

Traditional Tale Endings

**...they lived happily
ever after.**

Traditional Tale Endings

**...he/she got what
they deserved.**

Traditional Tale Endings

**...he/she was never
seen again.**

Traditional Tale Endings

**...they lived happily
for ever and ever.**

Traditional Tale Endings

**...and now my
story is done.**

Traditional Tale Endings

**...and that is the way
it has been ever since.**

Traditional Tale Endings

**...and now the
story is yours.**

Traditional Tale Endings

...and so it was.

Traditional Tale Endings

**...and so it was,
and so it is.**

Traditional Tale Endings

**...and so the
story goes.**

Traditional Tale Endings

**...and that is how
it is to this day.**

Traditional Tale Endings

**...and that's a
true story!**

Traditional Tale Endings

**...and that was
the end of that.**

Traditional Tale Endings

**...and this was the
story of how
it happened.**

Traditional Tale Endings

**...but that is
another story.**

Traditional Tale Endings

...even to this day.

Traditional Tale Endings

**...if you don't believe
me, go see for yourself!**

Traditional Tale Endings

**...and that was
just the beginning...**
