- 4.Sharing of data.
- 5.Messaging.
- 6.Safety, security, control, and processing of your personal data.
- 7.Amendments to the present Privacy Statement.
- 8.Our contact information.

1. Introduction.

Privacy is a fundamental human right. Sport365d.com respects the right to privacy and confidentiality of all users, recognizes the importance of providing reliable protection and security, impermissibility of random access, disclosure, copying, or altering personal information of Sport365d.com platform users. We implement all measures required to protect your personal data.

This Privacy Statement regulates use of collected data. It describes how we collect, process, share, protect, keep, and use the information. We recommend you to refrain from using our platform, if you do not agree with our Privacy Statement. Using Sport365d.com platform means you have familiarized yourself and absolutely agree with this Privacy Statement. We may amend the Privacy Statement, so visit this page occasionally, please.

2.Kinds and sources of personal information that Sport365d.com collects.

We collect information about you while you interact with Sport365d.com platform, tracking your actions with special technologies irrespective of device you use (phone, computer, tablet, or other device). For browsing the information on mobile phones and tablets we offer for use the special version of our website which is optimized and basically processes your personal data. We collect the following kinds of information: demographical (postcode, country), payment information, language settings, location and timezone, profile information, browser type, access time and so on.

Information we collect automatically:

Location information. We can collect data about your current location via unique

network address of node in computer network built over IP protocol (IP-address) as well as by using location technologies (e.g., sensors in your devices). Location data types partially depend on your device. You can manage geolocation (turn on and off) on mobile phones and tablets by yourself.

User actions. We collect data about your visits to Sport365d.com platform: information on pages you have browsed, videos, actions performed (requests, clicks, fields filling and others), browser used, interaction with other users, searches, information from the content you provide, about system failures.

We use Google Maps on our platform which shows interactive maps. Google collects user data. Please, familiarize yourself with Google Privacy Policy to learn about collection and storage of your information.

Information about user device. We collect data about the type of device you use (phone, tablet, computer, TV, or other device), whether you have an account on Sport365d.com platform, whether you have logged in your account on Sport365d.com or not. We can receive information on characteristics of user device such as data about hardware and software version and so on.

Payment information. We collect all necessary information on payment transactions (information on the transaction itself, amount, date, time of payment and others). In case when additional information is needed, we will ask you for it. We do not process your payment information, transactions processing systems save some of your information. Treatment of such information is regulated by rules of corresponding payment systems. Please, familiarize yourself with their Privacy Statement to learn about how they use your information.

Cookies. Cookies are small text files that help to identify a computer, browser, or device. They remember your settings (currency, language, login credentials) and store the information about device, browser type, IP-address, data about operating system, Internet carrier, system failures, content you view. Some parts of cookies are 'session cookies' and are deleted when browser is closed. Part of cookies are stored on your device after the browser is closed until the moment you delete them or till their lifespan ends. We can use them when accessing our resource next time so that you do not have to fill your login credentials once again.

Other technologies. We may use:

1) "Flash-cookies" files to enhance user experience, remembering and storing of settings and other useful information, data collection.

2) Web beacons (web bugs) to track actions performed (visits to certain pages or opening of emails, obtain other statistical website data).

3)Server logs. We can collect, record and store information with the help of server logs. When you interact with our platform, we store data about use to provide proper functionality of our platform. It is impossible to identify a specific person by it.

4)Pixels and SDKs. They allow us to advertise Sport365d.com on third-party websites, obtain information from which of third-party servers you went to the site. Some analytical services provide us with your data for analytical work (e.g., Google Analytics). When using their technologies, other services may track information from Sport365d.com platform and use this information to show ads. Some browsers may delete or restrict the possibility of cookies use. In most cases browsers allow to manage cookie-settings, please read about this in information support of your browser. Pay attention that browsers may at every moment change accessibility and working peculiarities of settings. In case you deny cookies or use blocking means, some segments of Sport365d.com may function improperly or be inaccessible.

Sport365d.com uses cookies, web beacons, pixels, Internet log files and other technologies in order to:

1. Identify a user and provide the possibility to interact with Sport365d.com platform.
2. Track the most popular functions, provide the best user experience and develop Sport365d.com services, structurize user interface.
3. Collect statistical data, control and analyze functioning of Sport365d.com services.
4. Show suitable ads to you and assess its efficiency.
5. Provide security and safety of your account, detect attempts for unauthorized access.
6. Fight deceitful practices, prevent breaches to the current Privacy Statement and other our agreements.
7. Control execution of legal agreements that allow Sport365d.com services to function.
8. Enhance interaction with users and render support.

Information from other sources:

Social networks. By agreeing to registration/authorization via social networks, we release you from additional registration procedure. If you agree to use Google or Facebook account to interact with Sport365d.com, look through the information on how Google and Facebook use data collected. We automatically receive access to certain personal information which are stored in social networks. Every social network site has privacy settings. By connecting the account controlled by the social network site to your account and allowing access to such information to us, you express your consent with that Sport365d.com may collect, use and store data from such social networks sites in accordance with the present Privacy Statement. We may use this information to understand you better for upgrading our capabilities, to offer you sales promotions, products, and services.

You are held fully liable for that information, indicated in social networks and profiles via which registration/authorization on Sport365d.com platform is performed, is correct and full.

Sport365d.com users.

You submit personal data of other people, when you add staff and its services. It is important to note that such submission is allowed only with consent of these individuals. Individuals whose personal data is submitted by you should be aware of the way we process their personal information according to the present Privacy Statement. If you are invited to Sport365d.com, people who have invited you may submit your contact information to us (phone, e-mail address or other).

3. How does Sport365d.com use information?

Sport365d.com may use collected data for different purposes, e.g.:

1.Account:

You may register by creating a profile(account) on Sport365d.com platform as well as to change settings. When using Organization/Individual profile (account), you may leave your contact information. Sport365d.com uses information you fill in to manage the profile (account). You can search on the site without creating a profile

and without logging in.

2.Services:

Our goal is to constantly analyze how our platform functions to make it to clear and easy-to-use to the extent possible. We use information on how Sport365d.com functions to assess the efficiency, to support and enhance our services. We add new functions and possibilities which can interest you. When you search on Sport365d.com platform, we analyze your region, IP-address and offer services to you. Sport365d.com platform includes messaging function that provides users the possibility to communicate with each other. We use personal data to detect and rectify problems connected to our platform, to optimize the operation.

3.Creating new products:

Sport365d.com may use your personal data to create non-identifying information. We may use personal data together with non-identifying information or alone, information from third parties and from other sources when designing and creating new products, platforms and services.

4.Communication support:

We use your personal information for the purpose of providing different maintenance and support services. To communicate with you, we may use postal service, e-mail, phone. Conversations with our employees may be monitored or recorded for quality upgrade, training, preclusion of deceitful practices, legal purposes.

5.Safety:

We use your personal information to detect and prevent illegal acts, deceitful practices, prevent spreading of spam, malicious actions, settle disputes, provide execution of agreements with third parties and terms of the present Privacy Statement. We may share your personal data to third-party service providers for the same purposes. Our goal is to make Sport365d.com safe and reliable to use. We may restrict, block and not show some information in order not to let wrongdoers make harm, prevent breaches of the law. We may send you technical reports, messages of technical support, notifications.

6.Marketing:

Sport365d.com uses your personal data to achieve advertising and marketing purposes. We study demographical data of users to reveal their interests and preferences, which will help us to make our services even better. We may send advertisement messages via e-mail, you can unsubscribe from such emails. We

analyze parameters and preferences for mailing of promotional, marketing and other information. We may inform about and invite you to events, tell about other options.

7. Payments:

Sport365d.com uses your personal information to make payments. For example, we process user payment information when providing the fee-based service. Payment information is used to provide the possibility to third parties, payment service providers to prevent deceitful practices, suppress breaches of the law, meet payment processing conditions and other payment procedures, detect and prevent money laundering, improve payment services. Payment service provider may request an identity document, other information or documents for checking purposes.

8. Legal requirements:

We have the right to use your personal information to settle disputes, execute a judgement, pursue investigation required by law-enforcement and other authorities having respective competencies, to prevent breaches of the law, harm-doing. Sport365d.com uses your information in the legitimate interests. We have the right to store and use your personal information to meet the legal requirements, not to allow re-registration on Sport365d.com in the future of the user that has been blocked for deceitful practices. Period for retaining personal data depends on the duration of your relations with Sport365d.com, the presence of legal obligation to store your data which we are to execute, practicality of storing in relation to our legal position. You voluntarily place information on Sport365d.com platform. Copies of your personal data will be deleted with certain delay. For providing Sport365d.com operation, we may store, process and share your information to partners and service suppliers of other regions. Law there may differ from the law of the region you live in. Sometimes administrative, law-enforcement authorities and security agencies may have access to your personal information.

9. Personal data belonging to children:

- We collect data about children who are under 16 only if they represented by their parents or guardian, custodian (with their consent). If we become aware that personal data has been submitted by individuals under 16 years old without consent of a parent or guardian, we will delete it immediately.

• 4. Sharing of data.

When using Sport365d.com, you permit us to share and use information within

your country and abroad.

There are cases when we share your information with third parties(outside organizations), e.g. those that provide services:

1. in maintenance of our services, e-mail services, IT-services;
2. when making payments and refunds(we may share information about you to financial organizations to prevent deceitful practices);
3. in market research, marketing services;
4. advertising activities (if that does not break the law, we may depersonalize some information and use it for analytical purposes, for marketing and promotion).

We have the right to share your personal data to provide security, safety of our products, services, networks systems in connection with: non-compliance with the legal requirements, intellectual property infringements, investigation of deceitful and criminal activity, interference with our rights, property or users. We may share your information, when we have reason to assume that we must do it in relation to authorized requests of law-enforcement authorities or other authorities having respective competencies(courts, public, fiscal and other authorities). We provide your information to law-enforcement authorities and other competent authorities for:

1. Investigation and/or prevention of deceitful practices, security threats, or other illegal activity.
2. Following judicial practice.
3. Protection of rights and property of Sport365d.com and our partners.

We also will share information with third parties in the following cases:

purchase, sale, bankruptcy, reorganization, merger or cooperation with other companies or business, or sale of our assets. In such cooperative activities we have the right to disclose or share your personal information to our actual or potential buyers. Sport365d.com may inform the users about legal requests or not.

On other platforms, sites, apps we may show publicly available information about you. All your information, placed on Sport365d.com may be scanned and indexed by search engines.

- Sport365d.com may process, share and store information in different countries. In some countries laws concerning data protection equivalent to those in your home country may not be in force. We provide a sound level of protection when sharing your data.
- It should be noted that if your information is in another country, it may be accessed by courts, national security agencies and law-enforcement authorities according to the laws of the country. Sport365d.com uses a range of legal mechanisms in order to protect your data.
- When sharing data, we are governed by the General Data Protection Regulation("GDPR").

5. Messaging:

We may view and analyze messages that are shared by users on Sport365d.com platform to prevent deceitful practice, observe the law, improve and analyze Sport365d.com services, support and acquisition of new customers.

We may block sending of messages if we consider them dangerous, spam, malicious messages.

Sport365d.com may contain links to outside uncontrolled resources, e.g., Google Maps and Google Planet Earth. The use of these resources is regulated by the policy as well as special terms and conditions of these resources themselves.

6. Safety, security, control, and processing of your personal data.

We follow publicly accepted standards of the branch and encourage all safety measures to help protect integrity and privacy of information we collect. Sport365d.com continually takes and improves administrative, technical and physical protection measures so that your personal information is protected from unauthorized access, use, alteration.

For some time we store your information to perform the obligations we undertake and execute our right in relation to information collected, perform our responsibility according to legal requirements concerning data storing during certain period of time, considering period of limitation in terms of applicable law, to provide safety, settle disputes, execute our Privacy Statement as well as for other legal business and judicial purposes, allowing us to conduct activities.

If you stop using our services, we may store information about you in the aggregate and depersonalized form.

To all stored personal information about you our Privacy Statement is applied.

If you assume that your account data was stolen, misused, acquired, contact us immediately.

It should be born in mind that neither Sport365d.com nor any other system can not be 100% safe but we do all possible to provide solid security to your information.

- We fully rely on you in terms of validity of your content and personal information. We want you to control how we use your personal data. You may alter, add, delete information by yourself, if you have an account. If you

have found some inaccuracy and can not alter them, contact us immediately. You may also delete your Account at any moment. For any questions concerning your access, deletion, alteration, information processing rights or in case of complaints, please, contact us sport365d@gmail.com.

7. Your rights.

- You have all rights, and you may use them in accordance with the law in force.
- According to the General Data Protection Regulation("GDPR"), you have the right to request termination of data processing, request facts, place, kinds of information, period and purpose of processing, information about third parties to whom information is disclosed, details about place where data is received and request its correction.

8. Amendments to the present Privacy Statement.

Sport365d.com reserves the right from time to time to make amendments to the present Privacy Statement. If we make considerable changes to the present Privacy Statement, we may provide you with corresponding notification and, when necessary, provide additional options for such change.

If you do not agree with the revised Privacy Statement, you may delete your Account. According to the law in force, your future use of Sport365d.com services means you agree to accept the revised Privacy Statement.
