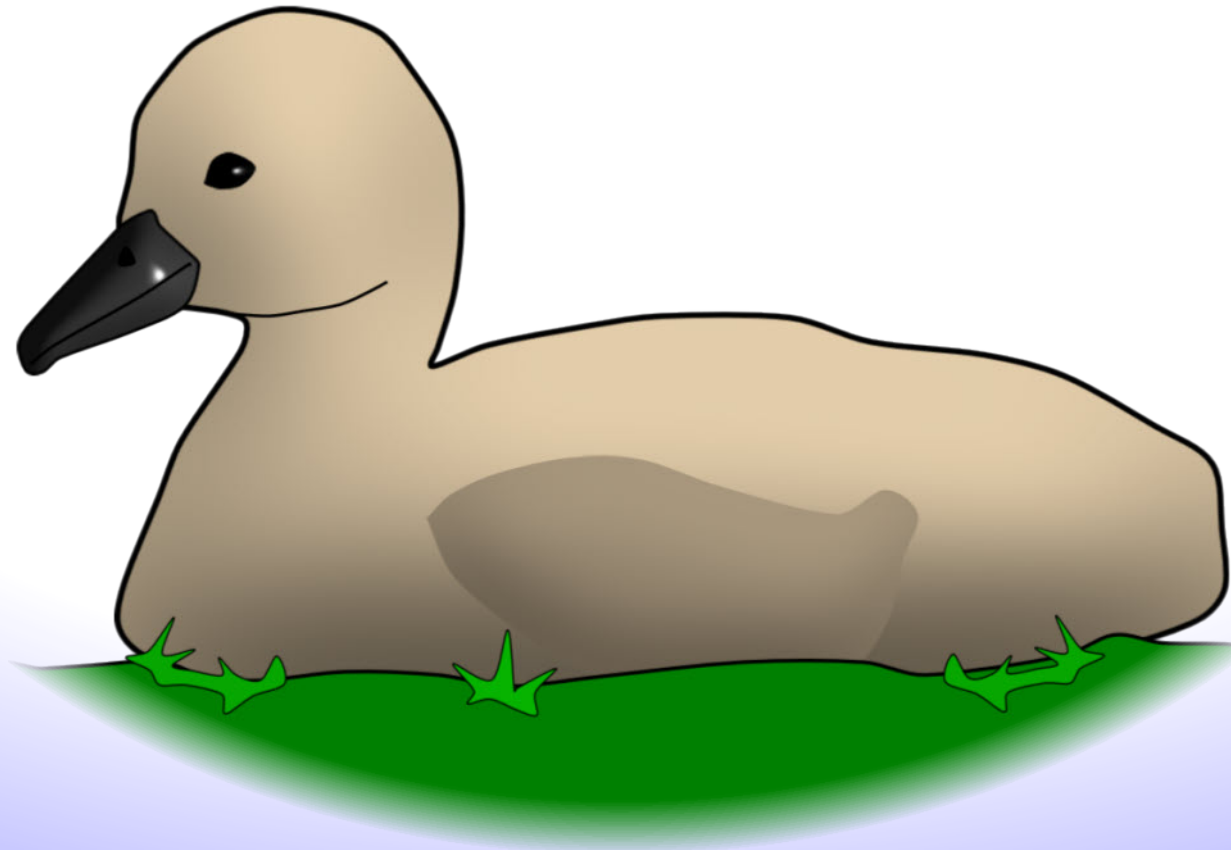

6 ducklings hatched...

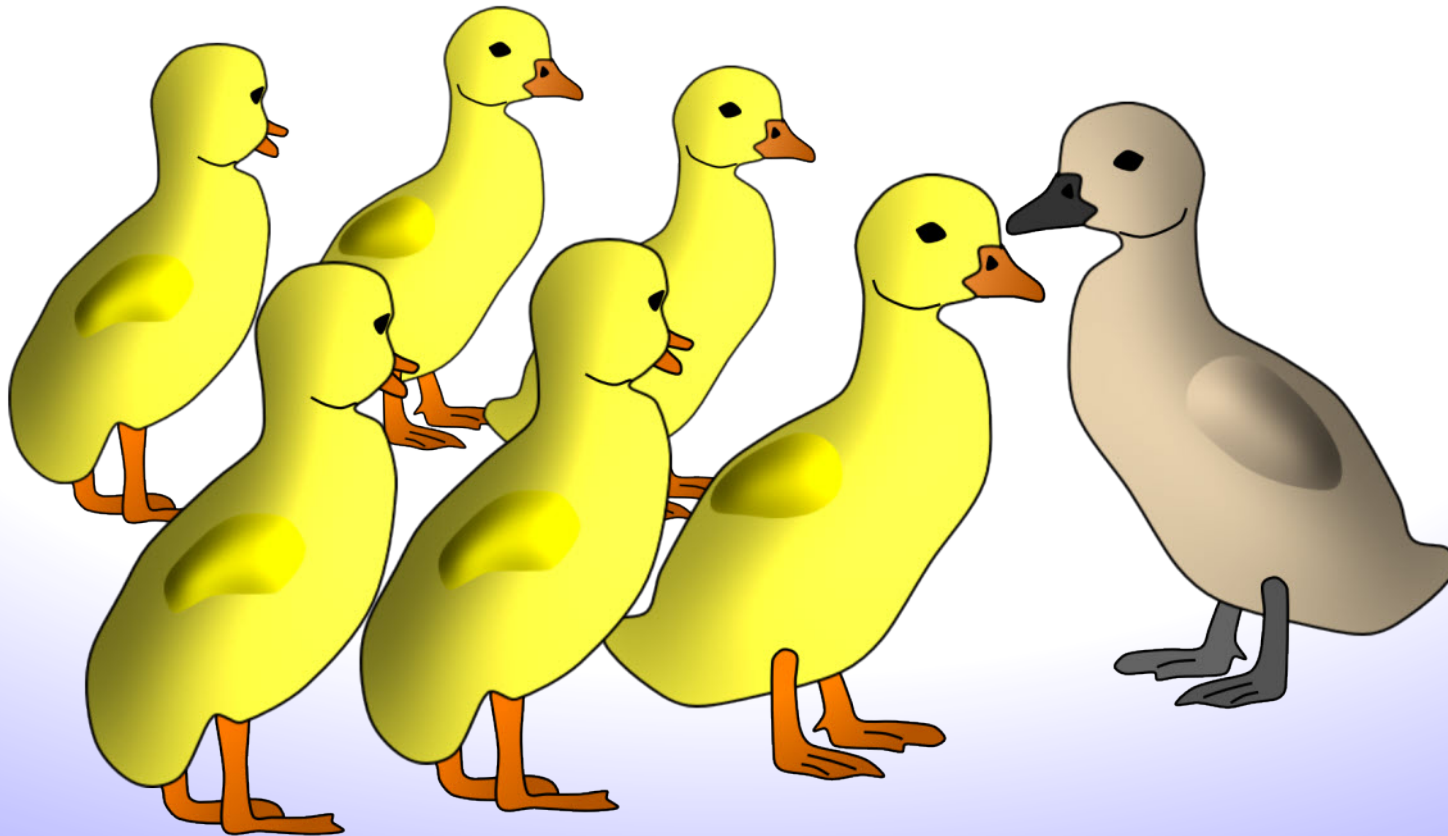

...but one egg remained.

Then the last duckling
hatched.

But he was different from
the others.

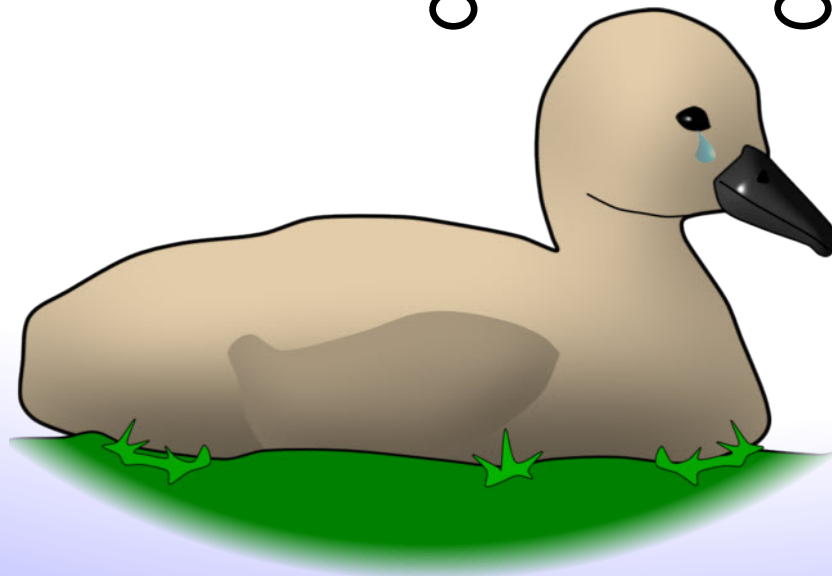

Mother
Duck

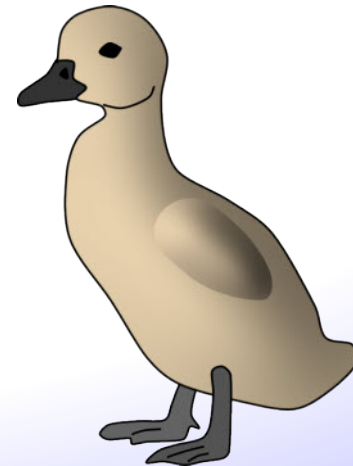

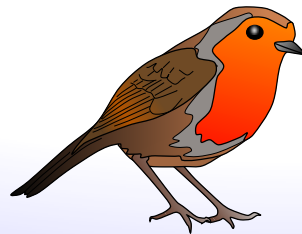

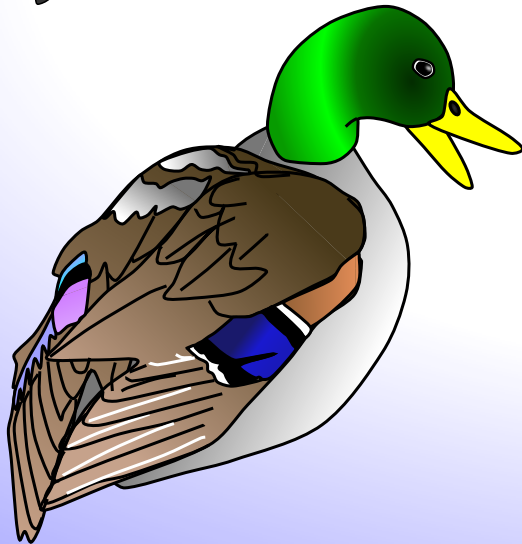

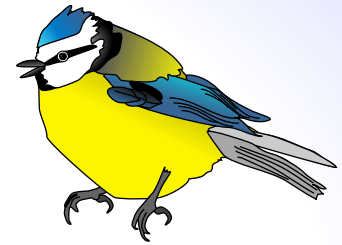

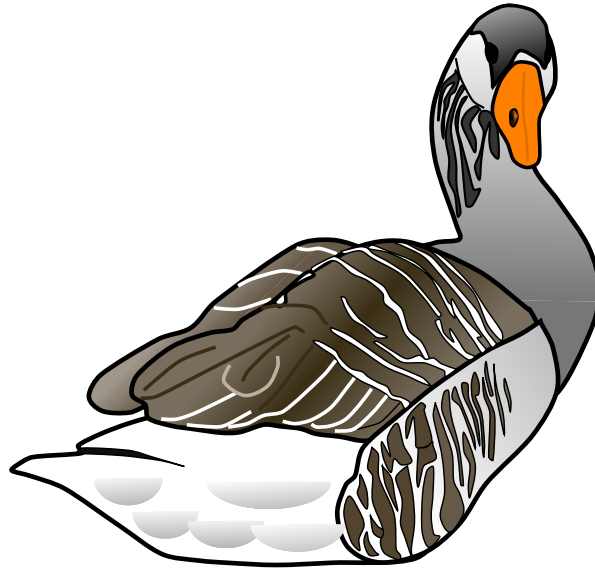

Why are you
different?

Nobody
loves me.

Why am I
different?

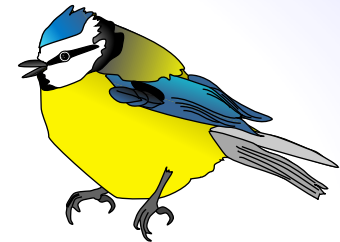

He asked the other birds...

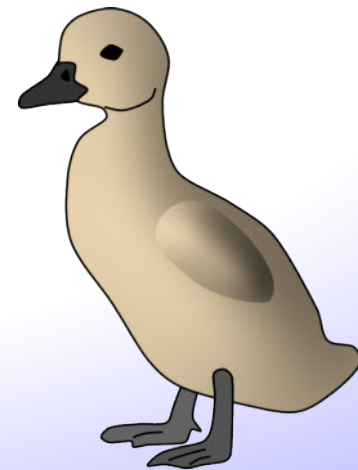

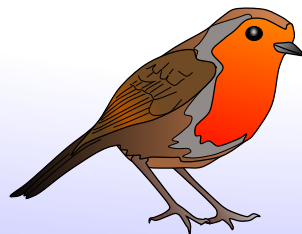

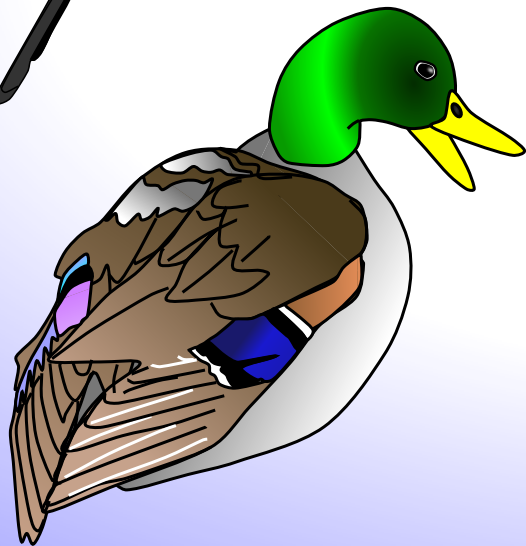

You look strange.

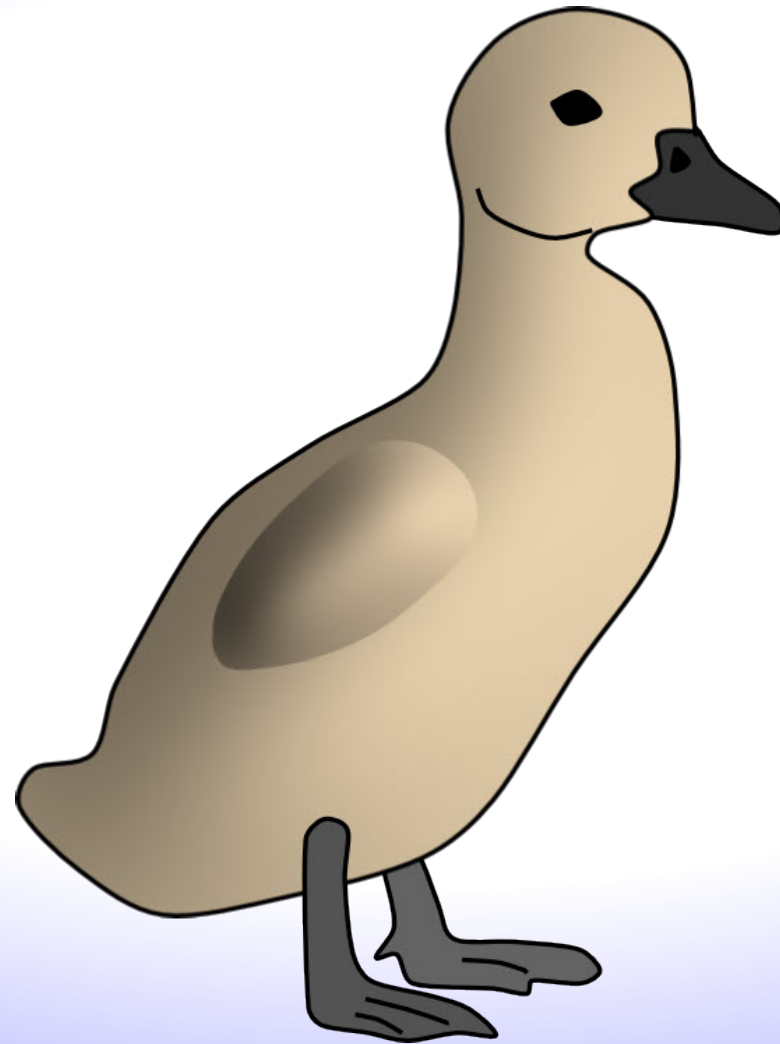

You're ugly.

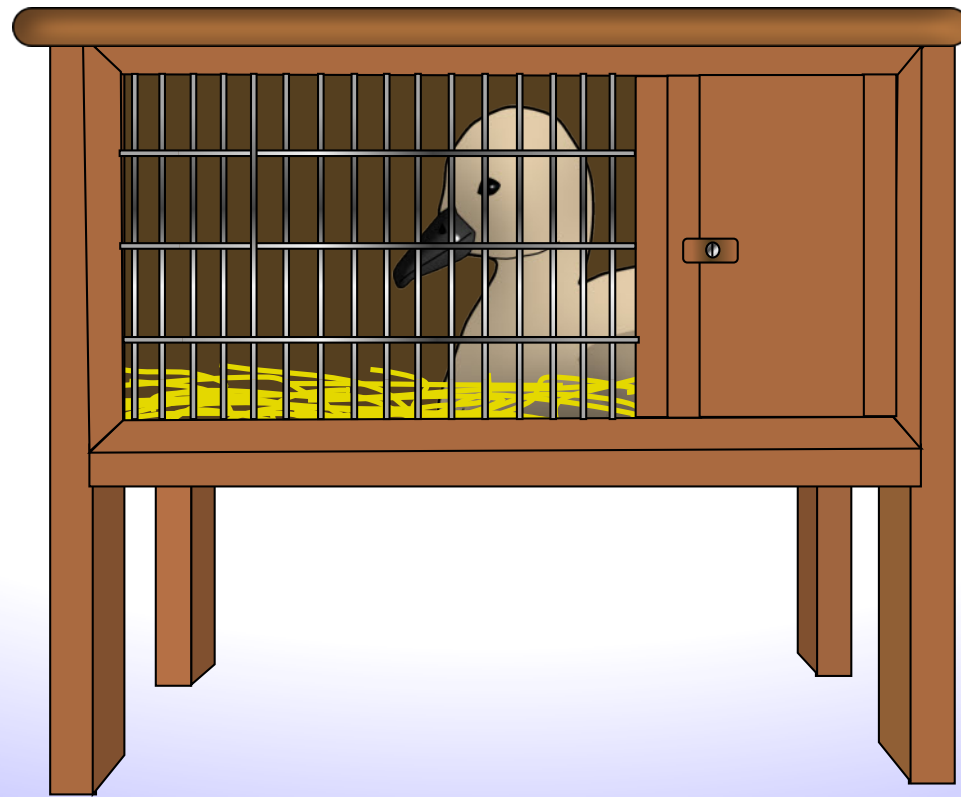

You look odd.

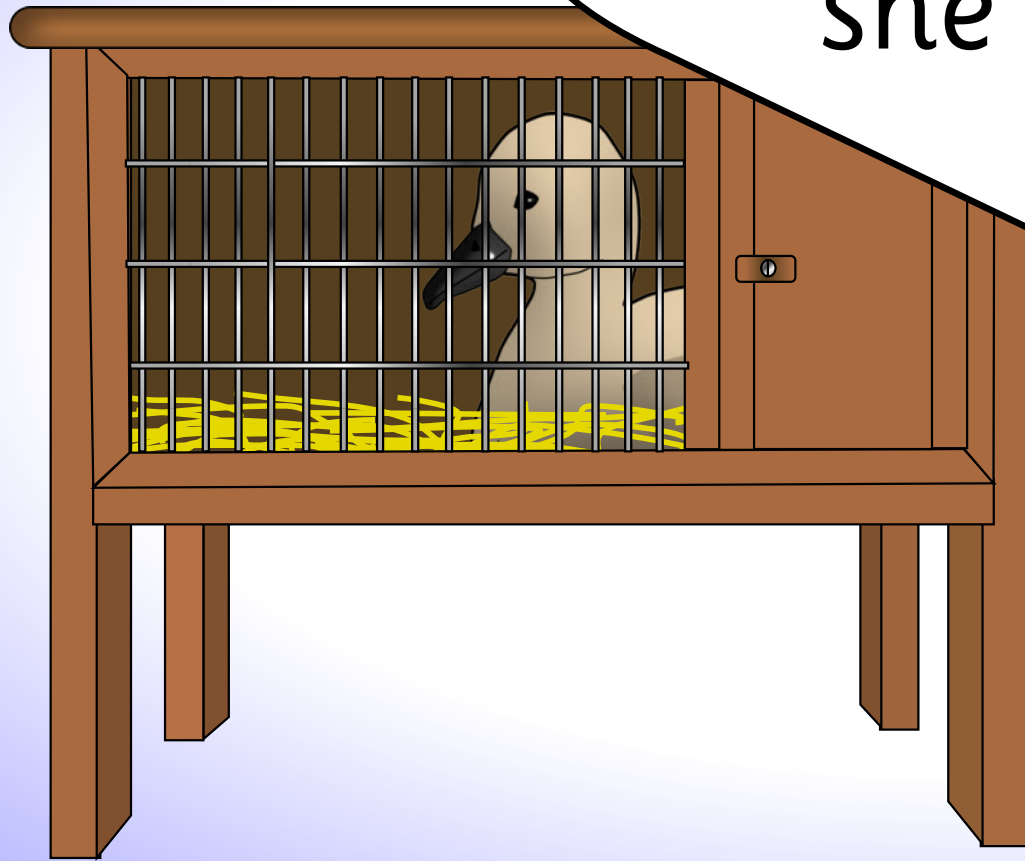

The duckling ran away.

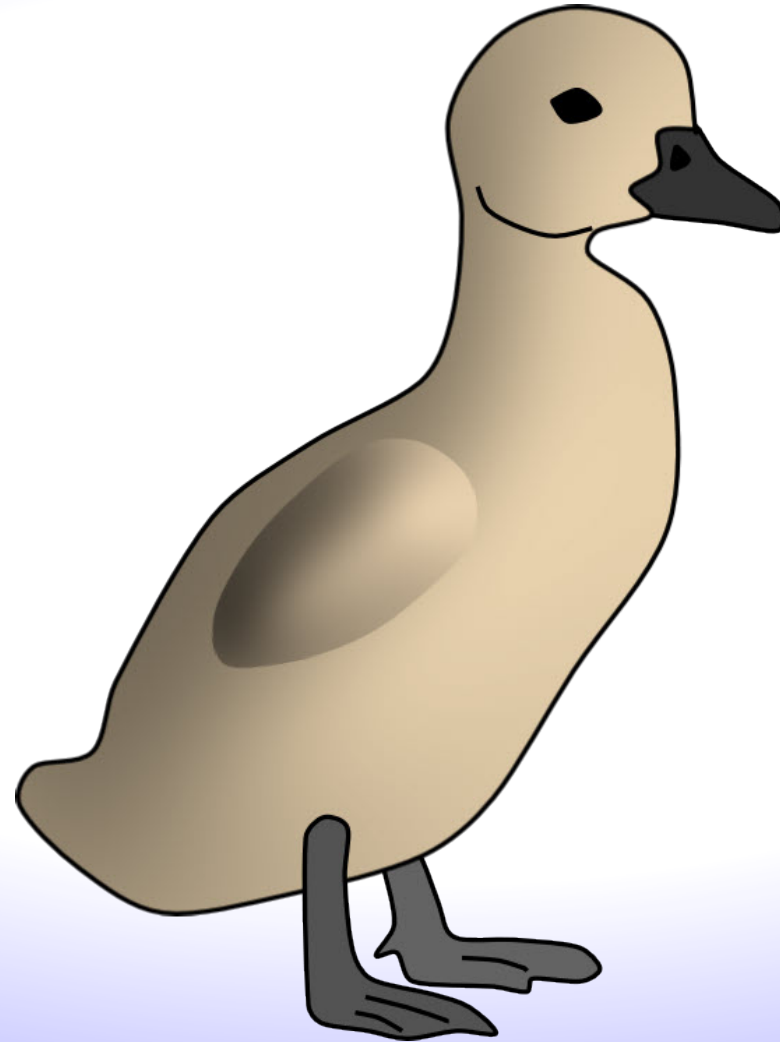

An old woman found him
and put him in her hutch.

If you don't lay eggs,
she'll eat you!

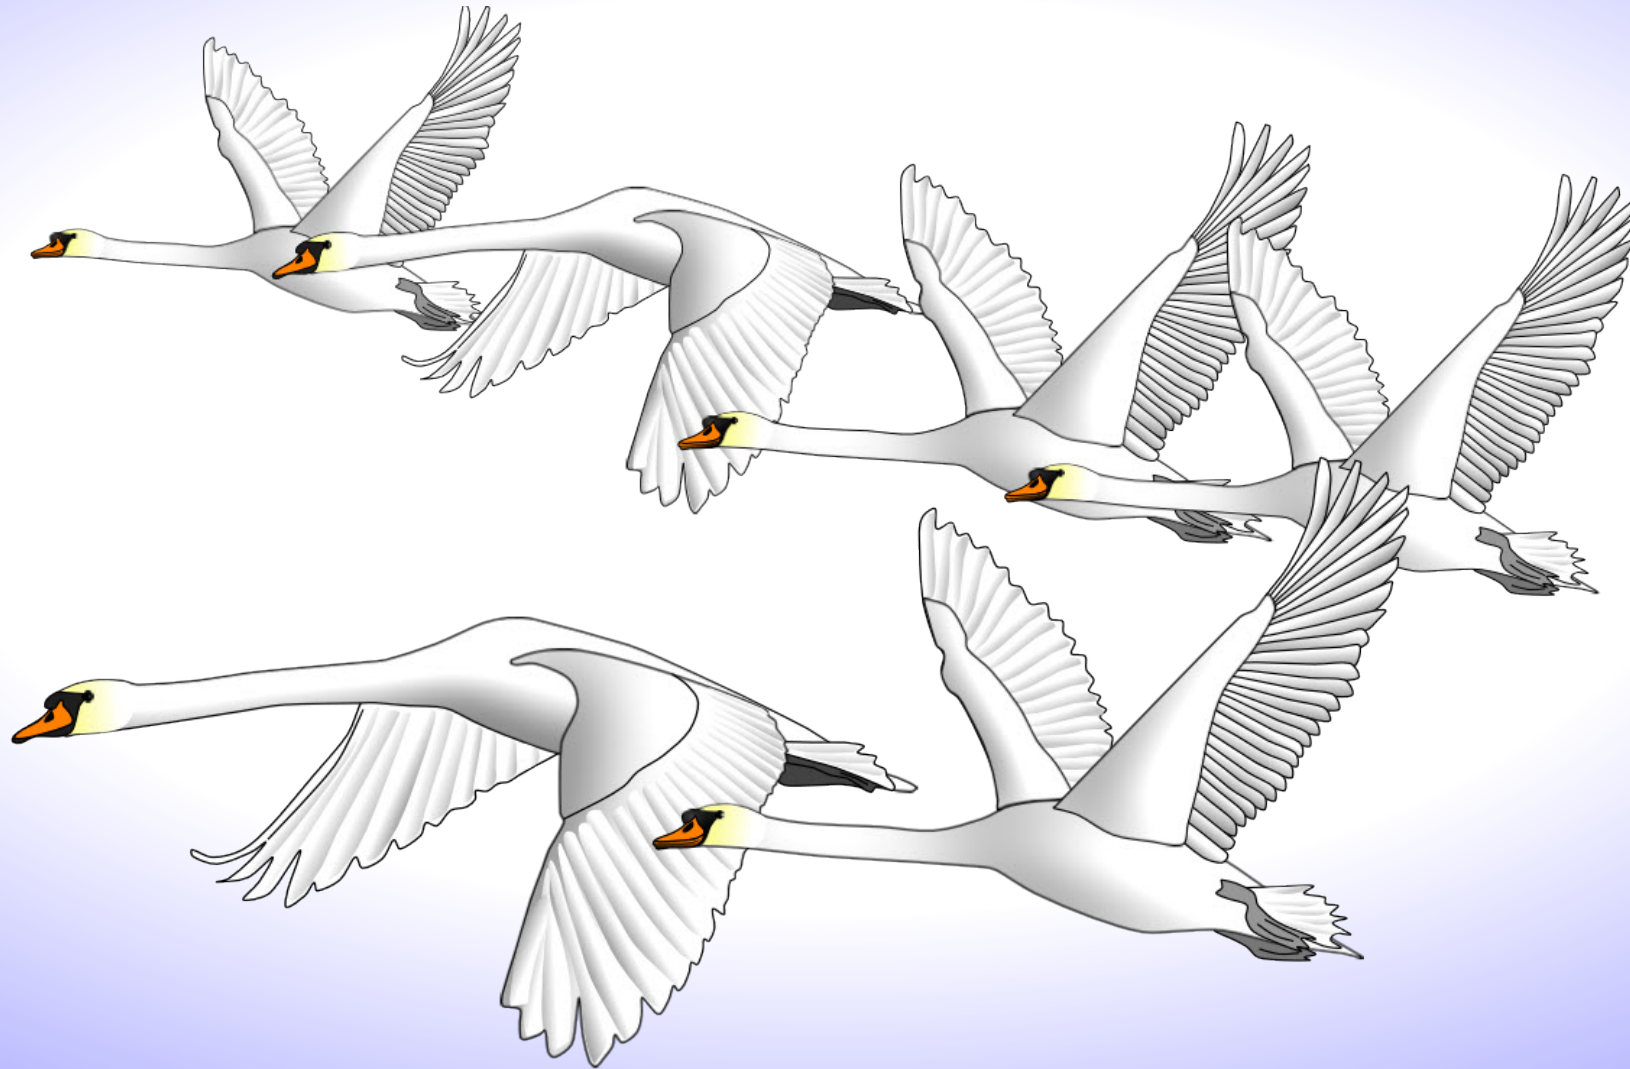

The duckling escaped.

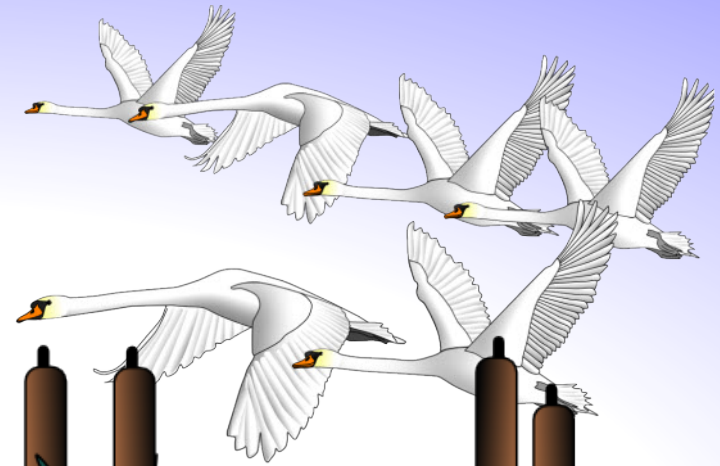

He hid in the reeds.

Some beautiful birds flew above.

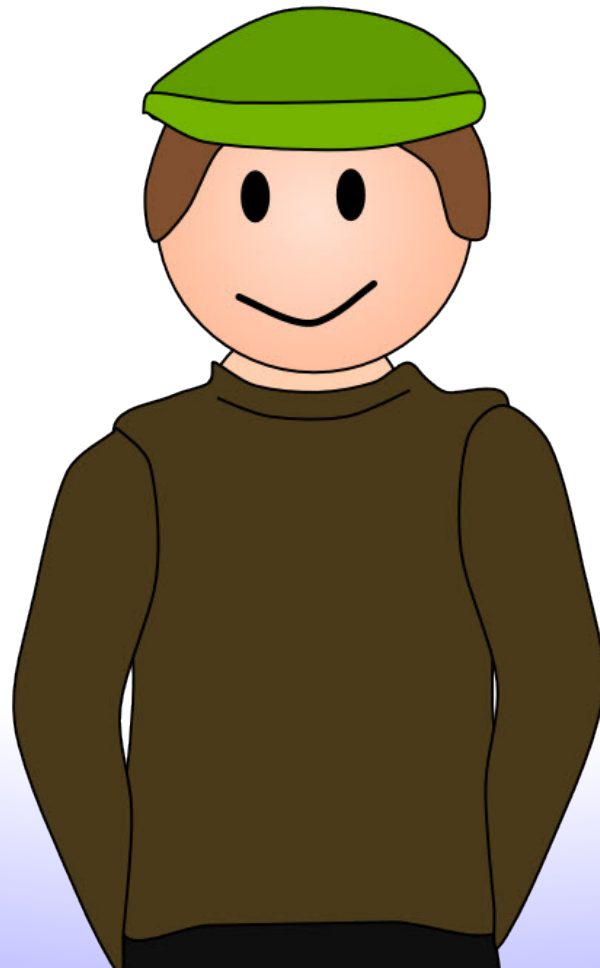

I want to
be like them.

Winter came and he was cold.

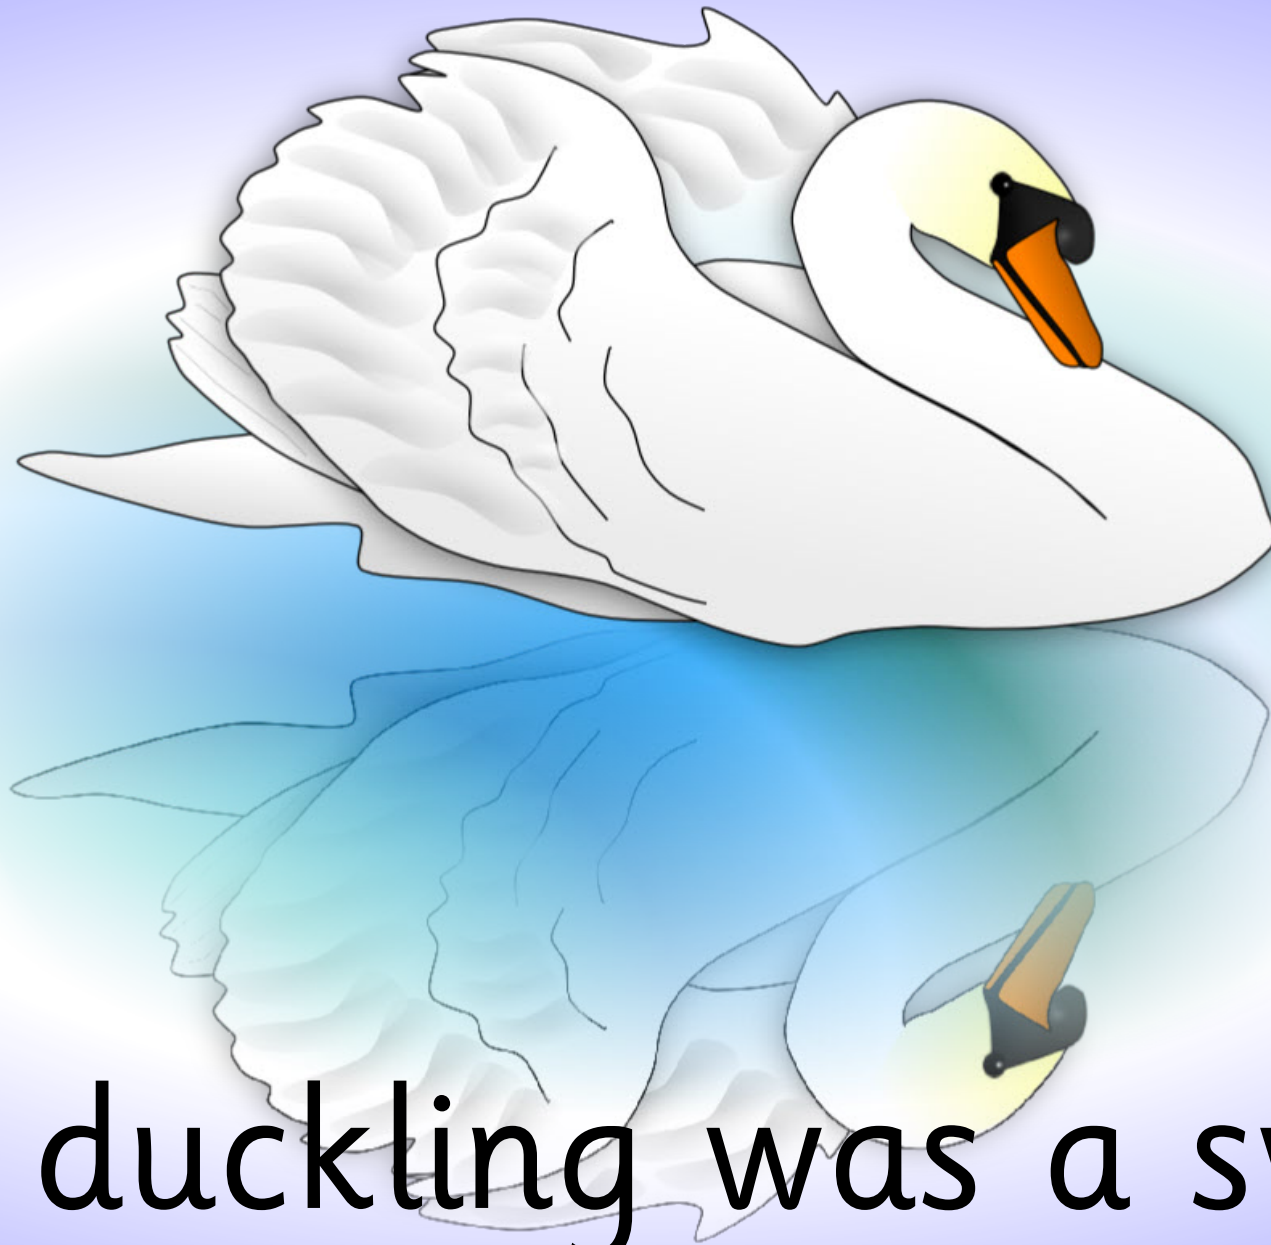

But a farmer found the duckling,
and looked after him until Spring.

The farmer released the
duckling by a pond.

Something amazing
had happened...

...the duckling was a swan!

He soon made friends and was
the most beautiful swan of them all!
