...they lived happily ever after.

...he/she got what they deserved.

...he/she was never seen again.

...they lived happily for ever and ever.

...and now my story is done.

...and that is the way it has been ever since.

...and now the story is yours.

...and so it was.

...and so it was, and so it is.

...and so the story goes.

...and that is how it is to this day.

...and that's a true story!

...and that was the end of that.

...and this was the story of how it happened.

...but that is another story.

...even to this day.

...if you don't believe me, go see for yourself!

...and that was just the beginning...
