

Welcome!

Fall Wharf Season

On colder days during the fall season everything on the wharf is **self-service**.

For Drinks

Visit Either Bar...inside offers a full bar while outside has bootlegs & your other favorites.

For Food

It is online takeout only currently.

Good news is you get access to our full inside menu!

Please add '**I'm Outside on the Wharf**' and the **Table #** to your cart and we will bring the order right to you. Otherwise your order will end up on our takeout counter inside the front doors.

For faster service, we recommend combining the orders at your table.
