

come

the

mum

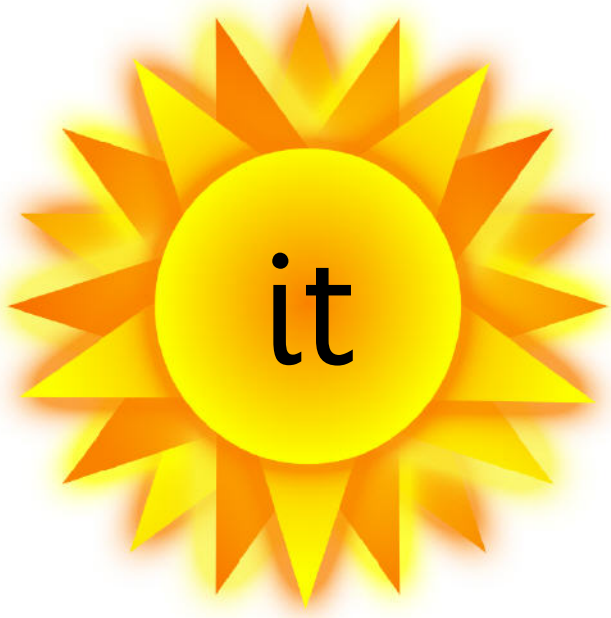

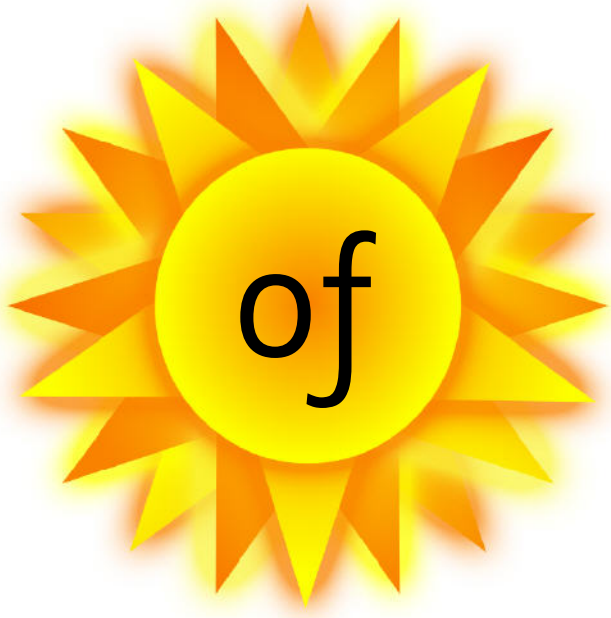

dad

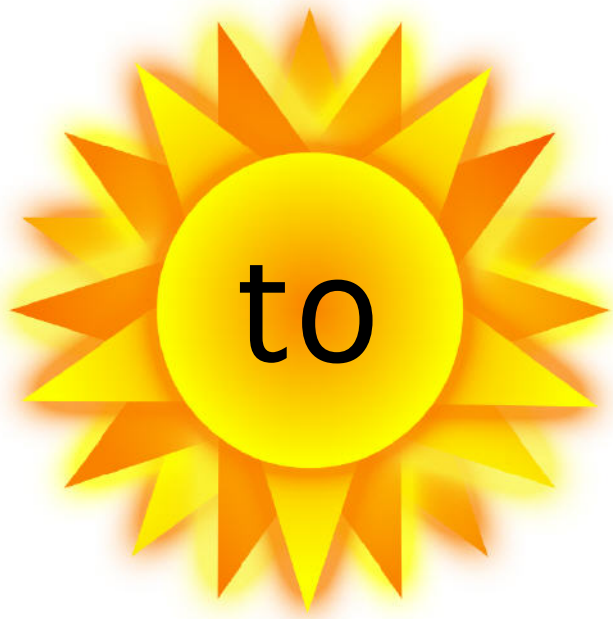

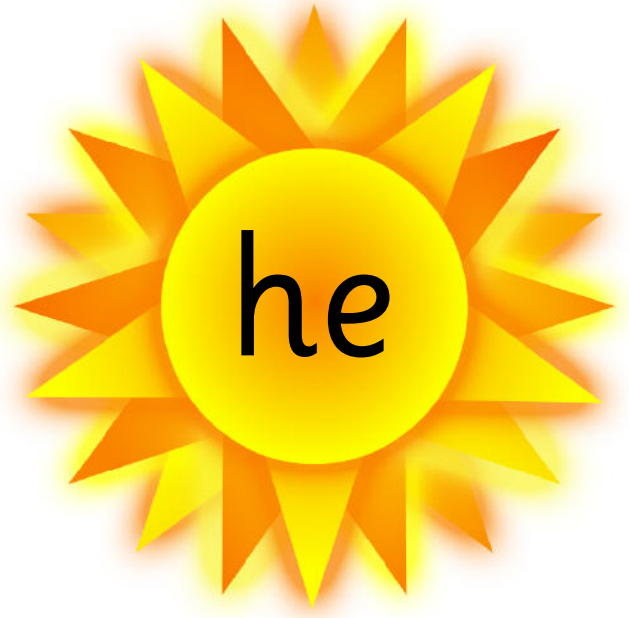

big

went

A bright yellow sun with a circular center and many pointed rays radiating outwards.

this

A bright yellow sun with a circular center and many pointed rays radiating outwards.

they

A bright yellow sun with a circular center and many pointed rays radiating outwards.

play

A bright yellow sun with a circular center and many pointed rays radiating outwards.

am

A bright yellow sun with a circular center and many pointed rays radiating outwards.

in

A bright yellow sun with a circular center and many pointed rays radiating outwards.

day

A bright yellow sun with a circular center and many pointed rays around it.

no

A bright yellow sun with a circular center and many pointed rays around it.

all

A bright yellow sun with a circular center and many pointed rays around it.

was

A bright yellow sun with a circular center and many pointed rays around it.

me

A bright yellow sun with a circular center and many pointed rays around it.

see

A bright yellow sun with a circular center and many pointed rays around it.

yes
