We want to be a community that **spurs** individual potential for a **sustainable future**.

OUR LOCATIONS

Kibera Slums in Nairobi, Kenya.

Kisumu, Holo Village, western rural Kenya.

OUR TEAM

Spur Afrika is one organisation that works from two locations: Kenya and Australia. All our programs are designed and implemented by our Kenyan workers with the aim of responding to current needs. Our Australian team, are volunteers who focus primarily on fundraising to enable our work in Kenya

OUR MISSION

ENGAGE

We engage the local Kenyan community through authentic mentorship, culturally sensitive initiatives and sustainable programs.

EMPOWER

We empower children and young adults with skills to transform not only their own lives but the lives of their families and communities.

EDUCATE

We educate through the provision of schooling, extra-curricular activities and public health programs.
